☒ **Standard Plan**

**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Annual Plan reflects the Jefferson County Housing Authority's official policies, procedures and activities that will be carried out during the Housing Authority's 2008 Fiscal Year.

The Housing Authority provides safe, decent, and affordable housing for lower income families, elderly, and persons with disabilities, along with encouraging families to become self-sufficient.

Our goal is to expand the supply of assisted housing by reducing public housing vacancies and developing an aggressive marketing plan.

We plan to improve the quality of assisted housing by increasing our PHAS score, increase customer satisfaction, and continue to modernize our public housing units through our Capital Fund Program.

All operations, management policies, and this Annual Plan will reflect the fact that the resident's needs are first and foremost. All individuals will be treated fairly and equally when seeking the Authority's assistance in improving their quality of living conditions.

During the upcoming 2008 Fiscal Year, four primary goals will drive the Housing Authority's operations (1) converting to Project Asset Management and Project Base Accounting (2) Improving handicapped Accessibility (3) Cost reductions (4) vacancy reduction.

The Housing Authority will begin implementation of its 504 Implementation and Transition Plan to bring the Housing Authority in full compliance with current federal guidelines for accessible housing. To complete these improvements the Housing Authority is committing their Capital Fund Allocation over the next 5 years. The expenditure of Capital Funds for mobility improvements will have a significant impact on the other capital improvements and general repairs.

A projected annual reduction in the federal public housing Operating Fund allocation must be reflected in a corresponding reduction of operating costs and other savings. During the 2008 Plan year costs saving opportunities must be identified and appropriate cost reduction actions taken..

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

#### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☒ Reduce turnover time for vacated public housing units
- ☒ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☒ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☒ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☒ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- ☒ Apply for additional section 8 units should they become available

- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☒ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☒ Other: (list below)

The Housing Authority will continue to support affordable housing by Managing a 16 family development in Brookville, and 40 elderly units in Brockway, and assume the continuation of assisted living for the elderly in Brockway through a Management Agreement.

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

### HOUSING AUTHORITY 5-YEAR PROGRESS REPORT

In our previous Agency Plan, the Jefferson County Housing Authority listed HUD Strategic Goals as well as Authority Goals. During this year we have made progress toward accomplishing these goals.

Expand the supply of existing housing - The Housing Authority continues to manage a sixteen family unit development in Brookville, Pa. The Housing Authority has a management agreement with the Jefferson County Nonprofit Housing Corporation to manage a 40 bed personal care facility and 15 independent living apartments and commercial rental space that provide core elderly services to residents in Brockway, Pa.

Improve the quality of assisted housing - Housing Authority employees have attended various financial, occupancy and management , and unit inspection training sessions in order to improve specific management/maintenance operations. These training sessions will also  
Help us in preparation for Project Base Accounting and Asset Management.

Increase assisted housing choices - The Housing Authority currently maintains three (3) municipal waiting lists for the public housing program. Voucher mobility counseling is provided during all briefings and is part of our on-going program. Through management agreements the Housing Authority can provide housing choices in areas where public housing is not available.

## **ATTACHMENT G (CONT.)**

Provide an improved living environment - The Housing Authority is continuing to improve our property maintenance/management by conducting scheduled site and unit inspections of all developments. Completing all work orders and preventative maintenance items promptly.

Ensure equal opportunity and affirmatively further Fair Housing - The Housing Authority continues to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. Modifications are made to units as needed to satisfy any special accommodation request.

Ensure compliance with applicable regulations, including compliance with generally accepted accounting practices - The Housing Authority has converted their books of accounts to a GAAP format as required. Our most recent fiscal audit contained one finding. The Housing Authority failed to submit HUD-60002, Summary Report, Economic Opportunities for low and very low-income persons, for fiscal year end March 31, 2007. The Housing Authority has established procedures to remember to submit this report for the required programs when they are due.

The Housing Authority has begun the process of converting to Project Base Accounting and Asset Management.

#### **Jefferson County Housing Authority**

Mary Lou Burkett	Deputy Director
Wendy Buskirk	Development Manager

Mary Lou Burkett called the Meeting to order and welcomed everyone.

A short description was given about the work items contained in the 2007 and 2008 Capital Fund Program. The Housing Authority will begin doing 504 renovations to the common areas and will then continue with the major renovations the following years.

We are in the process of preparing the Annual Agency Plan and you are welcome to make comments and suggestions that you would like to have improved and/or changed in the Authority. The contents of the plan have statistical information about our applicants and residents.

She explained there are local and state statistics included in the plan regarding our waiting list, residents, the three types income ranges, disabilities, racer, and ethnicity.

The Housing Authority has the public housing program, Section 8 Housing Choice Voucher Program, homeownership program, and the Capital Fund Program all of which are addressed in the Agency Plan. The Plan also address all the Housing Authority's policies that govern our operations.

A draft of the Agency Plan is available for comments.

The meeting continued with discussions on the subjects of communication, resident services or programs, and suggestions of what can be done to improve their developments.

A compliment was given to the Housing Authority for issuing the bonds to students who earn an honor card and/or have perfect attendance for the school year.

It was suggested to either submit a photo of the recipients with a write up to the Spirit or contact the Spirit to cover the story. The publicity would project a positive image for the Housing Authority.

I explained the student must be Housing Authority resident family member, either in public housing or the section 8 program, and have earned honor card status for the school year and/or have perfect attendance for the term.

I then explained the two college scholarship awards and the organizations that sponsor them. Notices are sent to eligible families so the student can apply for the scholarship. Again, the family must be either a resident of public housing or a participant in the section 8 program.

The suggestion of news coverage for the bond recipients will be considered for the term ending 2008.

A member informed us that Community Action has group children activities and suggested the Housing Authority look into what type of activities are available, then survey the residents to find out if they are interested and would encourage their children to participate. She also expressed concern about some persons who schedule activities at the Community Room for the children, and would feel better permitting her child to participate if the person was certified.

I expressed the Community Action program (s) would be checked into and appreciated her concern and suggestion.

One of the committee member is certified in alternative medicines, and volunteered to conduct a demonstration on reflexology and pressure points.

I told her, our staff would work with her to determine if there would be an interest in this type of program and suggested she also touch base with Tracy Smith at the Senior Center.

Another member volunteered to conduct safety programs especially in areas of how to use a fire extinguisher, explain the safe use of gas-fired ranges, just small but helpful safety precautions.

I requested him to prepare a program and the Housing Authority would encourage the residents to attend.

A program/service request involved budgeting classes, but along with this type of training comes the need of childcare allowing residents with children to attend.

There would not be a problem with providing this type of training, but we would need to discuss the childcare point.

A couple suggestions for child training were the results and consequences of their actions, such as setting a fire. Explain that someone could be severely injured, building (s) burned down and families not having a home, fines to be paid, and possibly some type of juvenile detention could be a result. Another issue is the use of tobacco, alcohol, and/or drugs by children no matter of their age. They need to be taught of the amount of physical and mental harm they will do to themselves.

Possibly the Housing Authority could get someone from the Drug Task Force and other organizations(s) for this type of training.

A flyer was distributed to our Beyer Avenue Terrace residents regarding a cooking class that would be presented by Penn State. She suggested that some type of communication be posted in the laundry room of whether the training is or is not going to be given.

I told her that I would check with Carol and find out if she is aware of this, and if she is, whether the class is going to be conducted. If we have the information, we will post the result on the bulletin board in the laundry room.

All the members commented on what a good job the maintenance department is doing and the improvement in the response time and the work.

A visitor parking issue at Cascade Village was presented.

I said that I would speak to Sandy and Steve and perhaps a visitor parking sign could be installed at the parking area near the community building.

Members representing Cascade Village and Beyer Avenue Terrace commented the need for yellow lines to be painted.

I said that I would check with Steve to see if he has this on his “to do” list.

A Beyer Avenue Terrace member requested consideration be given to installing two trash containers, one near the mailbox area and one near the dumpster in the lower parking lot. She picks up papers and garbage from the lawns and these are two areas that are really bad.

Again, I said that I would check with Steve and he would need to make this decision.

A couple members stated they appreciate the ice melt that is available to them in the winter.

A suggestion was made regarding snow removal in the parking lot at Beyer Avenue Terrace. If the vehicles are not moved for snow plowing, the resident will be responsible for shoveling the snow along their parking space. This would be similar to being responsible for shoveling the snow from their sidewalk.

I stated that I would discuss this issue with Sandy and that I thought it is a good idea.

Another question involved children being outside late at night (midnight) screaming, could the Housing Authority put some type of curfew in effect?

The problem with instilling a curfew would be who would enforce it. It is very difficult to impose anything that cannot be enforced. Parents are to be responsible for the actions of their children.

I thanked everyone for attending the meeting and their suggestions and concerns for each of their developments.

The members enjoyed the luncheon

Meeting adjourned.

Resolution # \_\_\_\_\_  
Date Adopted: \_\_\_\_\_

## DWELLING LEASE

### A. PRINCIPAL TERMS

1. The JEFFERSON COUNTY HOUSING AUTHORITY(Authority) leases to \_\_\_\_\_(Resident) a dwelling unit located at \_\_\_\_\_ according to the terms of this agreement.

The monthly rent to be paid by the resident without demand by Management shall be \$\_\_\_\_\_ and shall be due and payable in advance on the first day of each month beginning \_\_\_\_\_. The lease term shall be one year and shall renew automatically for another year, unless terminated as provided by this lease.

The monthly rent shall remain in effect unless the resident's income and/or family composition changes and the rent is recalculated in accordance with the required re-determination. Rent shall be paid at the Management Office located at 201 North Jefferson Street, Punxsutawney, Pa. 15767 or the Reynoldsville Management Office located at 1039 Grant Street, Post Office Box 236, Reynoldsville, Pa 15851.

The apartment leased is for the exclusive use and occupancy of the resident and the resident's household consisting of the following named person who will live in the dwelling unit:

NAME	RELATIONSHIP	SS#	BIRTHDATE
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Any additions to the household members listed above requires the advance written approval of the Authority. This includes live-in aides and foster children or adults but excludes natural births. The Authority shall approve the additions if they pass the screening process and an appropriate size unit is available. Removal from the household shall be reported, in writing, to the Authority within ten (10) days. The resident agrees to abide by Management's determination of eligibility/ineligibility. Failure on the part of the resident to comply with this provision will result in the Housing Authority terminating the lease.

“Removal Request Forms” are available at the Management Office. If the removal is either resident or co-resident, both parties should sign the “Removal Request Form”, if possible.

**B. RESIDENT AGREES**

**1. RENT – To pay rent in advance on the first day of each month without demand**

\_\_\_\_\_ This rent is based on the Authority determined flat rent for this unit. \_\_\_\_\_ This rent is based on the income and other documented information provided by resident.

Families may change rent calculation methods at recertification time.

Families who have chosen the flat rent option may request a rent adjustment change to the formula based method at any time if the family’s income has decreased, their on-going expenses for such purposes as child care and medical care have changed or any other circumstances that create a hardship for the family that would be alleviated by a change.

Rent payment may be made by personal check. However, if a check is returned due to insufficient funds, the resident’s account will be charged. ( in accordance with schedule of charges)

Should two (2) personal checks be returned due to insufficient funds, the resident’s rent payment can only be paid in cash or money order.

Account Balance – Payment or receipt of a rental payment of less than the amount stated in the lease shall be deemed to be nothing more than a partial payment of the months account. Under no circumstances shall the Housing Authority’s acceptance of a partial payment constitute accord and satisfaction. Nor will the Housing Authority’s acceptance of a partial payment forfeit the Housing Authority’s right to collect the balance due on the account, despite endorsement, stipulation or other statement on any check.

If a family is paying the minimum rent and circumstances change creating an inability to pay the rent the family may request temporary suspension of the minimum rent because of a recognized hardship.

In the event legal proceedings are required to recover possession of the premises, the resident will be charged with the actual cost of such proceedings.

Any payment received will be applied to the oldest charges in the resident’s account, with exception of debts currently under a payment agreement.

**2 SECURITY DEPOSIT – Residents after January 1, 2008, agree to pay a security deposit in the amount of \$99.00 or one month’s rent, whichever is less.**

This deposit is used by the Housing Authority at the time of termination of the lease, toward reimbursement of the cost of repairing any intentional or negligent damages to the dwelling unit caused by the resident, his/her family, dependent or guest, for items requiring maintenance which does not constitute normal wear and tear. Security deposit may also be used to reimburse costs incurred by the unauthorized removal of Housing Authority property by the resident, resident family members, dependents or guests and any rent or utilities owed by the resident. The Authority agrees

to return the security deposit to the resident within thirty (30) days after he/she vacates, less any deduction for any costs that are indicated.

### STATEMENT OF POLICIES AND OBJECTIVES

#### INTRODUCTION

The Low Rent Public Housing Program was created by the U.S. Housing Act of 1937.

Administration of the Public Housing Program and the functions and responsibilities of the Jefferson County Housing Authority (PHA) staff shall be in compliance with the PHA's Personnel Policy, and this Admissions and Continued Occupancy Policy. The administration of this PHA's housing program will also meet the requirements of the Department of Housing and Urban Development. Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations also apply. Changes in applicable federal laws or regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 CFR, Parts V, VII, and IX. (Code of Federal Regulations)

#### A. HOUSING AUTHORITY MISSION STATEMENT

The Jefferson County Housing Authority is committed to building and maintaining affordable housing for the citizens in our community. We seek to create safe neighborhoods by partnering with individuals and organizations to provide housing, education and employment opportunities for families of modest means to become self-sufficient and improve their quality of life. We shall serve our clients and all citizens with the highest level of professionalism, compassion and respect.

#### B. LOCAL OBJECTIVES

This Admissions and Continued Occupancy Plan for the Public Housing Program is designed to demonstrate that the PHA is managing its program in a manner that reflects its commitment to improving the quality of housing available to its public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, this Admissions and Continued Occupancy Policy is designed to achieve the following objectives:

To provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.

To operate a socially and financially sound public housing agency that provides decent, safe, and sanitary housing within a drug free, suitable living environment for tenants and their families.

To avoid concentrations of economically and socially deprived families in any one or all the PHA's public housing developments.

To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to PHA employees.

To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that are representative of the range of incomes of low-income families in the PHA's jurisdiction.

To provide opportunities for upward mobility of families who desire to achieve self-sufficiency.

To facilitate the judicious management of the PHA inventory, and the efficient management of the PHA staff.

To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

### C. PURPOSE OF THE POLICY

The purpose of this Admissions and Continued Occupancy Policy (ACOP) is to establish guidelines for the Public Housing Authority (PHA) staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements of the Department of Housing and Urban Development (HUD) with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the PHA.

The PHA Board of Commissioners must approve the original policy and any changes. Required portions of this Plan will be provided to HUD.

### D. FAIR HOUSING POLICY

It is the policy of the Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. The PHA will comply with all laws relating to Civil Rights, including:

Title VI of the Civil Rights Act of 1964

Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988).

Executive Order 11063

Section 504 of the Rehabilitation Act of 1973

The Age Discrimination Act of 1975

Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

Any applicable State laws or local ordinances and any legislation protecting individual rights of tenants, applicants or staff that may subsequently be enacted.

The PHA shall not discriminate because of race, color, sex, religion, familial status, disability, national origin, marital status or sexual orientation in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any project or projects under the PHA's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

Posters and housing information are displayed in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to public housing residents regarding "discrimination" and any recourse available to them if they believe they are victims of discrimination. Such information will be made available to them during the resident orientation session.

The PHA's Management Office, 201 North Jefferson Street, Punxsutawney, Pa, is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD telephone service provider by contacting the Pennsylvania Telecommunications Relay Service At 711 or 1-800-585-5303.

The PHA shall not, on account of race, color, sex, religion, familial status, disability, national origin, marital status, or sexual orientation:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;

- Provide housing that is different from that provided to others;

- Subject a person to segregation or disparate treatment;

- Restrict a person's access to any benefit enjoyed by others in connection with the housing program;

- Treat a person differently in determining eligibility or other requirements for admission; or

- Deny a person access to the same level of services.

The PHA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, elderly families with pets).

#### E. SERVICE AND ACCOMMODATIONS POLICY

This policy is applicable to all situations described in this Admissions and Continued Occupancy Policy when a family initiates contact with the PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

#### REASONABLE ACCOMMODATION POLICY

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

A participant with a disability must first ask for a specific change to a policy or practice as an accommodation of his or her disability before the Housing Authority will treat a person differently than anyone else. The Housing Authority's policies and practices will be designed to provide assurances that persons with disabilities will be given reasonable

accommodations, upon request, so they may fully access and utilize the housing program and related services. The availability of requesting an accommodation will be made known by including notices on Housing Authority forms, and letters. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities and is applicable to all situations described in this Admission and Occupancy Policy including when a family initiates contact with the Housing Authority, when the Housing Authority initiates contact with a family including when a family applies, and when the Housing Authority schedules or reschedules appointments of any kind.

## FEDERAL AMERICANS WITH DISABILITIES ACT OF 1990

With respect to an individual, the term “disability,” as defined by the 1990 Act means:

A physical or mental impairment that substantially limits one or more of the Major life activities of an individual;

A record of such impairment; or,

Being regarded as having such impairment.

## UNDUE HARDSHIP

Request for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an “undue financial and administrative burden” for the PHA< meaning an action requiring “significant difficulty or expense”.

In determining whether accommodation would create an undue hardship, the following Guidelines will apply:

The nature and cost of the accommodation needed;

The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation; and

The number of persons employed at such facility, the number of families likely to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

## VERIFICATION OF A REQUEST FOR ACCOMMODATION

Requests for accommodation or modification of a unit will be verified with a reliable, knowledgeable professional, unless the disability is obvious, apparent, or the need for the requested accommodation is readily apparent or known.

Requests for reasonable accommodation from person with disabilities will be granted upon verification that they meet the need presented by the disability.

## REASONABLE ACCOMMODATION

Reasonable accommodation will be made for persons with a disability who require an Advocate or accessible offices. A designee will be allowed to provide some information, But only with the permission of the person with the disability.

All PHA mailing will be made available in an accessible format upon request, as a Reasonable accommodation.

## RECERTIFICATION BY MAIL

The PHA will permit the family to submit annual and interim recertification forms Through the mail, when the PHA has determined that the request is necessary as a Reasonable accommodation.

The mail-in packet will include notice to the family of the PHA's deadline for returning The completed forms to the PHA.

If there is more than one adult member in the household, but only one is disabled, recertifications will not be processed through the mail. In such cases, the able adult family members will come in for the appointment and then take the necessary forms home to the member with a disability for completion and signature.

## HOME VISITS

When requested and where the need for reasonable accommodation has been established, the PHA will conduct home visits to residents to conduct annual and interim recertification.

## OTHER ACCOMMODATIONS

The PHA will refer families who have persons with disabilities to agencies in the community that offer services to persons with disabilities.

## F. TRANSLATION OF DOCUMENTS

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP persons are defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the public housing program.
2. The frequency with which LEP person come into contact with the program.

3. The nature and importance of the program activity, or service provided by the program to people's lives.
4. The resources available to the PHA and costs.

Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.

#### G. PUBLIC HOUSING MANAGEMENT ASSESSMENT SYSTEM (PHAS) OBJECTIVES

The PHA operates its public housing program with efficiency and can demonstrate to HUD or independent auditors that the PHA is using its resources in a manner that reflects its commitment to quality and service. The PHA policies and practices are consistent with the new Public Housing Assessment System (PHAS) outlined in the 24 CFR Parts 901 and 902 final published regulations

The PHA is continuously assessing its program and consistently strives to make improvements. The PHA acknowledges that its performance ratings are important to sustaining its capacity to maintain flexibility and authority. The PHA intends to diligently manage its current program operations and continuously make efforts to be in full compliance with PHAS. The policies and procedures of this program are established so that the standards set forth by PHAS are demonstrated and can be objectively reviewed by an auditor whose purpose is to evaluate performance.

#### H. FAMILY OUTREACH

The PHA will publicize and disseminate information to make known the availability of housing units and housing-related services for very low-income families and persons with disabilities on a regular basis.

The PHA will communicate the status of housing availability to other service providers in the community. The PHA will advise them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

The PHA will periodically publicize the availability and nature of housing assistance for very low income families and persons with disabilities in a newspaper of general circulation, including local minority publications and other suitable means.

To reach persons who cannot read the newspapers, the PHA will distribute fact sheets to the broadcast media and utilize public service announcements.

#### I. PRIVACY RIGHTS

Applicants and participants, including all adults in their households, are required to sign the form HUD-9886, "Authorization for Release of Information and Privacy Act Notice". This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The PHA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

Any and all information which would lead one to determine the nature and/or severity of a person's disability must be kept in a separate folder and marked "confidential." The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration. All requests for access and granting of accommodations based on this information must be approved by the staff person designated by the Executive Director.

The PHA's practices and procedures are designed to safeguard the privacy of applicants and tenants.

## CHAPTER 2

### ELIGIBILITY FOR ADMISSION

#### INTRODUCTION

This chapter defined both HUD's and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the qualifications of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

#### A. QUALIFICATION FOR ADMISSION

It is the PHA's policy to admit qualified applicants only. An applicant is qualified if he or she meets the following criteria:

Is a family as defined in this chapter;

Heads a household where at least one member of the household is either a citizen or eligible non-citizen;

Has an annual income at the time of admission that does not exceed the low income limits for occupancy established by HUD and posted separately in the PHA offices.

The Quality Housing and Work Responsibility Act of 1998 authorizes PHA to admit families whose income does not exceed the low-income limit (80% of median area income) once the PHA has met the annual 40% targeted income requirement of extremely low-income families (families whose income does not exceed 30% of median area income).

Provides a Social Security number for all family members, or will provide written certification that they do not have Social Security numbers

Meets the tenant Selection and Suitability Criteria as set forth in this policy.

#### TIMING FOR THE VERIFICATION OF QUALIFYING FACTORS

The qualifying factors of eligibility, other than citizenship status, will be verified before the family is placed on the waiting list.

#### B. FAMILY COMPOSITION

##### DEFINITION OF FAMILY

The applicant must qualify as a Family. A Family may be a single person or a group of persons.

A group of persons is defined by the PHA as two or more persons who intend to share residency whose income and resources are available to meet the family's needs, and will live together in PHA housing.

Elderly, disabled, and displaced families are defined by HUD in CFR 5.403.

The term "Family" also includes, but is not limited to:

- A family with or without children;

- An elderly family;

- A disabled family;

- A displaced family;

- The remaining member of a tenant family;

- A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a tenant family;

- Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides.

The temporary absence of a child from the home due to placement in foster care shall not be considered in determining the family composition and family size.

## OCCUPANCY BY POLICE OFFICERS

In order to provide an increased sense of security for public housing residents the PHA may allow public housing units to be occupied by police officers.

Police officers will not be required to be income eligible to qualify for admission to the PHA's public housing program.

## HEAD OF HOUSEHOLD

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

A family may designate an elderly or disabled family member as head of household solely to qualify the family as an Elderly Family, provided that the person is at least partially responsible for paying the rent.

## MUST BE AT LEAST 18 YEARS OF AGE

## SPOUSE OF HEAD

Spouse means the husband or wife of the head.

For proper application of the Noncitizens Rule, the definition of spouse is: the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term “spouse” does not apply to boyfriends, girlfriends, significant others, or co-heads.

## CO-HEAD

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

## LIVE-IN ATTENDANTS

A family may include a live-in aide provided that such live-in aide:

Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities.

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the tenant family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50-61) or disabled.

At any time, the Housing Authority may refuse to approve a particular person a live-in aide, or may withdraw such approval, if:

1. The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
2. The person commits drug-related criminal activity or violent criminal activity;
3. The person currently owes rent or other amounts to the Housing Authority or

another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.

### C. MANDATORY SOCIAL SECURITY NUMBERS

Families are required to provide verification of Social Security numbers for all family members prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to person joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial of admission or termination of tenancy.

If a member does not have a Social Security number they must sign a certification stating that they do not have one. The certification shall:

State the individual's name and that the individual has not been issued a Social Security number,

State that the individual will disclose the Social Security number, if they obtain one at a later date,

Be signed and dated.

### D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

**Mixed Families** - A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed". Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

**No Eligible Members** - Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

**Non-citizen Students** - Defined by HUD in the noncitizen regulations are not eligible for assistance.

The HA will establish and verify eligibility no later than the date of the family's annual reexamination following October 21, 1998.

No individual or family applying for financial assistance may receive such financial assistance prior to the affirmative establishment and verification of eligibility of at least one individual or family member.

## E. OTHER ELIGIBILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

To pay rent and other charges as required by the lease in a timely manner,

To care for and avoid damaging the unit and common areas,

To use facilities, appliances and equipment in a reasonable way,

To create no health or safety hazards, and to report maintenance needs in a timely manner,

Not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others.

Not to engage in criminal activity or alcohol abuse that threatens the health safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal, activity on or off the PHA premises,

Not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed," on the premises of federally assisted housing.

To comply with necessary and reasonable rules and program requirements of HUD and the PHA, and

To comply with local health and safety codes.

## DENIAL OF ADMISSION FOR PREVIOUS DEBTS TO THIS OR ANY OTHER PHA

Previous outstanding debts to this PHA or any PHA resulting from a previous tenancy in the public housing or Section 8 program must be paid in full prior to admission. No payment agreement will be accepted.

Either spouse is responsible for the entire debt incurred as a previous PHA tenant. Children of the head or spouse who had incurred a debt to the PHA will not be held responsible for the parent's previous debt.

## F. ONE STRIKE POLICY

### DENIAL OF ADMISSION FOR DRUG-RELATED AND/OR OTHER CRIMINAL ACTIVITY

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of the Jefferson County Housing Authority to fully endorse and implement a policy which is designed to:

Help create and maintain a safe and drug-free community.

Keep our program participants free from threats to their personal and family safety.

Support parental efforts to instill values of personal responsibility and hard work.

Help maintain an environment where children can live safely, learn and grow up to be productive citizens, and

Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

## ADMINISTRATION

All screening procedures shall be administered fairly and in such a way as not to discriminate on the basis of race, color, nationality, religion, sex, familial status, disability or against other legally protected groups, and not to violate right to privacy.

Incidents of violence or criminal activity in a applicants past that resulted from family violence is not grounds for denial.

To the maximum extent possible, the PHA will involve other community and governmental entities in the promotion and enforcement of this policy.

This policy will be made readily available to applicants and tenants upon request.

## HUD DEFINITIONS

“Drug-related criminal activity” is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use of a controlled substance (as defined in section 102 of the Controlled Substances Act)

Drug-related criminal activity means on or off the premises, not just on or near the premises.

“Criminal activity” includes any criminal activity that threatens the health, safety or right to peaceful enjoyment of the resident’s public housing premises by other residents or employees of the PHA.

## SCREENING FOR “ONE STRIKE”

In an effort to prevent drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or the right to peaceful enjoyment of the premises by other residents, the PHA will endeavor to screen applicants as thoroughly and fairly as possible.

Initial screening will be limited to routine inquiries of the family and any other information provided to the PHA regarding this matter. The inquiries will be standardized and directed to all applicants by inclusion in the application form.

If as a result of the inquiry, or the receipt of a verifiable referral, there is indication that the family or any family member is engaged in drug-related criminal or violent criminal activity, the PHA will determine whether the family should be denied admission.

An applicant will be rejected if any household member is subject to a lifetime registration requirement under a state sex offender registration program.

## LAW ENFORCEMENT RECORDS

The PHA will check criminal history for all applicants who are 18 years of age and older to determine whether any member of the family has engaged in violent or drug-related criminal activity.

The Housing Authority has a contract with the Intelli-Corp to act on their behalf to undertake the criminal record screening to determine if the applicant has a criminal record.

Verification of any past activity will be done prior to final eligibility and will include a check of conviction records.

## STANDARD FOR VIOLATION

Persons evicted from public housing, Indian housing, Section 23, or any Section 8 program because of drug-related criminal activity are ineligible for admission to Public Housing for a three-year period beginning on the date of such eviction.

The Housing Authority will not waive this requirement.

No member of the applicant's family may have engaged in drug-related or violent criminal activity within the past three (3) years

The PHA will permanently deny admission to public housing person convicted of manufacturing or producing methamphetamine on the premises of the assisted housing project in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The PHA will deny participation in the program to applicants where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the PHA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a pattern if there are more than two incidents during the previous three months.

"Engaged in or engaging in or recent history of" drug-related criminal activity means any act within the past three (3) years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

In evaluating evidence of negative past behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other resident, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

The PHA may permit eligibility for occupancy and impose conditions that the involved family member(s) does not reside in the unit. The PHA will consider evidence that the person is no longer in the household such as (divorce decree/incarceration/death/copy of a new lease with the owner/s telephone number and address/or other substantiating evidence).

#### OTHER CRIMINAL ACTIVITY

“Other criminal activity” means a history of criminal activity involving crimes of actual or threatened violence to persons or property, or a history of other criminal acts, conduct or behavior which would adversely affect the health, safety, or welfare of other residents,

For the purposes of this policy, this is construed to mean that a member of the current family has been arrested of any criminal or drug-related criminal activity within the past three (3) years

HUD defines violent criminal activity as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member.

No family member may have engaged in or threatened abusive or violent behavior toward PHA personnel at any time.

No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program in the last three (3) years.

#### EVIDENCE

The HA must have evidence of the violation.

“Preponderance of evidence” is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred.

Preponderance of evidence is not to be determined by the number of witnesses, but by the greater weight of all evidence.

“Credible evidence” may be obtained from policy and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants, evidence gathered by PHA inspectors and/or investigators, and evidence gathered from the PHA staff.

The PHA may pursue fact-finding efforts as needed to obtain credible evidence.

#### CONFIDENTIALITY OF CRIMINAL RECORDS

The PHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purposes for which it was requested is accomplished.

All criminal reports, will be housed in a file with access restricted to individuals responsible for such screening.

If the family is determined eligible for initial or continued assistance, the HA's copy of the criminal report shall be shredded as soon as the information is no longer needed for eligibility or continued assistance determination

If the family's assistance is denied or terminated, the criminal record information shall be shredded immediately upon completion of the review or hearing procedures and a final decision has been made.

The PHA will document in the family's file that the family was denied admission or the tenancy was terminated due to findings in the Criminal History Report.

#### DISCLOSURE OF CRIMINAL RECORDS TO FAMILY

Before the PHA takes any adverse action based on a criminal conviction record, the applicant will be provided with a copy of the criminal record and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal hearing. Tenants may contest such records at the court hearing in the case of evictions.

#### HEARINGS

(See Chapter titles "Complaints, Grievances and Appeals")

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, she/he shall be given an opportunity for an informal hearing according to the PHA's hearing procedures outlined in the Chapter on Complaints, Grievances and Appeals.

#### G. SCREENING FOR SUITABILITY

In developing its admission policies, the aim of the PHA is to attain a tenant body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the PHA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The PHA will conduct a detailed interview of all applicants. The Interview application form will contain questions designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers will be subject to third party verification.

An applicant's intentional misrepresentation of any information related to eligibility, housing history, allowances, family composition or rent will result in denial of admission.

The PHA's minimum age for admission as head of household is 18, to avoid entering into leases which would not be valid or enforceable under applicable law.

As a part of the final eligibility determination, the PHA will screen each applicant household to assess their suitability as renters.

The PHA will complete a rental history check on all applicants.

The PHA shall rely upon sources of information which may include, but not be limited to, PHA records, personal interviews with the applicant or tenant, contact previous landlords, employers, family social workers, parole officers, criminal and court records, personal references, or the police department.

This will be done in order to determine whether the individual attributes, prior conduct, and behavior of a particular applicant is likely to interfere with other tenants in such a manner as to diminish their enjoyment of the premises by adversely affecting their health, safety or welfare.

Factors to be considered in the screening are housekeeping habits, rent paying habits, prior history as a tenant, criminal records, the ability of the applicant to maintain the responsibilities of tenancy, and whether the conduct of the applicant in present or prior housing has been such that admission to the program would adversely affect the health, safety or welfare of other residents, or the physical environment, or the financial stability of the development.

The PHA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

The applicant's past performance in meeting financial obligations, especially rent.

Eviction or a record of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences which may adversely affect the health, safety, or welfare of other tenants or neighbors.

Any history of criminal activity on the part of any applicant family member involving criminal acts, including drug-related criminal activity.

Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors.

Any history of initiating threats or behaving in a manner indicating an intent to assault employees or other tenants.

Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the PHA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare.

Adversely affect the physical environment or financial stability of the development.

Violate the terms and conditions of the lease.

Require services from PHA staff that would alter the fundamental nature of the PHA's program.

## RENT PAYING HABITS

The PHA will examine any Housing Authority records from a prior tenancy, and will request written references from the applicant's current landlord and may request written references from former landlords for up to the past three (3) years.

Based upon these verifications, the PHA will determine if the applicant was chronically late with rent payments, was evicted at any time during the past three (3) years for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Applicants will not be considered to have a poor credit history if they were late paying rent because they were withholding rent due to substandard housing conditions in a manner consistent with a local ordinance, or had a poor rent paying history clearly related to an excessive rent relative to their income (using 50% of their gross income as a guide) and responsible efforts were made by the family to resolve the nonpayment problem.

The lack of credit history will not disqualify a family, but a poor credit history will, with the exceptions noted above.

Where past rent paying ability cannot be documented, the PHA will check with the utility company(s) to determine whether the family has been current and timely on their payments.

## SCREENING APPLICANTS WHO CLAIM MITIGATING CIRCUMSTANCES

Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified would indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the PHA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the PHA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The PHA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

## EXAMPLES OF MITIGATING CIRCUMSTANCES

Evidence of successful rehabilitation.

Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service.

Evidence of successful and sustained modification of previous disqualifying behavior.

Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The PHA will consider such circumstances in light of:

The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior, and

The applicant's overall performance with respect to all the screening requirements.

#### QUALIFIED AND UNQUALIFIED APPLICANTS

Information which has been verified by the PHA will be analyzed and a determination will be made with respect to:

The eligibility of the applicant as a family,

The eligibility of the applicant with respect to income limits for admission,

The eligibility of the applicant with respect to citizenship or eligible immigration status,

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both INS and PHA procedures, except for a pending PHA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The PHA shall provide applicants an opportunity for an informal hearing (see Chapter titled "Complaints, Grievances, and Appeals.") Applicant has the right to request a reasonable accommodation, if appropriate to address the denial of assistance.

Applicants who have requested a reasonable accommodation as a person with a disability and who have been determined eligible, but fail to meet the Applicant Selection Criteria, will be offered an opportunity for a second meeting to have their cases examined to determine whether mitigating circumstances or reasonable accommodations will make it possible for them to be housed in accordance with the screening procedures.

The PHA will make every effort to accurately estimate an approximate date of occupancy. However, the date given by the PHA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by the PHA, such as turnover rates, and market demands as they affect bedroom sizes and development location.

#### DOCUMENTING FINDINGS

An authorized representative of the PHA shall document any pertinent information received relative to the following:

**Criminal Activity** - includes the activities listed in the definition of criminal activity in this Chapter.

**Pattern of Violent Behavior** - includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.

**Pattern of Drug Use** - includes a determination by the PHA that the applicant has exhibited a pattern of illegal use of a controlled substance which might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

**Drug Related Criminal Activity** - includes a determination by the PHA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.

**Pattern of Alcohol Abuse** - includes a determination by the PHA that the applicant's pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

**Initiating Threats** - or behaving in a manner indicating an intent to assault employees or other tenants.

**Abandonment of a Public Housing Unit** - without advising PHA officials so that staff may secure the unit and protect its property from vandalism.

**Non-Payment of Rightful Obligations** - including rent and/or utilities and other charges owed to the PHA (or any other PHA)

**Intentionally Falsifying an Application for Leasing** - including uttering or otherwise providing false information about family income and size, using an alias on the application for housing, or making any other material false statement or omission intended to mislead.

**Record of Serious Disturbances of Neighbor, Destruction of Property or Other Disruptive or Dangerous Behavior** - consists of patterns of behavior which endanger the life, safety, or welfare of other persons by physical violence, gross negligence or irresponsibility, which damage the equipment or premises in which the applicant resides, or which are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant's inability to adapt to living in a multi-family setting. Includes judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, or frequent loud parties, which have resulted in serious disturbances of neighbors.

**Grossly Unsanitary or Hazardous Housekeeping** - includes the creation of a fire hazard through acts such as hoarding rags, papers, or other materials, severe damages to premises and equipment, if it is established that the family is responsible for the condition, seriously affecting neighbors by causing infestation, foul odors, depositing garbage in halls, or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or due to lack of orderliness, where such conditions do not create a problem for neighbors.

Destruction of Property - from previous rentals

In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors which might indicate a reasonable probability of favorable future conduct or financial prospects.

#### PROHIBITED CRITERIA FOR DENIAL OF ADMISSION

Applicants will NOT be rejected because they:

Have no income,

Are not employed,

Do not participate in a job training program,

Will not apply for various welfare or benefit programs,

Have children,

Have children born out of wedlock

Are on welfare,

Are students.

#### H. HEARINGS

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, she/he shall be given an informal hearing according to the PHA's hearing procedures outlined in Chapter 13, Complaints, Grievances and Appeals.

## CHAPTER 3

### APPLYING FOR ADMISSION

#### INTRODUCTION

The policy of the PHA is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the PHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Policy.

#### A. HOW TO APPLY

Families who wish to apply for any of the PHA's programs must complete a written application form. Assistance in completing applications will be provided upon request from a person with a disability. Applications will be provided in alternate formats if needed, as a reasonable accommodation.

Applications will be accepted at the Housing Authority's Management Office, 201 North Jefferson Street, Punxsutawney, Pa. for all housing developments in Punxsutawney ( PA 61-1, Jefferson Street Hi-Rise, and PA 61-2 Beyer Avenue)

Applications will be accepted at the Housing Authority's Reynoldsville Office, 1039 Grant Street, Reynoldsville for developments in Reynoldsville and Sykesville. (PA 61-3, Sunrise Terrace, PA61-4, Breezeway Terrace, PA61-5, Cascade Village, PA 61-7, Forestview Terrace, PA 61-8, Skyview Terrace, and PA 61-15, Cares Terrace)

Families who wish to apply for the Housing Authority's Public Housing Program and live further than a Fifty (50) mile radius from the Jefferson County Housing Authority 's office may request a Mail-out Application (preliminary). This application will only be used to place the applicant's name on the waiting list by time and date it is received at the Housing Authority's office.

The PHA's Management Office, 201 North Jefferson Street, Punxsutawney, Pa. is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD telephone service provider by contacting the Pennsylvania Telecommunications Relay Service at 711 or 1-800-585-5303.

Applicants may choose which municipal-based waiting list they wish to be placed on.

The application process will involve two phases.

The first is the "initial" application for admission. This first phase is to determine the family's eligibility for, and placement on, the waiting list.

The application will be date, time-stamped, and referred to the PHA's office where tenant selection and assignment is processed.

The second phase is the "final determination of eligibility for admission." This phase takes place when the family reaches the top of the waiting list. At this time the PHA ensures that

verification of all HUD and PHA eligibility factors is current in order to determine the family's eligibility for an offer of a suitable unit.

## B. "INITIAL" APPLICATION PROCEDURES

The PHA will utilize an application form for the initial application for public housing. The application is taken in person and the data is entered into the computer.

The purpose of the application is to permit the PHA to preliminarily assess family eligibility or ineligibility and to determine placement on the waiting list.

The application will contain questions designed to obtain the following information:

- Names of head and spouse
- Names of adult members and age of all household members
- Number of family members (used to estimate bedroom size needed)
- Street address and phone numbers
- Mailing address (if PO Box or other permanent address)
- Annual income
- Source(s) of income received by household members
- Information regarding request for reasonable accommodation or for accessible unit
- Social Security numbers
- Race/ethnicity
- Arrests/convictions for drug related or violent criminal activity
- Previous address
- Names and address of current and previous landlords
- Emergency contact person and address
- Questions regarding previous participation in HUD programs

Applications will require interviews. Information on the application will be verified for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

Applicants are requested to inform the PHA in writing of changes in family composition, income, and address. Applicants are also required to respond to requests from the PHA to update information on their application, or to determine their continued interest in assistance.

Failure to provide information or to respond to mailings will result in the applicant being removed from the waiting list, (see Chapter on Complaints, Grievances and Appeals.)  
If failure to respond was due to the person's disability, they will be re-instated.

## C. NOTIFICATION OF APPLICANT STATUS

If after a review of the application the family is determined to be preliminarily eligible, they will be notified by receipt of application.

If the family is determined to be ineligible based on the information provided in the application, the PHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal hearing. Persons with disabilities may

request to have an advocate attend the informal hearing as an accommodation. See Chapter on “Complaints, Grievances and Appeals.”

#### D. REVIEW OF APPLICATION

When the PHA is ready to select applicants, the PHA will call or send the applicant a letter notifying him/her of an appointment. Applicants will be required to:

Participate in a full application interview with the PHA representative during which the applicant will be required to furnish complete and accurate information verbally as requested by the interviewer. The PHA interviewer will review the full application form with answers supplied by the applicant. The applicant will sign and certify that all information is complete and accurate.

#### REQUIREMENT TO ATTEND INTERVIEW

The PHA utilizes the full application interview to discuss the family’s circumstances in greater detail, to clarify information which has been provided by the family and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other PHA services or programs which may be available.

All adult family members must attend the interview and sign the housing application. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

If the head of household cannot attend the interview, the spouse may attend to complete the application and certify for the family.

If an applicant fails to appear for a pre-scheduled appointment, the PHA will automatically schedule a second appointment. If the applicant misses the second appointment without prior approval, the application is denied.

Reasonable accommodation will be made for persons with a disability who requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability. If the failure to respond is related to the person’s disability, the Authority shall consider appropriate reasonable accommodation requests.

If an application is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal hearing. (See chapter on Complaints, Grievances and Appeals)

All adult members must sign for HUD-9886, “Release of Information,” the declarations and consents related to citizenship/immigration status and any other documents required by the PHA. Applicants will be required to sign specific verification forms for information which is not covered by the HUD-9886. Failure to do so will be cause for denial of the application for failure to provide necessary certifications and release as required by the PHA.

Information provided by the applicant will be verified, including information related to family composition, income, allowances and deductions, assets, eligible immigration status, full time student status and other factors related to eligibility and rent calculation.

If the PHA determines at or after the interview that additional information or documents(s) are needed, the PHA will request the document(s) or information in writing. The family will be given ten (10) working days to supply the information.

If the information is not supplied in this time period, the PHA will provide the family a notification of denial for assistance, (see Chapter on Complaints, Grievances and Appeals.)

#### E. PROCESSING APPLICATIONS

Prior to a family being placed on the waiting list, the following items are verified to determine qualification for admission to the PHA's housing.

- Family composition and type (elderly/non elderly)
- Annual Income
- Assets and asset income
- Deductions from annual income
- Social Security Numbers of all family members
- Information used in applicant screening
- Citizenship or eligible immigration status
- Criminal History Report

#### F. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the PHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the PHA, and the tenant suitability determination (see Chapter on Eligibility for Admission).

Because HUD can make changes in rules or regulations and family circumstances may have changed during the review process that affect an applicant's eligibility, it is necessary to make final eligibility determination.

The household is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and may have been listed on the waiting list.

## CHAPTER 4

### TENANT SELECTION AND ASSIGNMENT PLAN

#### INTRODUCTION

It is the PHA's policy that each applicant shall be assigned an appropriate place on the municipal-based waiting list in which the applicant selects to reside. Applicants will be listed in sequence based upon date and time the application is process, and the size and type of unit. In filling an actual or expected vacancy, the PHA will offer the dwelling unit to an applicant in the appropriate sequence, with the goal of accomplishing deconcentration of poverty and income-mixing objectives. The PHA will offer the unit until it is accepted. This Chapter describes the PHA's policies with regard to the number of unit offers that will be made to applicants selected from the waiting list.

#### HA's OBJECTIVES

PHA policies will be followed consistently and will affirmatively further HUD's fair housing goals.

It is the PHA's objective to ensure that families are placed in the proper order on the waiting list so that the offer of a unit is not delayed to any family unnecessarily or made to any family prematurely. This chapter explains the policies for the management of the waiting list.

When appropriate units are available, families will be selected from the waiting list in their determined sequence.

#### A. MANAGEMENT OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- The application will be a permanent file.

- All applicants will be maintained in order of date and time of application receipt.

- All applicants must meet applicable income eligibility requirements as established by HUD.

#### PREFERENCE FOR A DISASTER AFFECTED FAMILY

Families of federally declared disasters who are Section 8 voucher holders or public housing residents in another jurisdiction will receive preference over other waiting list placeholders.

#### OPENING AND CLOSING THE WAITING LIST

The PHA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, and the ability of the PHA to house an applicant in an appropriate unit within a reasonable period of time.

When the PHA opens the waiting list, the PHA will advertise through public notice in the newspapers, minority publications and media entities.

The notice will contain:

The dates, times, and the locations where families may apply.

The programs for which application will be taken.

A brief description of the program

A statement that Section 8 participants must submit a separate application if they want to apply for Public Housing.

Limitations, if any, on who may apply.

The notices will be made in an accessible format if requested. They will provide potential applicants with information that includes the PHA address and telephone number ( 814-938-7140) or the TTY number #711, how to submit an application, and information on eligibility requirements.

Upon request from a person with a disability, additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

#### WHEN APPLICATION TAKING IS SUSPENDED

The PHA may suspend the acceptance of application if there are enough holders to fill anticipated openings for the next 24 months.

The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

During the period when the waiting list is closed, the PHA will not maintain a list of individuals who wish to be notified when the waiting list is open.

Suspension of application taking is announced in the same way as opening the waiting list.

The open period shall be long enough to achieve a waiting list adequate to cover projected turnover over the next 24 months. The PHA will give at least ten (10) days notice prior to closing the list by:

Date and time of application receipt, unit size, and municipal area in which the applicant wishes to reside.

The PHA will update the waiting list at least annually by removing the names of those families who are no longer interested, no longer qualify for housing, or cannot be reached by mail or telephone. At the time of initial intake, the PHA will advise families of their responsibility to notify the PHA when making address or telephone numbers change,

#### REOPENING THE LIST

If the waiting list is closed and the PHA decides to open the waiting list, the PHA will publicly announce the opening.

Any reopening of the list is done in accordance with the HUD requirements.

#### LIMITS ON WHO MAY APPLY

When the waiting list is open,

Any family asking to be placed on the waiting list for Public Housing rental assistance will be given the opportunity to complete an application.

When the application is submitted to the PHA,

It establishes the family's date and time of application for placement order on the waiting list.

#### MULTIPLE FAMILIES IN SAME HOUSEHOLD

When families apply that consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

#### B. MUNICIPAL-BASED WAITING LIST

The PHA offers a system of municipal-based waiting lists.

Applicants may choose which municipal-based waiting list they wish to be placed on.

When there are insufficient applicants on a municipal-based waiting list, the PHA will contact applicants on other municipal-based waiting lists who may qualify for the type of housing with insufficient applicants. "Insufficient applicants" on a list will be defined as enough families to fill vacancies for at least three (3) months, based on anticipated turnover at the development.

Every reasonable action will be taken by the PHA to assure that applicants can make informed choices regarding the development(s) in which they wish to reside. The PHA will disclose information to applicants regarding the location of available sites, occupancy number and size of accessible units. The PHA will also include basic information relative to amenities such as day care, security, transportation, training programs, and an estimate of the period of time the applicant will likely have to wait to be admitted to units of different types.

#### MONITORING MUNICIPAL-BASED WAITING LIST

The system of municipal based waiting lists will be carefully monitored to assure that civil rights and fair housing are affirmatively furthered.

The PHA's adoption of municipal-based waiting list is not in violation of any court order or settlement agreement, and is not inconsistent with any pending complaint brought by HUD.

The PHA will monitor its system of municipal-based waiting list at least bi-annually to assure that racial steering does not occur. If the PHA's bi-annual analysis of its municipal-based waiting list indicates that a pattern of racial steering is or may be occurring, the PHA will take corrective action.

The Housing Authority has established municipal-based waiting list for the following communities:

Punxsutawney, PA

Reynoldsville, PA

Sykesville, PA

#### C. FACTORS THAT AFFECT SELECTION OF APPLICANTS

The PHA will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features or income mixing, income targeting, or units in housing designated for the elderly limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application.

Any admission mandated by court order related to desegregation of Fair Housing and Equal Opportunity will take precedence. Other admissions required by court order will also take precedence. If permitted by the court order, the PHA may offer the family a housing voucher.

#### D. INCOME TARGETING

The PHA will monitor its admissions to ensure that at least 40 percent of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of area median income of the PHA's jurisdiction.

Hereafter families whose incomes do not exceed 30% of area median income will be referred to as "extremely low income families."

The PHA shall have the discretion, at least annually, to exercise the "fungibility" provision of the QHWR by admitting less than 40 percent of "extremely low income families" to public housing in a fiscal year, to the extent that the PHA has provided more than 75 percent of newly available vouchers and certificates to "extremely low income families." This fungibility provision discretion by the PHA is also reflected in the PHA's Administrative Plan.

The fungibility credits will be used to drop the annual requirement below 40 percent of admissions to public housing for extremely poor families by the lowest of the following amounts:

The number of units equal to 10 percent of the number of newly available vouchers in the fiscal year; or

The number of public housing units that 1) are in public housing developments located in census tracts having a poverty rate of 30% or more, and 2) are made available for occupancy by and actually occupied in that year by, families other than extremely low income families.

The Fungibility Floor - regardless of the above two amounts, in a fiscal year, at least 30% of the PHA's admissions to public housing will be to extremely low-income families. The fungibility floor is the

number of units that cause the HA's overall requirement for housing extremely low-income families to drop to 30% of its newly available units.

Fungibility shall only be utilized if the PHA is anticipated to fall short of its 40% goal for new admissions to public housing.

#### COMBINING LOW AND VERY LOW-INCOME FAMILY ADMISSIONS

Once the PHA has met the 40% targeted income requirement for new admissions of extremely low-income families, the PHA will fill the remaining 60% of its new admission units with both low and very low-income families.

#### E. UNITS DESIGNATED FOR THE ELDERLY

In accordance with the 1992 Housing Act, elderly families with a head, spouse or sole member at least 62 years of age will receive a priority for admission to such units or buildings covered by a HUD-approved Allocation Plan, except for the units which are accessible, which may be offered to persons with disabilities.

The PHA will take the following action when processing families for developments designated for the elderly.

When there are insufficient elderly families who wish to reside in a development, near-elderly families (head or spouse ages 50-61) receive a preference for this type of unit.

When there are insufficient elderly or near-elderly families who wish to reside in a development, and units are ready for leasing more than 60 days, all other family types are eligible for such units.

Families with members who require a unit with accessible features will receive priority for such units over families who do not require such features.

#### PROCEDURE TO BE USED WHEN THERE ARE INSUFFICIENT APPLICANTS ON THE LIST

Where the PHA anticipates that there are insufficient elderly or near-elderly families on the waiting list for these units the PHA will notify local senior service centers and local media sources aimed at the elderly to recruit elderly families for the waiting list for these developments.

When there are no elderly applicants from other sites interested in the elderly-designated development, after conducting outreach, near-elderly applicants who are 50-62 years of age can be admitted to the elderly-designated development. If there are no near-elderly applicants on the list, the development housing management staff will contact near-elderly applicants on other development lists to determine interest and add to their list, if applicable.

When there are no near-elderly applicants from other sites interested in the elderly-designated development, after conducting outreach, single applicants who are below 50 years of age can be admitted to the elderly-designated development.

## F. UNITS DESIGNATED FOR THE DISABLED

In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member who qualifies as a person with disabilities as defined in 24 CFR 945.105 will receive a priority for admission.

The PHA has units designed for person with mobility, sight and hearing impairments (referred to as accessibility units). These units were designed and constructed specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Priority for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

## G. MIXED POPULATION UNITS

A mixed population project is a public housing development, or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character).

In accordance with the 1992 Housing Act, elderly families whose head spouse or sole member is at least 62 years of age, and disabled families whose head, co-head or spouse or sole member is a person with disabilities, will receive equal preference to such units

No limit will be established on the number of elderly or disabled families that may occupy a mixed population property.

## H. GENERAL OCCUPANCY UNITS

General occupancy units are designed to house all populations of eligible families. In accordance with the HA's occupancy standards, eligible families not needing units designed with special features or units designed for special populations will be admitted to the HA's general occupancy units.

## SINGLES PREFERENCE

Single persons who are not elderly or disabled will not be admitted before elderly, disabled families of up to two persons.

## I. OFFER OF PLACEMENT ON THE SECTION 8 WAITING LIST

The PHA will not merge the waiting lists for public housing and Section 8 program. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the PHA must offer to place the family on both lists. If the public housing waiting list is open at the time an applicant applies for Section 8, the PHA must offer to place the family on the public housing waiting list.

## J. REMOVAL FROM WAITING LIST AND PURGING

The waiting list will be purged at least once a year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest.

If an applicant fails to respond within thirty (30) calendar days she/he will be removed from the waiting list. If a letter is returned by the post office without a forwarding address, the applicant will be removed without further notice, and the envelope and letter will be maintained in the file. If a letter is returned with a forwarding address, it will be re-mailed to the address indicated.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless a person with a disability requests a reasonable accommodation for being unable to reply with the prescribed period. Alternate form of reporting may be requested as a reasonable accommodation.

Notices will be made available in accessible format upon the request of a person with a disability. An extension to reply to the purge notification will be considered as an accommodation if requested by a person with a disability.

The PHA allows a grace period of ten (10) working days after completion of the purge. Applicants who respond during this grace period will be reinstated.

Applicants are required to contact the PHA in writing to confirm their continued interest.

#### K. OFER OF ACCESSIBLE UNITS

The PHA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the PHA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the PHA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible/adaptable unit to a non-disabled applicant, the PHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement. (See Chapter 9 Leasing)

#### L. PLAN FOR UNIT OFFERS

The PHA plan for selection of applicants and assignment of dwelling units to assure equal opportunity and non-discrimination on grounds of race, color, sex, religion, or national origin is:

PLAN "A" – Under this plan the first qualified applicant in sequence on the waiting list will be made one offer of a unit of the appropriate size at a site in which the applicant seeks to reside.

If the unit is not accepted, refused, or no response within five calendar days, on the sixth day the applicant's name is placed at the bottom of the waiting list.

The PHA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

At the end of the Authority's fiscal year the waiting list is purge to determined if applicants are still interested. If no response, names are removed from the waiting list.

#### M. CHANGES PRIOR TO UNIT OFFER

Changes that occur during the period between removal from the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Tenant Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable (see Chapter on Complaints, Grievances, and Appeals).

#### N. TIME-LIMIT FOR ACCEPTANCE OF UNIT

Applicants must accept a unit offer with five (5) working days of the date the offer is made. Offers made over the telephone will be confirmed by letter. If unable to contact an applicant by telephone, the PHA will send a letter.

#### APPLICANTS UNABLE TO TAKE OCCUPANCY

If an applicant is willing to accept the unit offered, but is unable to take occupancy at the time of the offer for "good cause" the applicant will not be placed at the bottom of the waiting list.

Examples of "good cause" reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

An elderly or disabled family makes the decision not to occupancy or accept occupancy in designated housing.

Inaccessibility to source of employment or children's day care such that an adult household member must quit a job, drop out of an educational institution or a job training program.

The family demonstrates to the PHA's satisfaction that accepting the offer will result in a situation where a family member's life, health or safety will be placed in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency. The reason offered must be specific to the family. Refusals due to the location of the unit alone are not considered to be good cause.

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member.

The unit is inappropriate for the applicant's disabilities.

## APPLICANTS WITH A CHANGE IN FAMILY SIZE OR STATUS

Changes in family composition, status, or income between the time of the interview and the offer of a unit will be processed. The PHA shall not lease a unit to a family whose occupancy will overcrowd or underutilize the unit. The PHA shall not lease a unit to a family whose utility allowance exceeds the family's total tenant payment.

### O. REFUSAL OF OFFER

If the unit offered is inappropriate for the applicant's disabilities, the family will retain its position on the waiting list.

If the unit offered is refused for other reasons, the PHA will follow the applicable policy as listed in Sections M Plan for Unit Offers and Section: Applicant Status After Final Offer.

## CHAPTER 5

### OCCUPANCY GUIDELINES

#### INTRODUCTION

The Occupancy Guidelines are established by the PHA to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from excessive wear and tear or underutilization. This Chapter explains the Occupancy Guidelines used to determine minimum and maximum unit sizes for various sized families when they are selected from the waiting list, or when a family's size changes, or when a family requests an exception to the occupancy guidelines.

#### A. DETERMINING UNIT SIZE

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom. The PHA's Occupancy Guidelines standards for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy standards, an adult is a person 18 years or older.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that, generally the PHA will assign one bedroom to two people within the following guidelines:

Adults of different generations, persons of the opposite sex (other than spouses), and unrelated adults will not be required to share a bedroom.

Foster children will be included in determining unit size only if they will be in the unit for more than six (6) months.

Share custody of children will be included in determining unit size.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space will not be provided for a family member who will be absent most of the time, such as a member who is away in the military.

The living room will not be used as a bedroom except at the request of the family.

#### GUIDELINES FOR DETERMINING BEDROOM SIZE

BEDROOM SIZE	PERSON IN HOUSEHOLD (MINIMUM)	PERSON IN HOUSEHOLD (MAXIMUM)
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedroom	2	4
3 Bedroom	3	6

## B. EXCEPTIONS TO OCCUPANCY STANDARDS

The PHA will grant exceptions from the guidelines in cases where it is the family's request or the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply:

Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until their family composition changes.

For a three-person family that includes two adults and an infant, the PHA may allow the family to lease a one-bedroom unit in a desired general occupancy development.

However, the PHA will not lease a one-bedroom unit to a three-person family that includes two adults and an adolescent or teenager.

In cases such as those above, a family that voluntarily accepts a unit that is smaller than what the family is eligible for will be required to sign a statement stating that unless there is an increase in family size the family agrees that they are not eligible for transfer to a larger unit.

The PHA may offer a family a unit that is larger than required by the PHA's occupancy standards, if the waiting list is short of families large enough to fill the vacancy.

In all cases, where the family requests an exception to the general occupancy standards, the PHA will evaluate the relationship and ages of all family members and the overall size of the unit.

The family may request to be placed on a larger bedroom size waiting list than indicated by the PHA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size, and must be verified by the PHA before the family is placed on the larger bedroom size list. The HA will consider these requests.

### PERSON WITH DISABILITY

The HA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified and meets requirements in Chapter I, E. Service and Accommodations Policy.

### OTHER CIRCUMSTANCES

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Requests for a larger bedroom due to medical equipment must be verified by a knowledgeable professional.

Other reasonable accommodation requests must be verified by a knowledgeable professional.

The PHA will not assign a larger bedroom size due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

All members of the family residing in the unit must be approved by the PHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the PHA within ten (10) days.

To avoid vacancies, the PHA may provide a family with a larger unit than the occupancy standards permit. The family must agree to move to a suitable, smaller unit when another family qualifies for the larger unit and there is a suitable smaller unit available. This requirement is a provision of the lease.

### C. ACCESSIBLE UNITS

The PHA has units designed for person with mobility, sight and hearing impairments. These units were designed and constructed specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Preference for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

Accessible units will be offered and accepted by non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if a person with a mobility impairment requiring the unit applies for housing and is determined eligible.

### D. FAMILY MOVES

When a change in the circumstances of a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when bedroom size should be changed. If an unusual situation occurs, which is not currently covered in this policy, the case should be taken to the Executive Director who will make determination after review of the situation, the individual circumstances, and the verification provided. (See Chapter on Recertifications for changes in unit size for tenants)

## CHAPTER 6

### DETERMINATION OF TOTAL TENANT PAYMENT

#### INTRODUCTION

The accurate calculation of Annual Income and Adjusted Income will ensure that families are not paying more or less money for rent than their obligation under the regulations.

This chapter defines the allowable deductions from Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP).

Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. The formula for the calculation of TTP is specific and not subject to interpretation. The PHA's policies in the chapter address those areas which allow the PHA discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

#### A. MINIMUM RENT

The minimum rent for this PHA is Twenty-Five Dollars (\$25.00)

The Total Tenant Payment is the greater of:

- 30% of the adjusted monthly income

- 10% of the monthly income

- The Minimum rent as established by the PHA (\$25.00)

The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The Total Tenant Payment does not include charges for excess utility consumption or other charges.

The HA recognizes that in some instances even the minimum rent may create a financial hardship for families. The HA will review all relevant circumstances brought to the HA's attention regarding financial hardship as it applies to minimum rent. The following section states the HA's procedures and policies in regard to minimum rent financial hardship as set forth by the QHWRA.

#### HA PROCEDURES FOR NOTIFICATION TO FAMILIES OF HARDSHIP EXCEPTIONS

The HA will notify all families at time of lease up and annual recertification of their right to request a minimum rent hardship exception under the law.

The HA notification will advise the family that hardship exception determinations are subject to HA grievance procedures.

The HA will review all tenant requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent exception are required to be in writing.

Requests for minimum rent exception must state the family circumstances that qualify the family for an exception.

#### EXCEPTIONS TO MINIMUM RENT

The HA will immediately grant the minimum rent exception to all families who request it.

The minimum rent will be suspended until the HA determines whether the hardship is:

Covered by Statute, or

Temporary or long term

If the HA determines that the minimum rent is not covered by statute, the HA will impose a minimum rent including payment for minimum rent from the time of suspension.

The HA will use its standard verification procedures to verify circumstances which have resulted in financial hardship, such as loss of employment, death in the family, etc.

#### HUD CRITERIA FOR HARDSHIP EXCEPTION

In order for a family to qualify for a hardship exception the family's circumstances must fall into one of the following criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance.

The family would be evicted as a result of the imposition of the minimum rent requirement.

The income of the family has decreased because of changed circumstances, including:

Loss of employment

Death in the family

Other circumstances as determined by the HA or HUD

#### TEMPORARY HARDSHIP

If the HA determines that the hardship temporary, a minimum rent will be imposed, including back payment from time of suspension, but the family will not be evicted for nonpayment of rent during the 90 days period commencing on the date of the family's request for exemption.

The PHA defines temporary as less than 90 days.

#### REPAYMENT AGREEMENTS FOR TEMPORARY HARDSHIP

The HA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period.

If the family owes the HA money for rent arrears incurred during the minimum rent period, the HA will calculate the total amount owed and divide it by three (3) to arrive at a reasonable payment increment that will be added to the family's regular monthly rent payment. The family will be required to pay the increased amount until the arrears are paid in full.

Minimum rent arrears that are less than Twenty-Five Dollars (\$25.00) will be required to be paid in full the first month following the end of the minimum rent period.

The minimum monthly amount for a repayment agreement incurred for minimum rent arrears is Twenty-Five Dollars (\$25.00).

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the HA will reevaluate the family's ability to pay the increased rent amount and:

Determine whether the family has the means to meet the obligation and, if so determined, initiate eviction proceedings for nonpayment of rent; or

Determine that the repayment agreement is a financial hardship to the family and if so restructure the existing repayment agreement.

#### RETROACTIVE DETERMINATION

The HA will reimburse the family for minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.

If the family is owed a retroactive payment, the HA will offset the family's future rent payments by the amount in which the HA owes the family.

#### B. INCOME AND ALLOWANCES

**INCOME:** The types of money which are to be used as income for purposes of calculating TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income Exclusions in the Glossary of Terms of this policy).

**ANNUAL INCOME:** Is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income which has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.

#### PERMISSIVE DEDUCTIONS

The PHA offers the following permissive deductions to annual income in order to promote economic self-sufficiency, to the extent these amounts have not already been deducted from annual income or reimbursed to the family from other sources:

Twenty percent (20%) earned income exclusion for all adult wage earners when 100% of earned income of each adult wage earner is included in the rent calculations.

## ALLOWABLE DEDUCTIONS

HUD has five allowable deductions from Annual Income:

1. Dependent allowance: \$480 for each family member (other than head or spouse), who are minors, and for family members who are 18 and older who are full time-time students or who are disabled.
2. “Elderly” allowance: \$400 per household for families whose head or spouse is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families.
4. Childcare expenses for children under 13 are deducted when child care is necessary to allow an adult member to work, attend school, or actively seek employment.
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.

## C. DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS

The rent for eligible families may not be increased as a result of the increased income due to such employment during the 12-month period beginning on the date on which the employment begins.

A family eligible for the earned income exclusion is a family that occupies a dwelling in public housing development; and

Whose income increases as a result of employment of a member of the family who was previously unemployed for one or more years;

Whose earned income increases during the participation of a family member in any family self-sufficiency or other job training program; or

Who is or was, within six months, assisted under any State program for TANF and whose earned income increases.

Upon the expiration of the 12-month period referred to above, the rent payable by a family may be increased due to the continued employment of the family member above, except that during the 12-month period beginning upon such expiration the amount of the increase may not be greater than 50 percent of the amount of the total rent increase that would be applicable except for this exclusion.

The HA requires public housing residents to report all changes in income. The HA will conduct an interim reexamination to institute the earned income exclusion. Date of exclusion will be the first of the month following the date employment begins.

#### D. INDIVIDUAL SAVINGS ACCOUNTS

The HA chooses not to establish a system of individual savings account for families who qualify for the disallowance of earned income.

#### E. TRAINING PROGRAMS FUNDED BY HUD

All training income from HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

Upon employment, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

#### F. AVERAGING INCOME

When Annual Income cannot be anticipated for a full twelve months, the HA will:

Annualize current income and conduct an interim reexamination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next twelve (12) months, bonuses and overtime received the previous year will be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

#### G. MINIMUM INCOME

There is no minimum income requirement. Families who report zero income are required to complete a written certification every month.

Families that report zero income will be required to provide information regarding their means of basic subsistence, such as food, utilities, transportation, etc

#### H. INTEREST BEARING ASSET ACCOUNTS

The Housing Authority will exclude interest earned on interest bearing asset accounts with an average monthly balance of \$1,000 or less.

#### I. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the HA will calculate the Total Tenant Payment by:

Calculating the income by using the following methodology and using the income figure which would result in a lower payment by the family.

Excluding the income of the person permanently confined to the nursing home and not giving the family deductions for medical expenses of the confined family member: or

Including the income of the person permanently confined to the nursing home and giving the family the medical deductions allowable on behalf of the person in the nursing home.

#### J. REGULAR CONTRIBUTIONS AND GIFTS

Regular contributions and gifts received from person outside the household are counted as income for calculation of the Total Tenant Payment.

Any contribution or gift received every three (3) months or more frequently will be considered a “regular” contribution or gift, unless the amount is less than six hundred dollars (\$600) per year. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts. (See chapter on “Verification Procedures” for further definition).

If the family’s expenses exceed its known income, the HA will make inquiry of the family about contributions and gifts.

#### K. ALIMONY AND CHILD SUPPORT

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the HA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

The HA will accept as verification that the family is receiving an amount less than the award if:

The HA receives verification from the agency responsible for enforcement or collection.

It is the family’s responsible to supply a copy of the divorce decree.

#### L. LUMP-SUM RECEIPTS

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump-sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered as asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

In order to determine amount of retroactive tenant rent that the family owes as a result of the lump sum receipt:

The HA will calculate prospectively if the family reported the payment within ten (10) working days and retroactively to date of receipt if the receipt was not reported within the time frame.

#### PROSPECTIVE CALCULATION METHODOLOGY

If the payment is reported on a timely basis, the calculation will be done prospectively and will, result in an interim adjustment calculated as follows:

The lump-sum will be added in the same way for any interims which occur prior to the next annual recertification.

#### RETROACTIVE CALCULATION METHODOLOGY

The HA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The HA will determine the amount of income for each certification period, including the lump sum, and recalculate the tenant rent for each certification period to determine the amount due the HA,

At the HA's option, the HA may enter into a repayment agreement with the family.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

#### ATTORNEY FEES

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

#### M. CONTRIBUTIONS TO RETIREMENT FUNDS – ASSETS

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

#### N. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The HA must count assets disposed of for less than fair market value during the two years preceding certification or reexamination. The HA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure of bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

The HA's minimum threshold for counting assets disposed of for less than Fair Market value is Five Thousand Dollars (\$5,000). If the total value of assets disposed of within the two-year period is less than Five Thousand Dollars (\$5,000), they will not be considered an asset.

#### O. CHILD CARE EXPENSES

Unreimbursable child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or actively seek employment.

In the case of a child attending private school, only before or after-hours care can be counted as childcare expenses.

Childcare expenses cannot be allowed as a deduction if there is an adult household member capable of caring for the child who can provide the childcare. Examples of those adult members who would be considered unable to care for the child include:

The abuser in a documented child abuse situation, or

A person with disabilities or older person unable to take care of a small child, as verified by a reliable knowledgeable source.

Childcare expenses must be reasonable. Reasonable is determined by what the average childcare rates are in the HA's jurisdiction.

Allowability of deductions for childcare expenses is based on the following guidelines:

Child Care to Work - The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working

Child Care for School - The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense - The HA will survey the local care providers in the community to determine what is reasonable. The HA will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, the HA may calculate the allowance using the guideline.

#### P. MEDICAL EXPENSES

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Nonprescription medicines must be doctor-recommended in order to be considered a medical expense.

Acupressure, acupuncture and related herbal medicines will be considered allowable medical expenses with doctor-recommended verification.

Chiropractic services will be considered allowable medical expenses.

#### Q. PRORATION OF ASSISTANCE FOR “MIXED” FAMILIES

##### APPLICABILITY

Proration of assistance must be offered to any “mixed” applicant or participant family. A “mixed” family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

“Mixed” families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance, (see chapter titled “Recertifications”). Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

##### PRORATED ASSISTANCE CALCULATION

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family’s TTP will be calculated by:

Dividing the Family Maximum Subsidy by the number of person in the family to determine Member Maximum Subsidy.

Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligible Subsidy.

Subtracting the amount of Eligible Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family’s Revised Total Tenant Payment.

#### R. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The HA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

Fraud, or

Failure to participate in an economic self-sufficiency program, or

Noncompliance with a work activities requirement.

However, the HA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits, or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, or

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

#### VERIFICATION BEFORE DENYING A REQUEST TO REDUCE RENT

The HA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance before denying the family's request for rent reduction.

#### COOPERATION AGREEMENTS

The HA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

#### S. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Tenant Rent, a utility allowance will be deducted from the Total Tenant Payment. The utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption utilities in an energy conservative household, not on a family's actual consumption.

As a reasonable accommodation, the Housing Authority can approve higher utility allowances when necessary.

When the utility allowance exceeds the family's Total Tenant Payment, the HA will provide a utility reimbursement payment for the family each month. The check will be made out directly to the tenant.

#### RESIDENT-PAID UTILITIES

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such development.

If a resident or applicant is unable to get utilities connected because of a previous balance owed to the utility company, the resident/applicant will not be permitted to move into a unit with resident paid utilities. This may mean that a current resident cannot transfer to a scattered development or that an applicant cannot be admitted to a unit with resident-paid utilities.

The PHA shall not lease a unit to a family who's utility allowance exceeds the family's total tenant payment.

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for termination.

The Housing Authority must absorb excess charges as a reasonable accommodation if excess consumption is related to the person's disability when requested.

## T. EXCESS UTILITY PAYMENTS

Residents in units where the HA pays the utilities may be charged for excess utilities if additional appliances or equipment are used in the unit. This charge shall be applied as specified in the Schedule of charges attached to the lease.

## U. FAMILY CHOICE OF RENTS

### AUTHORITY FOR FAMILY TO SELECT

The HA shall provide for each family residing in public housing to elect annually whether the rent paid by such family shall be 1) determined based on family income or 2) the flat rent. The HA may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by the HA.

Annual choice - The HA shall provide for families residing in public housing units to elect annually whether to pay income-based or flat rent. The rent payment choice becomes effective with new leases and all re-certification.

If a resident has a change in income causing a decrease in income during the year, they have the option of going from flat rent to income-based rent. However, they can only change from income-based to flat rent at re-certification time.

### ALLOWABLE RENT STRUCTURES

#### FLAT RENTS

The HA has established, for each dwelling unit in public housing, a flat amount for the dwelling unit which is equal to the standard payment for the Section 8 Program according to the bedroom size and in effect at the beginning of the Housing Authority's fiscal year.

Is designed so that the rent structures do not create disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The HA shall review the income of families paying flat rent once each year during the recertification process.

#### INCOME-BASED RENTS

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by the HA that does not exceed the greatest of the following amounts:

30 percent (30%) of the family's monthly adjusted income;  
10 percent (10%) of the family's monthly income; or  
The HA's minimum TTP or Twenty-Five Dollars (\$25.00)

The HA will provide the additional subsidy to cover all reduced income resulting from this policy.

## SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES

In the case of a family that has elected to pay the HA's flat rent, the HA shall immediately provide for the family to pay rent in the amount determined under income-based rent, during the period for which such choice was made, upon a determination that the family is unable to pay rent because of financial hardship, including;

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment, death in the family, and reduction in or loss of income or other assistance.

An increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

Such other situations as may be determined by the HA.

All hardship situations will be verified.

The rental policy developed by the HA encourages and rewards employment and self-sufficiency.

## V. RENT COLLECTION

- A. Monthly rent shall be paid by the Tenant without demand by Management and shall be due and payable in advance on the first day of each month as stated in the Dwelling Lease Agreement. Payment of rent shall be made at the Authority's Office located at 201 North Jefferson Street, Punxsutawney, PA 15767, or the Reynoldsville Office, 1039 Grant Street, Reynoldsville, Pa.
- B. If Tenant fails to make payment of rent by the second (2<sup>nd</sup>) day of the month the Authority will take the following action:
  - 1. The Housing Authority will serve Tenant with a Delinquent Rent Notice.
  - 2. Should a Tenant have a balance of charges two months old, the Housing Authority shall serve the tenant with a "Notice of Termination of Lease" stating all reason(s) for termination. "Notice to Quit" and informing Tenant of his/her rights in accordance with the Authority's Grievance Procedure.
  - 3. If the rent is still unpaid at the end of the time period, the Authority will file a Landlord Tenant Complaint with the District Magistrate.
- C. Should the Authority receive a judgment at the hearing, the following action may be taken:
  - 1. All filing charges will be charged to the tenant.

2. At the expiration of ten (10) days, the Authority may file an Execution For Possession.
  3. At the expiration of ten (10) days, the Authority may file a Monetary Execution.
- D. If the Authority files an Execution for Possession, the proper legal authority will service notice to Tenant giving them ten (10) days to remove themselves from the premises. At the expiration of the time period and Tenant is still occupying the unit, the proper legal authority will then remove Tenant from the premises, and the unit will be secured.
- E. Should the Authority file a Monetary Execution, the proper legal Authority will levy all personal property of Tenant permitted by law. The proper legal authority will then schedule a sale at which time all of the Tenant's levied belongings liable to such a sale will be sold. The proceeds from the sale will be used to satisfy, in part or in whole, the amount of money due the Housing Authority.

## CHAPTER 7

### VERIFICATION PROCEDURES

#### INTRODUCTION

The Jefferson County Housing Authority Income and Rent Determination Policy outlines the procedures followed for verification of applicant/participant income, the value of assets, expenses related to deductions from income, and other factors affecting adjusted income.

#### A. FILE DOCUMENTATION

Paper files are maintained for each Applicant/Participant and include (but is not limited to):

- Housing Application & supporting documents
- Unit inspection Reports
- Verifications
- Leases & Supplements to lease
- Notices & Letters
- Income & Rent Determination
- Summary of interactions with tenant/ Contact sheets
- Photo ID

#### B. REQUIRED CONSENTS BY APPLICANTS & PARTICIPANTS

Each member of the family of an assistance applicant or participant, who is at least 18 years of age, and each family head and spouse, regardless of age, shall sign the HUD form 9886 and may be required to sign additional consent forms for items not covered under the HUD 9886.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of tenancy because it is a family obligation under tenancy to supply any information requested by the Housing Authority or HUD.

#### C. VERIFICATION OF SOCIAL SECURITY NUMBERS

Applicants and participants are required to disclose social security number (SSN) of each member of the household who is at least six years of age and to provide documentation to verify each SSN.

The following documents will be accepted to verify SSN

- Social Security Card issued by the Social Security Administration
- Benefit award letters from government agencies
- Retirement Benefit Letter
- Life Insurance Policies
- Current 1099 or W2

In the event an applicant, participant, or household member has not been assigned a SSN, the household member (or guardian if member is under the age of 18) must execute a certification that states the household member was not issued a Social Security number.

#### D. VERIFICATION OF INCOME - METHOD

The Housing Authority will obtain and document verification of income using the methods outlined below. The Housing Authority will attempt to obtain verification at the highest level of verification. Justification of the use of lower level verification will be documented in applicant/participant file.

1. Level 5 – Upfront Income Verification – Highest level of verification obtained through the following methods:
  - a. Computer matching agreements with a federal, state, or local government agency or a private agency.
  - b. Use of HUD’s Tenant Assessment Subsystem (TASS)
  - c. Submit direct requests for income verifications to federal, state or local government agencies or a private agency.
2. Level 4 – Written Third Party Verification – Independent verification of income by contacting the individual income source supplied by the family. The verification documents are supplied directly to the independent source by the Housing Authority and returned directly to the Housing Authority by the independent source.
3. Level 3 – Oral Third Party Verification – Independent verification of Income by contacting the individual source supplied by the family via telephone or in-person visit.  
Staff will record in the tenant file:
  - a. Date and time of the telephone call
  - b. Name of the person contacted and the telephone number
  - c. The verified information
4. Level 2 – Document Review – Used only when third party verification cannot be obtained – The Housing Authority reviews documents provided by the tenant in support of their declaration of income. All documents must be dated within the last 60 days of the interview.
5. Level 1 – Tenant Certification – This verification method will be used as a last resort when all other verification methods are not possible – The tenant submits an affidavit or notarized statement of reported income.

All efforts will be made to acquire third party verification. The following situations will justify verifications below Level 3:

1. It is not cost effective or reasonable to obtain third party verification. The asset is not a significant amount and would have minimum impact on the total tenant payment and the HA is able to verify the asset through review of original documents provided by the tenant.
2. The Housing Authority has made at least 2 documented attempts to obtain and the independent source fails to respond to requests. Tenant file will document dates, times,

company name, person the request was sent to, how the request was sent, & non-receipt of response.

3. An independent source does not have the capability of providing written Third party verification directly to the Housing Authority or does not facilitate oral third party verification.

The Housing Authority will not delay the processing of an application beyond two weeks because a third party information provider does not return the verification in a timely manner.

For applicants, verifications may not be more than 120 days old at the time of a unit offer.  
For tenants, they are valid up to 120 days from date of receipt.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will complete a Certification of Document Viewed or Person Contacted form.

The PHA will accept the following document from the family provided that the document is such that tampering would be easily noted:

Printed wage stubs

Computer printouts from the employer

Signed letters (provided that the information is notarized or confirmed by phone)

#### E. COMPUTER MATCHING

Where allowed by HUD and/or other State or local agencies and when the HA has computer capability, computer matching will be done.

#### F. ITEMS TO BE VERIFIED

All income not specifically excluded by the regulations.

Zero-income status of household

Zero income applicants and residents will be required to complete a family expense form and submit monthly,

Full-time student status including high school students who are 18 or over.

Current assets including assets disposed of for less than fair market value in preceding two years.

Legal identity

U.S. citizenship/eligible immigrant status.

Social Security Numbers for all family members.

Familial/Marital status when needed for head or spouse definition

Disability for determination of allowances or deductions.

#### G. VERIFICATION OF INCOME - TYPE

This section defines the methods the PHA will use to verify various types of income. Whenever “in this order” is used in this chapter, the HA will request and utilize verifications, if available, in the order specified.

#### EMPLOYMENT INCOME

Verification forms request the employer to specify the:

Dates of employment

Amount and frequency of pay

Date of the last pay increase

Likelihood of change of employment status and effective date of any known salary increase during the next twelve (12) months.

Year to date earnings

Estimated income from overtime, tips, bonus pay expected during next 12 months

Acceptable methods of verification include, in this order:

1. Employment verification form completed by the employer.
2. Check stubs or earning statements which indicate the employer’s gross pay, frequency of pay or year to date earnings.
3. W-2 forms plus income tax return forms.
4. Self-certification or income tax returns signed by the family may be used for verifying self-employment income or income from tips and other gratuities.

Applicants and program tenants may be requested to sign an authorization for release of information from the Internal Revenue Service for further verification of income.

In cases where there are questions about the validity of information provided by the family, the PHA will require the most recent federal income tax statements.

Where doubt regarding income exists, a referral to IRS for confirmation will be made on a case-by-case basis.

#### SOCIAL SECURITY, PENSIONS, SUPPLEMENTARY SECURITY INCOME (SSI), DISABILITY INCOME

Acceptable methods of verification include, in this order:

1. Benefit verification form completed by agency providing the benefits.
2. Computer report electronically obtained or in hard copy.
3. Award or benefit notification letters prepared and signed by the providing agency.

#### UNEMPLOYMENT COMPENSATION

Acceptable methods of verification include, in this order:

1. Computer report electronically obtained or in hard copy, stating payment dates and amounts.
2. Verification form completed by the unemployment compensation agency.
3. Payment Stubs.

#### WELFARE PAYMENTS OR GENERAL ASSISTANCE

2. A notarized letter from the person paying the support.
3. Copy of latest check and/or payment stubs from Court Trustee. PHA Must record the date, amount, and number of the check.

4. If payments are irregular, the family must provide:

A statement from the agency responsible for enforcing payments to show what the family has received during the last 12 months.

#### NET INCOME FROM A BUSINESS

In order to verify the net income from a business, the PHA will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification, in this order, include:

1. IRS form 1040, including:

Schedule C (Small Business)

Schedule E (Rental Property Income)

Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

2. Audited or unaudited financial statement(s) of the business

Credit report or loan application.

3. Documents such as manifests, appointment books, cash books, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
4. Family's notarized statement as to net income realized from the business during previous years.

The HA may request the documentation identified # 4 above, regardless of the verification used.

#### CHILD CARE BUSINESS

If an applicant/tenant is operating a licensed day care business, income will be verified as with any other business.

If the applicant/tenant is operating a "cash and carry" operation (licensed or not), the PHA will require the applicant/tenant to complete a form for each customer giving; name of person(s) whose child(ren) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid and signature of person.

If the family has filed a tax return, the family will be required to provide it.

If childcare services were terminated, a third-party verification will be sent to the parent whose child was cared for.

The PHA will conduct interim reevaluations every 120 days and require the tenant to provide a log with the information about customers and income.

#### RECURRING GIFTS

The family must furnish a Notarized Statement which contains the following information:

- The person who provides the gifts
- The value of the gifts
- The regularity (dates) of the gifts
- The purpose of the gifts

#### ZERO INCOME STATUS

Families claiming to have no income will be required to execute verification forms to determine that forms of income such as unemployment benefits, AFDC, SSI, etc., are not being received by the household.

The PHA may check records of other departments in the jurisdiction (such as government utilities) that have information about income sources of customers.

#### FULL-TIME STUDENT STATUS

Only the first \$480 of the earned income of full time students 18 years of age or older, other than head or spouse, will be counted towards family income.

Financial aid, scholarships and grants received by full time students are not counted towards family income.

Verification of full time student status includes:

- Written verification from the registrar's office or other school official.

- School records indicating enrollment for sufficient number of credits to be considered a full time student by the educational institution.

#### H. INCOME FROM ASSETS

Acceptable methods of verification include, in this order:

## SAVINGS ACCOUNT INTEREST INCOME AND DIVIDENDS

Will be verified by:

1. Account statements, passbooks, certificates of deposit, or PHA verification forms completed by the financial institution.
2. Broker's statements showing value of stocks or bonds and the earnings credited the family. Earnings can be obtained from current newspaper quotations or oral broker's verification.
3. IRS Form 1099 from the financial institution, provided that the PHA must adjust the information to project earnings expected for the next 12 months.

## INTEREST INCOME FROM MORTGAGES OR SIMILAR ARRANGEMENTS

1. A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown)
2. Amortization schedule showing interest for the 12 months following the effective date of the certification or recertification.

## NET RENTAL INCOME FROM PROPERTY OWNED BY FAMILY

1. IRS Form 1040 with Schedule E (Rental Income)
2. Copies of latest rent receipts, lease, or other documentation of rent amounts
3. Documentation of allowable operating expenses of the property; tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.
4. Lessee's written statement verifying rent payments to the family and family's notarized statement as to net income realized.

## I. VERIFICATION OF ASSETS

### FAMILY ASSETS

The PHA will require the necessary information to determine the current cash value, (the net amount the family would receive if the asset were converted to cash).

Verification forms, letters, or documents from a financial institution or broker.

Passbooks, checking account statements, certificates if deposit bonds, or financial statements completed by a financial institution or broker.

Quotes from a stock broker or realty agent as to net amount family would receive if they liquidated securities or real estate.

Real estate tax statements if the approximate current market value can be deduced from assessment.

Financial statements for business assets.

Copies of closing documents showing the selling price and the distribution of the sales proceeds.

Appraisals of personal property held as an investment.

Family's Notarized Statement describing assets or cash held at the family's home or in safe deposit boxes.

#### ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE (FMV)

During two years preceding effective date of certification or recertification.

For all Certifications and Recertifications, the PHA will obtain the Family's certifications as to whether any member has disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that they have disposed of assets for less than fair market value, Verification (or certification) is required that show: 1) all assets disposed of for less than FMV, 2) the date they were disposed of, 3) the amount the family received, and 4) the market value of the assets at the time of disposition. Third party verification will be obtained wherever possible.

#### J. VERIFICATION OF ALLOWABLE DEDUCTION FROM INCOME

##### DEPENDENT DEDUCTION - \$480 FOR EACH DEPENDENT

Initially the Housing Authority obtains a copy of each family member's birth certificate, social security card, and/or other appropriate documentation to verify the name, gender, SSN, date of birth, disability and relationship to the head. If the family member is under 18, or has a disability, or is over the age of 18 and a full-time student, each family member meeting these requirements is entitled to the \$480 dependent deduction. To verify full-time student status verification requests will be mailed directly to the school and received directly from the school.

##### DISABLED FAMILY DEDUCTION - \$400 FOR A DISABLED FAMILY

If the head, spouse or sole member is receiving disability benefits from Social Security Administration (SSA), the family member is disabled. Verification of Social Security benefits may be verified by: (in the following order)

TASS

Contacting SSA by phone with the family member on the line, or

Viewing an original SSA notice provided by the tenant

For those individuals with disabilities that do not receive disability payments from SSA, a Disability Verification Form will be sent directly to a qualified professional having knowledge of the person's disability.

## CHILD CARE EXPENSES

Written verification from the person who receives the payments is required. If the childcare provider is an individual, she/he must provide a statement of the amount they are charging the family for their services.

Verifications must specify the child care provider's name, address, telephone number, social security number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

## MEDICAL AND HANDICAPPED ASSISTANCE EXPENSES

Families who claim medical expenses or expenses to assist a person(s) with disability will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of 1) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and 2) extent to which those expenses will be reimbursed by insurance or a government agency.

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

For attendant care:

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses, PHA may use this approach for “general medical expenses” such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.

The PHA will use mileage at the IRS’s rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

#### Assistance to Persons with Disabilities

##### In all Cases:

Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family’s certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

##### Attendant Care:

Attendant’s written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payment.

##### Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

## K. VERIFYING NON-FINANCIAL FACTORS

### VERIFICATION OF LEGAL IDENTITY

In order to prevent program abuse, the PHA will require applicants to furnish verification of legal identity for all family members.

The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

Certificate of birth, naturalization papers

Verification of marriage status is a marriage certificate.

#### FAMILIAL RELATIONSHIPS

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if certification is insufficient:

Verification of relationship

Official identification showing name

Birth Certificates

Baptismal Certificates

Verification of guardianship is:

Court ordered assignment

Affidavit of parent

Verification from social services agency

School records

Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions

Leases or other evidence of prior cohabitation

#### SPLIT HOUSEHOLDS: DOMESTIC VIOLENCE

Verification of domestic violence when assessing applicant split households includes:

Shelter for battered persons

Police reports

District Attorney's Office

#### VERIFICATION OF PERMANENT ABSENCE OF ADULT MEMBER

If an adult member who was formerly a member of the household is reported permanently absent by the family, the PHA will consider any of the following as verification.

Husband or wife institutes divorce action.

Husband or wife institutes legal separation

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.

Statements from other agencies such as social services that the adult family member is no longer living at that location,

If no other proof can be provided, the PHA will accept a Notarized Statement from the family.

If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.

## VERIFICATION OF CHANGE IN FAMILY COMPOSITION

The PHA may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources.

## VERIFICATION OF DISABILITY

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42U.S.C. 6001(7) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD language as the verification format.

## VERIFICATION OF CITIZENSHIP – ELIGIBLE IMMIGRANT STATUS

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare his or her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the PHA hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

Eligible Immigrants who were tenants and 62 or over on June 19, 1995 are required to sign a declaration of eligible immigration status and provide proof of age.

Noncitizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The PHA verifies the status through the INS SAVE system. If this primary verification fails to verify status, the PHA must request within ten days that the INS conduct a manual search.

Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household or spouse.

Noncitizen students on student visas are ineligible members even though they are in the county lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

**Failure to Provide:** If an applicant or tenant family member fails to sign required declarations consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

**Time of Verifications:** For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination,. For tenant

families, it is done at the first regular recertification after June 19, 1995. For family members added after other members have been verified, the verification occurs at the first recertification after the new member moves in. Once verification has been completed for any covered program it need not be repeated except that, in the case of port-in families, if the initial PHA does not supply the documents, the PHA must conduct the determination.

**Extensions of Time to Provide Documents:** The HA will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

**Acceptable Documents of Eligible Immigration:** The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

- Resident Alien Card (I-5510)

- Alien Registration Receipt Card (I-151)

- Arrival-Departure Record (I-94)

- Temporary Resident Card (I-688)

- Employment Authorization Card (I-688B)

- Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified.

A birth certificate is not acceptable verification of status. All documents in connection with U.S. Citizenship/eligible immigrant status must be kept for five years.

The HA will verify the eligibility of a family member at any time such eligibility is in questions, without regard to the position of the family on the waiting list.

#### MEDICAL NEED FOR LARGER UNIT

A written certification that a larger unit is necessary must be obtained from a reliable, knowledgeable professional.

#### L. VERIFICATION OF SUITABILITY (MITIGATION CIRCUMSTANCES) FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

- Criminal History Reports

- Prior Landlord References

- Physicians, social workers, and other health professionals

- Jefferson County Housing Authority

And other PHAs (to whom the family may owe debt)  
(See chapter 2, Eligibility)

#### ABILITY TO MEET FINANCIAL OBLIGATIONS UNDER THE LEASE

All applicants will be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants will be interviewed and asked questions about the basic elements of tenancy.

The PHA will determine if applicants owe any monies from previous tenancy or participation in any HUD housing programs.

The PHA will independently verify the rent paying history of all applicants for the previous three (3) years directly with the landlord(s).

#### DRUG-RELATED OR VIOLENT CRIMINAL ACTIVITY

The PHA will complete a criminal background check of all applicants including other adult members in the household, for which criminal records are available.

#### HOUSEKEEPING

The PHA will obtain references from prior landlords for the previous three (3) years to determine acceptable housekeeping standards.

## CHAPTER 8

### TRANSFER POLICY

The transferring of families is a very costly procedure, both to the PHA and to the families. However, it is the policy of the PHA to permit a resident to transfer within or between housing developments when it is necessary to comply with occupancy standards, or when it will help accomplish the Affirmative Housing goals of the PHA.

#### A. GENERAL STATEMENT

It is the Jefferson County Housing Authority's Policy that transfers will be made without regard to race, color, national origin, sex, religion, or familial status.

When a change in the circumstances in a tenant family requires another unit size, the family's move will depend upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the transfer list by date of occupancy.

Residents will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers. The good cause standard applicable to new admissions shall apply to transfers.

All transfers will be made from the transfer list based on date of initial occupancy (earliest date first for unit size).

#### B. TYPES OF TRANSFERS

##### MANDATORY:

Correct Occupancy Standards - determination will be made at re-certification time. Tenant will be notified of over or under housing and placed on the transfer list.

Permit repairs of unit defects hazardous to life, health or safety.

Permit a family that requires a unit with accessible features to occupy such a unit. (Requests for medical transfers will be made to the manager. The resident shall provide the manager with the necessary documentation to substantiate the need for a medical transfer).

Mandatory transfers may take priority over new admissions based on the review of the Housing Authority's waiting list.

##### RESIDENT REQUESTED:

A resident may submit a written request to transfer for good cause such as:

- Medical
- Job area change
- Loss of transportation for job
- Children age difference of more than 4 years

Once good cause is determined and verified by the Housing Authority, the tenant will be placed on the transfer list.

An applicant/tenant can request a transfer because of a live-in aide and/or excess equipment.

Resident requested transfers will take priority over new admissions.

#### C. PROCESSING TRANSFERS

Mandatory transfers waiting list will be administered by the Occupancy Manager based on unit size and date of original occupancy.

Resident requested transfers will be based on request approval date and administered by the Occupancy Manager.

#### D. GOOD RECORD REQUIREMENT FOR TRANSFERS

In general, and in all cases of resident-requested transfers, residents will be considered for transfers only if they:

- Have not engaged in criminal activity that threatens the health and safety of residents and staff.

- Do not owe back rent or other charges, or evidence a pattern of late payments.

- Meet reasonable housekeeping standards and have no housekeeping lease violations.

#### E. COST OF TRANSFERS

Residents shall bear the cost of transfers to correct standards, however, where there is a hardship due to health, disability or other factors, the manager may recommend that families be reimbursed their out of pocket expense for an occupancy standard transfer. (The hardship must be documented). Transfers required by the Housing Authority will be paid for or made by the Housing Authority. The Housing Authority bears the costs of transfers needed to provide reasonable accommodations and units with accessible features.

## CHAPTER 9

### LEASING

#### INTRODUCTION

It is the PHA's policy that all units must be occupied pursuant to a dwelling lease agreement that complies with HUD's regulations. This chapter describes pre-leasing activities and the PHA's Policies pertaining to lease execution, security deposits, other charges, and additions to the lease.

#### A. LEASE ORIENTATION

Upon execution of the lease the PHA representative will provide a lease orientation to the family head and spouse. The orientation may be conducted with more than one family.

The family must attend an orientation before taking occupancy of the unit. Alternate arrangements will be offered as a reasonable accommodation, when needed.

#### ORIENTATION AGENDA

When families attend the lease orientation, they will be provided with:

- A copy of the Lease
- A copy of the Rules & Regulations
- A copy of all policies referred to in the lease

Topics to be discussed will include, but are not limited to:

- Applicable deposits and other charges
- Provisions of the Lease
- Orientation to the community
- Unit maintenance and work orders
- Explanation of occupancy forms
- Terms of occupancy
- Pet Policy
- Community Service Requirements

#### B. EXECUTION OF LEASE

The lease shall be executed by the head of household, spouse, and by an authorized representative of the PHA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the tenant, and the PHA will retain one in the tenant's file. The lease is incorporated into this policy by reference. The lease document will reflect current PHA policies as well as applicable Federal, State and Local Law.

The following provisions govern lease execution and amendments:

A lease is executed at the time of admission for all new tenants and also at recertification time.

A new lease is executed at the time of the transfer of a tenant from on PHA unit to another.

If, for any reason, any signer of the lease ceases to be a member of the household, the lease will be amended by drawing a line through the party's name and both parties will be required to initial and date the change.

Lease signers must be person legally eligible to execute contracts.

The names and date of birth of all household members are listed on the lease at initial occupancy and on the application for continued occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

Changes to tenant rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the PHA which becomes an attachment to the lease. Documentation will be included in the tenant file to support proper notice.

Households that include a Live-In Attendant will contain file documentation that a Live-In Attendant is not a party to the lease and is not entitled to PHA assistance, with the exception of occupancy while serving as the attendant for the participant family member.

The PHA may modify its form of lease from time to time, giving tenants an opportunity to comment on proposed changes and advance notice of the implementation of any changes. A tenant's refusal to accept permissible and reasonable lease modifications, or those modifications required by HUD, is ground for termination of tenancy.

### C. ADDITIONS TO THE LEASE

Requests for the addition of a new member of the household must be approved by the PHA, prior to the actual move-in by the proposed new member.

Following receipt of a family's request for approval, the PHA will conduct a pre-admission screening, including the Criminal History Report, of the proposed new member. Only new members approved by the PHA will be added to the household.

Factors determining household additions:

Household additions subject to screening:

Resident plans to marry

Resident is awarded custody of a child over the age for which juvenile justice records are available

Resident desires to add a new family member to the lease, or take in a foster child(ren)

A unit is occupied by a remaining family member(s) under age 18, and an adult who was not a member of the original household requests permission to take over as the head of household.

Factors determining household additions which are not subject to screening:

Children born to a family member or whom a family member legally adopts are exempt from the pre-screening process.

Factors determining household additions which may be subject to screening, depending on HA discretion:

Children below the age under which juvenile justice records are made available, who are added through a kinship care arrangement are not exempt from the pre-screening process.

The HA will request that the public housing tenant provide the HA with a signed consent form from the parent(s) or legal guardian allowing the HA to check the juvenile records of the child. Sources to be checked may include any of the following:

School Records (attendance – behavior)

Juvenile Probation – Court Records

Police Records

Factors determining screening for live-in aide:

The person has committed fraud, bribery or any other corrupt or criminal act in Connection with any federal housing program;

The person committed drug-related criminal activity or violent criminal activity;

The person currently owes rent or other amounts to the Housing Authority or another Housing Authority in connection with Section 8 or public Housing assistance under the 1937 Act.

In such cases where the addition of a new member who has not been born, married, or legally adopted into the family, and the addition will affect the bedroom size required by the family, according to the HA occupancy standards, the HA will not approve the addition.

The PHA will not approve adding a family consisting of more than one member to the lease. Such applicants will be encouraged to apply to the waiting list.

Residents who fail to notify the PHA of additions to the household, or who permit persons to join the household without undergoing screening, are in violation of the lease. Such persons are considered to be unauthorized occupants by the PHA, and the entire household will be subject to eviction.

Family members age 18 and over who move from the dwelling unit to establish new households shall be removed from the lease. The tenant must notify the PHA of the move-out within ten (10) days of its occurrence.

These individuals may not be readmitted to the unit and must apply as a new applicant for placement on the waiting list.

The PHA in making determinations under this paragraph will consider medical hardship or other extenuating circumstances.

The resident may not allow visitors to stay overnight more than 90 days in a twelve-month period.

The resident may not allow visitors to stay overnight more than fourteen (14) consecutive days in a twelve-month period.

The manager may authorize overnight visitors provided the visit does not exceed fourteen (14) days.

The family must request PHA approval prior to visitors arriving who will be in the unit in excess of fourteen (14) days.

Visitors who remain beyond this period shall be considered trespassers, and their presence constitutes a breach of the lease.

If an individual other than a leaseholder is representing to an outside agency that he/she is residing in the lessee's unit, the person will be considered an unauthorized member of the household.

Roomers and lodgers are not permitted to occupy a dwelling unit, nor are they permitted to move in with any family occupying a dwelling unit.

Residents are not permitted to allow a former tenant of the PHA who has been evicted to occupy the unit for any period of time.

Residents must advise the PHA when they will be absent from the unit for more than fourteen (14) days and provide a means for the PHA to contact the resident in the event of an emergency. Failure to advise the PHA of extended absences is grounds for termination of the lease.

#### **D. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES**

Before offering a vacant accessible unit to a non-disabled applicant, the PHA will offer such units:

First - to a current occupant of another unit of the same development, or other public housing developments under the PHA's control, who has a disability that requires the special features of the vacant unit.

Second – to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

The PHA will require a non-disabled applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

#### E. UTILITY SERVICES

Tenants responsible for direct payment of utilities must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits.

Failure to maintain utility services during tenancy is a lease violation and grounds for eviction.

Non-payment of excess utility charge payments to the PHA is a violation of the lease and is grounds for eviction.

#### F. SECURITY DEPOSITS

New tenants must pay a security deposit to the PHA at the time of admission.

The amount of the security and/or pet deposit required is specified in the lease.

The PHA may permit installment payments of security deposits when a new tenant demonstrates a financial hardship to the satisfaction of the PHA. However, no less than one-half of the required deposit must be paid before occupancy.

The remainder of the deposit must be paid within 30 days.

The PHA will hold the security deposit for the period of time the tenant occupies the unit.

The PHA will refund to the tenant the amount of the security deposit, less any amount needed to pay the cost of:

- Unpaid Rent;

- Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

- Other charges under the lease.

The PHA will refund the Security Deposit less any amounts owed, within 30 days after move out and the tenant's notification of new address.

The PHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling units, or upon removal of the pet, or the owner from the unit.

The PHA will return the Pet Deposit to the former tenant or to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The PHA will provide the tenant or designee identified above with a written list of any charges against the security or pet deposits. If the tenant disagrees with the amount charged to the security or pet deposits, the PHA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the PHA. All keys to the unit must be returned to the Management upon vacating the unit.

The PHA will not use the security deposit for payment of rent or other charges while the tenant is living in the unit.

If the tenant transfers to another unit the PHA will refund the security deposit, less damages, and collect a new deposit, using the current information regarding Total Tenant Payment. If applicable, the tenant will be informed of the new deposit amount. However, the new deposit will not be collected until the old deposit (if any) is refunded.

#### PET DEPOSIT

(See chapter on Pet Policy)

#### G. RENT PAYMENTS

Tenant is to pay rent in advance on the first day of each month without demand.

Rent payment may be made in the Management Office by cash, money order or personal check. Should two personal checks be returned due to insufficient funds, tenant's rent payment can only be paid in cash or money order.

Tenant shall make all rental payment in full. Payment or receipt of a rental payment of less than the amount stated in the lease shall be deemed to be nothing more than partial payment on that month's account. Under no circumstances shall the Housing Authority's acceptance of a partial payment constitute accord and satisfaction. Nor will the Housing Authority's acceptance of a partial payment forfeit Housing Authority's right to collect the balance due on the account, despite any endorsement, stipulation, or other statement on any check. Any modification to this must be made in a letter signed by the Housing Authority, in which the Housing Authority states and agrees to the modification. The Housing Authority may accept any partial payment check with any conditional endorsement without prejudice to his/her right to recover the balance remaining due, or to pursue any other remedy available under this lease.

#### RENT COLLECTION

Monthly rent shall be paid by the Tenant without demand by Management and shall be due and payable in advance on the first day of each month as stated in the Dwelling Lease Agreement. Payment of rent shall be made at the Authority's office located at 201 North Jefferson Street, Punxsutawney, PA 15767 or the Reynoldsville Office, 1039 Grant Street, Reynoldsville, Pa. or in person or by 1<sup>st</sup> class mail.

If Tenant fails to make payment of rent, the Authority will take the following action.

1. On the 2nd day, the Housing Authority will serve Tenant with a Delinquent Rent Notice.
2. Should a Tenant have a balance of charges two months old, the Housing Authority shall serve the tenant with a “Notice of Termination of Lease” stating all reason(s) for termination, “Notice to Quit” and informing Tenant of his/her rights in accordance with the Authority’s Grievance procedure.
3. If the rent is still unpaid at the end of the time period, the Authority will file a Landlord Tenant Complaint with the District Court. All filing charges will be charged to the Tenant’s account.

Should the Authority receive a judgment at the hearing, the following action may be taken:

1. At the expiration of ten (10) days, the Authority may file an Execution for possession.
2. At the expiration of ten (10) days, the Authority may file an Monetary execution.

If the Authority files an Execution for Possession, the proper legal authority will serve notice to Tenant giving them ten (10) days to remove themselves from the premises. At the expiration of the time period and Tenant is still occupying the unit, the proper legal authority will remove Tenant from the premises, and the unit will be secured.

Should the Authority file a Monetary Execution, the proper legal authority will levy all personal property of Tenant permitted by law. The proper legal authority will then schedule a sale at which time all of Tenant’s levied belongings liable to such a sale will be sold. The proceeds from the sale will be used to satisfy, in part or in whole, the amount of money due the Authority.

#### H. FEES AND NONPAYMENT PENALTIES

A charge of Fifteen dollars (\$15.00) will be assessed against the tenant for checks which are returned for non-sufficient funds (NSF), or checks written on a closed account,

The PHA will always consider the rent unpaid when a check is returned as NSF or a check is written on a closed account,

Any payment received will be applied to the oldest charges in the resident’s account (with the exception of debts currently under a payment agreement)

#### I. SCHEDULES OF SPECIAL TENANT CHARGES

Schedules of special charges for services, repairs, utilities and rules and regulations which are required to be incorporated into the lease by reference shall be publicly posted in a conspicuous manner in the project office, and they will be provided to applicants and tenants upon requests.

#### J. MODIFICATIONS TO THE LEASE

Schedules of special charges and rules and regulations are subject to modification or revision. Tenants will be provided at least thirty (30) days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the Management office, and be:

Hand delivered to the dwelling unit.

Posted in conspicuous places within each development in which tenants affected by the modifications or revisions are located.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

#### K. CANCELLATION OF THE LEASE

Cancellation of the tenant's lease is to be in accordance with the provisions contained in the lease agreement and as stated in this policy.

#### L. INSPECTIONS OF PUBLIC HOUSING UNITS

##### INITIAL INSPECTIONS

The PHA and the family will inspect the premises prior to occupancy of the unit in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the PHA and the tenant, will be kept in the tenant file.

Any adult member may sign the inspection form for the head of household

##### VACATE INSPECTIONS

The PHA inspection department will access the vacate report prepared by housing management staff and will perform a move-out inspection when the family vacates the unit, and will encourage the family to participate in the move-out inspection.

The purpose of this inspection is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The HA will determine if there are tenant caused damages to the unit. Tenant caused damages may affect part or all of the family's security deposit.

The move-out inspection also assists the HA in determining the time and extent of the preparation and repairs necessary to make the unit ready for the next tenant.

The resident is encouraged to participate in the move-out inspection.

At this time resident belongings not removed from the apartment will be stored for 30 days. The resident will be given notice of such action and be given the opportunity to claim their property by reimbursing the Housing Authority of all monies owed. At the expiration of the 30 days the HA will charge the resident's account for the storage cost. The property then becomes the possession of the Housing Authority and disposition will take place. The proceeds of the disposition will be credited to the resident's account.

## ANNUAL INSPECTIONS

The PHA will inspect all units annually using HUD's UPS Standards as a guideline.

Residents who "fail" the inspection due to housekeeping or tenant caused damages will be given fifteen (15) days to correct noted items. Another inspection will be conducted.

Residents will be issued a copy of the inspection report with required corrections.

If necessary to bring the unit into UPS compliance, needed repairs will be completed by the HA. Though the work order procedure.

All inspections will include a check of all smoke alarms to ensure proper working order.

Inspection report will indicate whether required corrections are to be charged to the resident or covered by the HA.

Damages beyond "normal wear and tear" will be billed to the tenant.

Residents who are in violation of their lease due to repeated failed inspection will be scheduled for a lease violation conference.

## QUALITY CONTROL INSPECTIONS

The occupancy/maintenance department will conduct periodic inspections to determine the condition of the unit and to identify problems or issues in which the PHA can be of service to the family.

The PHA inspection staff will conduct quality control inspections on 10% of units where repairs were made to vacant units generated by move-out inspections and occupied units generated by work orders.

The purpose of these quality control inspections is to assure that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

## SPECIAL INSPECTIONS

Maintenance staff may request the inspection staff to conduct a special inspection for housekeeping, unit condition, or suspected lease violation.

HUD representatives or local government officials may review PHA operations periodically and as a part of their monitoring may inspect a sampling of the PHA's inventory

## OTHER INSPECTIONS

The PHA inspector will periodically conduct visual walk-through inspections to determine whether there may be lease violations, adverse conditions or local code violations.

Playgrounds inspections are conducted monthly to determine playground safety.

Building exterior and grounds inspections are conducted at all public housing properties to determine hazardous conditions as well as to assist in budget preparation.

## EMERGENCY INSPECTIONS

Housing management staff, including PHA inspectors, may initiate an emergency inspection report to generate a work order if they believe that an emergency exists in the unit or on a public housing site. In addition, the inspector may conduct an emergency inspection without a work order and generate a work order after the inspection has been conducted (see entry of premises notice in this chapter). Repairs are to be completed within 24 hours from the time the work order is issued.

Emergency Repairs to be completed in less than 24 hours.

The following items are to be considered emergency in nature and require immediate (less than 24 hours) response:

Lock-out (with proper identification of resident)

Broken lock which affects unit security

Broken window glass which affects unit security, is a cutting hazard, or occurs within inclement weather (to be secured or abated)

Escaping gas

Plumbing leaks which have the capacity to create flooding or cause damage to the unit

Natural gas leaks or smell of fumes

Backed-up sewage

Electrical hazard

Inoperable smoke detectors will be treated as a 24-hour emergency and will be made operable by the PHA if the smoke detector is in need of repair.

Residents who disengage smoke detectors for convenience purposes will be charged.

## ENTRY OF PREMISES NOTICES

The PHA will give prior written notice for non-emergency inspections. Non-emergency entries to the unit will be made during reasonable hours of the day,

The PHA will provide the family with 48-hour notice prior to entering the unit for non-emergency reasons other than the annual inspection.

An adult family member is requested to be present in the unit during the inspection or have a designated family member present.

No apartment will be entered if the resident is a pet owner, unless the resident or a designated family member is present.

If no person is at home, the inspector will enter the unit and conduct the inspection.

If no one is in the unit, the person(s) who enters the unit will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

A written notice specifying the purpose for non-emergency entry into the unit will be delivered to the premises at least two (2) days before entry.

Where the HA is conducting regular annual examinations of its housing units, the family will receive reasonable advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

Tenants with disabilities can request a reasonable accommodation to establish a suitable time schedule.

Reasons the PHA will enter the unit are:

- Inspections and maintenance

- To make improvements and repairs

- To show the premises for leasing

- In cases of emergency

The family must call the HA at least 24 hours prior to the scheduled date of inspection to reschedule the inspection, if necessary.

The HA will reschedule the inspections no more than twice unless the resident has a verifiable medical reason which has hindered the inspection. The HA may request verification.

Repairs requested by the family will not require prior notice to the family. Residents are notified in the lease that resident requested repairs presume permission for the HA to enter.

#### NON-INSPECTION EMERGENCY ENTRY

The PHA staff will allow access to the unit to proper authorities when issues of health or safety of the tenant are concerned.

#### FAMILY RESPONSIBILITY TO ALLOW INSPECTION

The HA must be allowed to inspect the unit at reasonable times with reasonable notice. Forty-eight (48) hour written notice will be considered reasonable in all cases.

The resident is notified of the inspection appointment. The family must call the HA at least twenty-four (24) hours before the inspection date to reschedule the inspection, if necessary.

The HA will reschedule the inspection no more than twice unless the resident has a verifiable medical reason which has hindered the inspection. The HA may request verification.

If the resident refuses to allow the inspection, the resident will be in violation of the lease and the HA will notify the family of its intended action.

If the resident refuses to allow the inspection, the resident will be in violation of the lease.

#### HOUSEKEEPING CITATIONS

Residents who “fail” an inspection due to housekeeping will be issued a Housekeeping Citation, and a re-inspection will be conducted within twenty (20) working days by housing management staff. If the family fails to comply with the re-inspection it can result in lease termination.

Citations will be issued to residents who purposely and for convenience disengage the unit’s smoke detector.

Repeated citations will be considered a violation of the lease.

#### TENANT DAMAGES

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

“Beyond normal wear and tear” is defined as items which could be charged against the tenant’s security deposit under state law or court practice.

Fire damage to an apartment/property owned by the Housing Authority caused by resident’s negligence will result in the resident being responsible for payment.

## CHAPTER 10

### PET POLICY

#### A. ENABLING REGULATIONS

Section 227 of the Housing and Urban Renewal Recovery Act of 1983 provides that no owner or manager of Federally assisted Rental Housing for the elderly may prohibit or prevent a Resident from owning or having a common household pet living in the Resident's dwelling unit.

Section 526 of the Quality Housing and Work Responsibility Act of 1998 (public law 105-276, 112 Stat 2461, 2568) (the Public Housing Reform Act of 1998) added new Section 31 Captioned Pet Ownership in Public Housing of the United States Housing Act of 1937 (42 U.S.C. 1437 z-3).

To this end the JEFFERSON COUNTY HOUSING AUTHORITY has adopted "Reasonable Pet Rules," these rules incorporate the various state and local laws governing pets that include inoculating, licensing, and restraint, and provide sufficient flexibility to protect the right and privileges of other residents who choose not to own pets.

In the event of an emergency or building evacuation it is the responsibility of the pet owner to remove the animal.

#### B. TYPE DWELLING UNITS PERMITTING PETS

Elderly dwelling units specifically designed and built for elderly. Persons living within these dwelling units are permitted pets according to the "Pet Policy and Rules".

PA 61-1 JEFFERSON STREET HIGH-RISE, PUNXSUTAWNEY, PA

#### C. TYPE OF PETS AND NUMBER PER UNIT

A common household pet is defined as being a cat, dog, goldfish, or tropical fish, and caged animals such as canary, parakeet, or lovebird, guinea pig, hamster, gerbil, and turtle, that traditionally are kept in the home for pleasure rather than for commercial purposes.

One type of pet to a unit will be permitted, i.e.: one cat or dog, one fish bowl or tank, one cage with no more than two birds or two guinea pigs, two hamster, two gerbil or two turtle.

#### D. REGULATION REQUIREMENTS PRIOR TO ADMISSION

All pets must be registered with Management before permission is granted. Registration must show type of pet, recent picture, name, age, and if applicable, license number, and current veterinarian, plus a signed responsibility form showing the names of three (3) persons to call to come get the pet in the event of the Resident's illness or death.

Residents will be refused pet registration if management determines the resident is unable to fulfill their past or future obligations as a pet owner, are unable to adhere to the terms of the lease, or house pet rules, the animal does not meet the definition of common household pet, or the temperament of the animal is considered dangerous.

A pet deposit in the amount of \$100.00 for a cat or dog and \$50.00 for a bird, caged animal, and fish will be required at signing of the pet lease amendment.

In the event the pet owner is incapacitated or is no longer available to care for the pet, the person designated on the responsibility form must remove the pet.

#### E. PET RESPONSIBILITY FORM

Prior to pet admission, the owner must submit the completed pet responsibility form showing name, address, and phone number of three (3) local persons who will come and get the pet in the event of tenant's illness, vacation, or death. The responsibility form must be renewed each year. Persons so named will be responsible in the order of their names on the responsibility form.

#### F. SECURITY DEPOSIT

The security deposit of \$100.00 for a cat or dog and \$50.00 for a bird, fish, or caged animal, will be held in deposit as part of the lease. The Pet Deposit will be used to cover costs of damages or fumigation as the result of the pet ownership (\$50.00 cost). The pet deposit will be refunded minus extermination fees if the pet is permanently removed from the unit. Balance of pet deposit may be applied to residents account after vacating their unit if there are move-out charges applied to resident's accounts.

Residents liability for damages caused by his/her pet is not limited to the amount of the pet deposit and the resident will be required to reimburse the Authority for the real cost of any and all damages caused by his/her pet where they exceed the amount of the pet deposit.

All units occupied by a dog or cat will be fumigated upon being vacated, the cost of which will be borne by the security deposit. Infestation of a unit by fleas carried by his/her pet shall be the responsibility of the pet owner.

#### G. INSURANCE

Liability Insurance will not be required. The resident may arrange for such insurance, if possible, for his/her own protection against liability from suit by another resident or building visitor in the event of an accident involving their pet, especially a cat or dog. Renter's insurance is not required, but the Authority encourages all residents to purchase coverage for his/her own protection in case of losses or a liability suit resulting from an accident.

Should your pet accidentally deposit waste either inside the building or on Jefferson County Housing Authority property, the waste must be cleaned up immediately. Pet owner is responsible for clean up, removal and proper disposal of pet waste from both inside the building and the Authority property.

Proper pet waste disposal involves gathering it up, placing the waste in a plastic trash bag, sealing very tightly, and placing it in the trash bin or chute.

#### J. BIRD OWNER REQUIREMENTS

No more than two (2) birds to a unit will be permitted. NO PARROTS.

Birds must be caged at all times.

The cage must be no larger than three (3) feet high and two (2) feet wide.

Cages must be cleaned daily and debris disposed of in a sealed plastic bag to be put in trash chute immediately.

Pets are not permitted in another apartment or the public areas, community room, laundry room, lounge, or office.

The Housing Authority must, upon demand, be shown a statement from the veterinarian indicating the diagnosis. Any pet suspected of suffering symptoms of rabies or any other disease considered to be a health threat must be immediately removed from the premises until signed evidence from a veterinarian can be produced to indicate the animal is not so afflicted.

Resident pet owner agree to control the noise of his/her pet such that it does not constitute a nuisance to other residents. Failure to control pet noise may result in the removal of the pet from the premises.

**THE JEFFERSON COUNTY HOUSING AUTHORITY SHALL TAKE ALL NECESSARY ACTIONS UNDER THE LAW TO REMOVE ANY PET THAT CAUSES BODILY INJURY TO ANY RESIDENT, GUEST, VISITOR, OR STAFF MEMBER.**

No pet shall be left unattended in any unit for longer than 12 hours.

All resident pet owners shall provide adequate care, nutrition, exercise and medical attention for his/her pet. Pets which appear to be poorly cared for or which are left unattended for longer than 12 hours will be reported to the Humane Society and will be removed from the premises at the pet owner's expense.

In the event of a tenants sudden illness the resident pet owner agrees that management shall have discretion with respect to the provision of care to the pet consistent with policy guidelines and at the expense of the resident pet owner unless written instruction with respect to such area are provided in advance by the resident to the project office and all care shall be at the resident's expense.

Unwillingness on the part of the named caretakers of a pet to assume custody of the pet shall relieve management of any requirement to adhere to any written instruction with respect to the care or disposal of a pet and shall be considered as authorization to management to exercise discretion in such regard consistent with policy guidelines.

Resident pet owners acknowledge that other residents may have chemical sensitivities or allergies related to pets or are easily frightened by such animals. The resident, therefore agrees to exercise common sense and common courtesy with respect to such other resident's right to peaceful and quiet enjoyment of the premises.

Management may move to require the removal of a pet from the premises on a temporary or permanent basis for the following caused:

- a. Creation of a nuisance after proper notification consistent with these Pet rules. Notice or action shall be taken or completed within a forty-eight (48) hour period.

- a. Verification that the pet's license is in effect and has been renewed for the current year.
- b. The dog or cat inoculations that are required for such pet, that all shots are current.
- c. Proof of any inoculations that are required for such pet, that all shots are current.
- d. Proof of annual veterinary care.

At this time, the pet responsibility form will be reviewed with the resident to see that the three (3) persons listed are still correct and that there has been no change in either address or phone number.

#### O. VISITING PETS

Visiting pets are permitted, however they must comply with all rules of this Pet Policy while on the Housing Authority property.

#### P. ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

Pet rules will not be applied to animals that assist persons with disabilities. Assistive animals are allowed with no restrictions other than those imposed on all Residents to maintain their units and associated facilities in a decent, safe and sanitary manner and to refrain from disturbing their neighbors. Although a pet deposit will not be charged for assistive animals, resident will be responsible for any repairs due to damage caused by the animal.

To be excluded from the pet policy, the resident/pet owner must certify:

1. There is a person with disabilities in the household;
2. The animal has been trained to assist with the specified disability'
3. The animal actually assists the person with the disability.

#### Q. PROTECTION OF THE PET

If the health or the safety of a pet is threatened by the death or incapacity of the resident or by other factors that render the resident unable to care for the pet, the Housing Authority will contact one of the three persons listed on the Pet Responsibility form. If none of these three responsible people are willing or able to care for the pet, or after reasonable efforts the Housing Authority has been unable to contact one of the three persons, the Housing Authority will contact the appropriate state or local agency and request removal of such pet. If there is no state or local agency authorized to remove a pet under these circumstances, the Housing Authority will enter the resident's unit, remove the pet, and place it in the animal rescue shelter.

Failure to abide by these regulations will cause the Housing Authority to arrange for removal and care of the pet as stated, with the cost for such care the full responsibility of the resident.

#### R. PET VIOLATIONS

Loose pets: If a pet gets loose and out of the resident's premises the resident, and not the Housing Authority, is responsible for damage and recapture. The resident will immediately clean up any waste and pay the cost of any damages incurred immediately upon presentation of the bill from the Housing Authority or another resident if they or their property is involved.

Notice of Pet Rule Violation: If the Housing Authority determines on the basis of objective facts, supported by written statements, the resident has violated a rule governing the keeping of pets, the Housing Authority will serve a notice to the resident of pet rule violation. The notice of pet rule violation will be in writing and will:

- a. Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.

- b. State the resident has 10 (ten) days from the effective date of the notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation with the Housing Authority.
- c. State that the tenant's failure to correct the violation, to request a meeting, or to appear at a grievance hearing, may result in initiation of such procedures to have the pet removed or to terminate the resident's tenancy, or both.

Notice for Pet Removal: If the Housing Authority determines the resident has failed to correct the pet rule violation, the Housing Authority may serve a notice to the resident requiring the resident to remove the pet. The notice will be in writing and will:

- d. Contain a brief statement of the factual basis for the determination and the pet rule that has been violated.
- e. State that the resident must remove the pet.
- f. State that failure to remove the pet may result in initiation of procedures to have the pet removed or terminate the resident's tenancy or both.

#### S. UNIT INSPECTION

The Housing Authority's maintenance personnel will not be permitted to enter the premises housing a dog or cat unless the tenant is home and places the pet on a leash and is under control at all times while the maintenance personnel are in the unit. Any problems noticed at this inspection, such as damages to the premises or odors, will be rectified by repairs or extermination with ten (10) days of the inspection. If the resident has not arranged for repairs or extermination with such ten (10) day period, the Housing Authority will then make the necessary repairs or extermination at the resident's expense. These charges must be paid within thirty (30) days of invoice

## CHAPTER 11

### RECERTIFICATIONS

#### INTRODUCTION

HUD requires the Jefferson County Housing Authority (PHA) recertify all families at least annually. At the annual recertification families must report their current household composition, income, deductions, and allowances. Between regular annual recertifications, HUD requires that families report all changes in household composition, but the PHA decides what other changes must be reported and the procedures for reporting them. This Chapter defines the PHA's policy for conducting annual recertifications. It also explains the interim reporting requirements for families, and the standards for timely reporting.

#### A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

Qualify as a family as defined in this policy;

Are in full compliance with the obligations and responsibilities described in the dwelling lease;

Whose family members, each have submitted their Social Security numbers or have certifications on file that they do not have a Social Security number;

Whose family members have submitted required citizenship/eligible immigration status/non-contending documents;

Whose family members have complied with their Community Service requirement(s).

#### B. ANNUAL RECERTIFICATIONS

The terms Annual Recertification and Annual Reexamination are synonymous.

In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition.

For families who move in on the first of the month, the annual recertifications will be completed within twelve (12) months of the anniversary of the move-in date. (Example: If family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year).

For families who move in during the month, the annual recertifications will be completed no later than the first of the month in which the family moved in, the following year. (Example: If family moves in August 15, the effective date of the next annual recertification is August 1.)

When families move to another dwelling unit:

The annual recertification date will change.

## REEXAMINATION NOTICE TO THE FAMILY

All families will be notified of their obligation to recertify. The notification shall be sent at least 120 days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

## METHODOLOGY.

The PHA's method for conducting annual recertifications will be:

To schedule the specific date and time of appointments in the written notification to the family.

## PERSONS WITH DISABILITIES

Persons with disabilities, who are unable to come to the PHA's office, will be granted an accommodation of conducting the interview at the person's home, upon verification that the accommodation requested meets the need presented by the disability.

## COLLECTION OF INFORMATION

The PHA representative will interview the family and enter the information provided by the family on the recertification form.

## REQUIREMENTS TO ATTEND

The following family members will be required to attend the recertification interview and sign the application for continued occupancy:

The head of household

If the head of household is unable to attend the interview: The appointment will be rescheduled.

The spouse may recertify for the family, provided that the head comes in within ten (10) days to recertify.

## FAILURE TO RESPOND TO NOTIFICATION TO RECERTIFY

The written notification will explain which family members are required to attend the recertification interview. The family may call to request another appointment date up to two (2) days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the PHA, the PHA will reschedule a second appointment.

If the family fails to appear for the second appointment, and has not rescheduled or made prior arrangements, the PHA will:

Terminate tenancy for the family.

Exceptions to these policies may be made by the Executive Director if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

#### DOCUMENTS REQUIRED FROM THE FAMILY

In the notification letter to the family, the PHA will include instructions for the family to bring the following:

1. Documentation of income for all family members
2. Documentation of liquid and non-liquid assets
3. Documentation to substantiate any deductions or allowances (medical, child care, utility)
4. Personal Declaration Form completed by head of household
5. Documentation of Community Service Requirement compliance
6. Documentation of Pet Policy Requirement

#### VERIFICATION OF INFORMATION

All information, which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this Policy. Verifications used for recertification must be less than ninety (90) days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

The continued eligibility of the resident as a family or as the remaining member of a family;

The unit size required by the family;

The amount of rent the family should pay.

#### CHANGES IN THE TENANT RENT

If there is any change in rent, including change in family's choice in rent, the lease will be amended, or a Notice of Rent Adjustment will be issued. At the time of recertification, the tenant may elect to change his/her choice option.

#### TENANT RENT INCREASES

If tenant rent changes, a thirty-day notice will be mailed to the family prior to the anniversary date. However, if the resident's failure to furnish documentation in a timely manner could result in a notice of less than 30 days.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the anniversary date.

#### TENANT RENT DECREASES

If tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so that the processing of the reexamination is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the reexamination processing by the PHA.

If tenant rent decreases and the change occurred within a month prior to the recertification appointment, but the family did not report the change as an interim adjustment, the decrease will be effective on the recertification anniversary date.

If the tenant rent decreases and the tenant reported the change within a month prior to the annual recertification anniversary date or between the annual recertification anniversary date and the effective date of the annual recertification, the change will be treated as an interim. The change will be effective the first of the following month that the family reported the change. If necessary, the HA will run another HUD 50058 as an annual recertification.

#### C. REPORTING INTERIM CHANGES

Families must report all changes in household composition to the PHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain PHA approval prior to all other additions to the household.

When there is a change in head of household or a new adult family member is added, the PHA will complete an application for continued occupancy and reverify, using the same procedures the PHA staff would use for an annual reexamination, except for effective dates of changes. In such case, the Interim Reexamination Policy would be used.

The annual reexamination date will not change as a result of this action.

The U. S. citizenship/eligible immigrant status of additional family members must be declared and verified prior to the approval by the PHA of the family member being added to the lease.

#### INTERIM REEXAMINATION POLICY

##### INCREASES IN INCOME TO BE REPORTED

Families must report all increases in income/assets of all household members to the PHA in writing within 10 calendar days of the occurrence.

##### INCREASES IN INCOME AND RENT ADJUSTMENTS

The PHA will process rent adjustments for all increases in income, which are reported between regularly scheduled recertifications.

Rent increases (except those due to misrepresentation) require thirty (30) days notice.

## DECREASES IN INCOME AND RENT ADJUSTMENTS

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions that would reduce the amount of the total tenant payment.

The PHA will process the rent adjustment unless the PHA confirms the decrease in income will last less than sixty (60) calendar days.

The PHA will process rent adjustments whenever there is a decrease in income.

### D. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The PHA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

- Fraud;

- Failure to participate in an economic self-sufficiency program;

- Noncompliance with a work activities requirement.

However, the PHA will reduce the rent if the welfare assistance reduction is a result of:

- The expiration of a lifetime time limit on receiving benefits;

- A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

  - The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

## VERIFICATION BEFORE DENYING A REQUEST TO REDUCE RENT

The PHA will obtain written verification from the welfare agency stating the family's benefits have been reduced for fraud or noncompliance before denying the family's request for a rent reduction.

## COOPERATION AGREEMENTS

The PHA and local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

### E. OTHER INTERIM REPORTING ISSUES

A tenant conference will be scheduled for families with zero income every thirty (30) days to determine if an interim reexamination is necessary.

In the following circumstances, the PHA may conduct the interim recertification by mail:

As a reasonable accommodation when requested.

Any changes reported by residents will be notated in the file by the staff person, and will be processed between regularly scheduled annual recertifications.

## PHA ERRORS

If the PHA makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted to correct the error, but the family will not be charged retroactively.

## F. TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)

### STANDARD FOR TIMELY REPORTING OF CHANGES

The PHA requires that families report interim changes to the PHA within ten working days of when the change occurs. Any information, document or signature needed from the family, which is needed to verify the change, must be provided within three working days of the changes.

\*An exception will be made for TANF recipients who obtain employment. In such cases, families will have to report within ten days of receipt of the Notice of Action from TANF that shows the full adjustment for employment income.

If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by the PHA), it will be considered untimely reporting.

### PROCEDURES WHEN THE CHANGE IS REPORTED IN A TIMELY MANNER

The PHA will notify the family of any changes in Tenant Rent to be effective according to the following guidelines:

Increases in the Tenant Rent are effective on the first of the second month following at least thirty (30) days' notice.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

The change may be implemented based on documentation provided by the family, pending third-party written verification.

### PROCEDURES WHEN THE CHANGE IS NOT REPORTED BY THE TENANT IN A TIMELY MANNER

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date it would have been effective had it been reported on a timely basis. The family will be liable for any underpaid rent, and may be required to sign a Repayment Agreement.

The PHA will not execute a payment agreement if the payback is so much that it will take the family longer than twelve months (12) to complete the agreement.

Decrease in Tenant Rent will be effective on the first of the month following completion of processing by the PHA and not retroactively.

#### PROCEDURES WHEN THE CHANGE IS NOT PROCESSED BY THE PHA IN A TIMELY MANNER

“Processed in a timely manner,” means the change goes into effect on the date it should when the family reports the change in a timely manner.

Therefore, an increase will be effective after the required thirty (30) days’ notice prior to the first of the month after completion of processing by the PHA. However, if the resident’s failure to furnish documentation in a timely manner could result in a notice of less than 30 days.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

#### G. REPORTING OF CHANGES IN FAMILY COMPOSITION

The PHA must approve the members of the family residing in the unit. The family must inform the PHA and request approval of additional family members other than additions due to birth, adoption, marriage, court-awarded custody, or live-in aide before the new member occupies the unit.

The PHA will not approve the addition of family members other than by birth, adoption, marriage or court-awarded custody where the occupancy standards would require a larger size unit.

All changes in family composition must be reported within ten (10) working days of the occurrence in writing.

If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household (or spouse) the member (who may be the head of household) removed is permanently absent.

The head of household must provide a statement the head of household (or spouse) will notify the PHA if the removed member returns to the household for a period longer than the visitor period allowed in the lease.

#### INCREASE IN FAMILY SIZE

The PHA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

Addition by marriage/or marital type relation.

Addition of a minor who is a member of the nuclear family who had been living elsewhere.

Addition of a PHA-approved live-in attendant.

Addition due to birth, adoption or court-awarded custody.

If the Housing Authority cannot immediately provide a larger bedroom unit needed to accommodate the addition of a live-in aide, it will approve the addition of the live-in aide and grant the move as soon as a unit becomes available.

Families who need a larger sized unit because of voluntary additions will have lower priority on the transfer List than other families who are required to change unit size.

If a change due to birth, adoption, court-awarded custody, or need for a live-in attendant requires a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

#### DEFINITION OF TEMPORARILY/PERMANENTLY ABSENT

The PHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The PHA will evaluate absences from the unit in accordance with this policy.

#### ABSENCE OF ENTIRE FAMILY

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the PHA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the PHA before they move out of a unit in accordance with the lease and to give the PHA information about any family absence from the unit.

Families must notify the PHA if they are going to be absent from the unit for more than fifteen consecutive days. A person with a disability may request an extension of time as an accommodation.

“Absence” means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the PHA may:

- Conduct home visit
- Write letters to the family at the unit
- Post letters on exterior door
- Telephone the family at the unit
- Interview neighbors

Verify if utilities are in service  
Check with Post Office for forwarding address  
Contact emergency contact

If the entire family is absent from the unit, with out PHA permission, for more than thirty (30) consecutive days, the unit will be considered to be vacant and the PHA will terminate tenancy.

As a reasonable accommodation for a person with a disability, the PHA may approve an extension. (See absence Due to Medical Reasons for other reasons to approve an extension.) During the period of absence, the rent and other charges must remain current.

If the absence, which resulted in termination of tenancy, was due to a person's disability, and the PHA can verify that the person was unable to notify the PHA in accordance with the lease provisions regarding absences, and if a suitable unit is available, the PHA may reinstate the family as an accommodation if requested by the family.

#### ABSENCE OF ANY MEMBER

Any member of the household will be considered permanently absent if she/he is away from the unit for three (3) consecutive months except as otherwise provided in this Chapter.

#### ABSENCE DUE TO MEDICAL REASONS

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the PHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than ninety (90) consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remains current.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the PHA's "Absence of Entire Family" policy.

#### ABSENCE DUE TO INCARCERATION

If the sole member is incarcerated for more than ninety (90) consecutive days, she/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if she/he is incarcerated for ninety (90) consecutive days. The rent and other charges must remain current during this period.

The PHA will determine if the reason for incarceration is for drug-related or criminal activity that would threaten the health, safety, and right to peaceful enjoyment of the dwelling unit by other residents.

#### FOSTER CARE AND ABSENCES OF CHILDREN

If the family includes a child or children temporarily absent from the home due to placement in foster care, the HA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than twelve (12) months from the date of removal of the child(ren), the family will be required to move to a smaller size unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the PHA's occupancy guidelines.

#### ABSENCE OF ADULT

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the PHA will treat that adult as a visitor for the first thirty (30) calendar days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability Criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the PHA will secure verification from social services staff or the attorney as to the status.

The PHA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than sixty (60) days and it is reasonable to expect that custody will be granted.

When the PHA approves a person to reside in the unit as caretaker for the child (ren), the income of the caretaker should be counted pending a final disposition. The PHA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than ninety (90) days, the person will be considered permanently absent.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of unit size.

#### VISITORS (SEE CHAPTER ON LEASING)

Any adult not included on the HUD 50058 who has been in the unit more than fourteen (14) consecutive days, or a total of fifteen (15) cumulative days in the month will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification the visitor is an unauthorized household member.

Statements from neighbors and/or PHA staff will be considered in making the determination.

The PHA will consider:

Statements from neighbors and /or PHA staff

Vehicle license plate verification

Post Office records

Driver's license verification

Law enforcement reports

Credit reports

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the PHA will terminate the family's lease since prior approval was not requested for the addition.

Minors and college students who were part of the family but who now live away from home during the school year and are not considered members of the household may visit for up to ninety days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than 150 days per year, the minor will be considered to be an eligible visitor and not a family member.

If both parents reside in Public Housing, only one parent would be able to claim the child for deductions and for determination for the occupancy standards.

#### H. REMAINING MEMBER OF TENANT FAMILY-RETENTION OF UNIT

To be considered the remaining member of the tenant family, the person must have been previously approved by the PHA to be living in the unit.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the Family.

In order for a minor child to continue to receive assistance as a remaining family member:

The minor must be legally married; or

The PHA has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the unit to care for the child(ren) for an indefinite period.

A reduction in family size may require a transfer to an appropriate unit size per the Occupancy Standards.

## I. CHANGES IN UNIT SIZE

The PHA shall grant exceptions from the occupancy standards if the family requests and the PHA determine the exceptions are justified according to this policy.

The PHA will not assign a larger bedroom size due to additions of family members other than by birth, adoption, marriage or court-awarded custody or addition of a live-in aide,

The PHA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms, when an exception is requested.

When an approvable change in the circumstances in a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List. (Reference chapter on Occupancy Standards)

## J. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES

Under the Non-citizens Rule, "Mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

"Mixed" families who were participants on June 19, 1995, shall continue receiving full assistance if they meet the following criteria:

The head of household, co-head, or spouse is a U. S. citizen or has eligible immigrant status;  
AND

The family does not include any ineligible immigrants other than the head or spouse, or parents or children of the head, co-head, or spouse.

Mixed families who qualify for continued assistance after November 29, 1996 may receive prorated assistance only.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance (See Chapter titled "Factors Related to Total Tenant Payment Determination"). The PHA may no longer offer temporary deferral of termination (See Chapter on "Lease Terminations").

## CHAPTER 12

### LEASE TERMINATIONS

The PHA may terminate tenancy for a family because of the family's action or failure to act in accordance with HUD regulations (24CFR966.4(1)(2), and the terms of the lease. This Chapter describes the PHA's policies for notification of lease termination and provisions of the lease.

#### A. TERMINATION BY TENANT

The tenant may terminate the lease by providing the PHA with a written fifteen (15) day advance notice as defined in the lease agreement.

#### B. TERMINATION BY PHA

The public housing lease is automatically renewable, EXCEPT the public housing lease shall have a 12-month term for Community Service and will not be renewed in the case of noncompliance with the Community Service requirements. (See chapter 15 for Community Service)

The lease may be terminated by the PHA at any time by giving written notice for serious or repeated violation of material terms of the lease, (such as, but not limited to the following):

Nonpayment of rent or other charges due under the Lease;

Failure to provide timely and accurate statements of income, assets, expenses, and family composition at Admission, Interim Rent Adjustments, Annual Rent Recertifications, and Knowingly providing false information;

Assignment or subleasing of the premises or providing accommodation for boarders or lodgers;

Use of the premises for purposes other than solely as a dwelling unit for the Tenant and Tenant's household as identified in the Lease, or permitting its use for any other purposes;

Failure to abide by necessary and reasonable rules made by the Housing Authority for the benefit and well being of the Housing development and the Tenants;

Failure to abide by applicable building and housing codes materially affecting health or safety;

Failure to dispose of garbage, waste, and rubbish in a safe and sanitary manner;

Failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning, and other equipment, including elevators, in a safe manner;

Acts of destruction, defacement, or removal of any part of the premises, or failure to cause guests to refrain from such acts;

Failure to pay reasonable charges (other than for normal wear and tear) for the repair of damages to the premises buildings, facilities, equipment, or common areas; or

The Tenant, any member of the Tenant's household, or a guest or other person under the Tenant's control shall not engage in criminal activity, including drug-related criminal activity, **on or off** public housing premises (as defined in the lease), while the Tenant is a Tenant in public housing, and such criminal activity shall be cause for termination of tenancy. The term "drug-related criminal activity" means the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use, a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U. S. C. 802)).

If contraband or a controlled substance is seized on the above premises, incidental to a lawful search or arrest, the Housing Authority will be notified by the County Attorney's Office that it is to bring an unlawful detainer action against that Tenant. The Housing Authority will then commence unlawful detainer procedures to terminate the Lease.

Alcohol abuse that the Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Non-compliance with Non-Citizen Rule requirements.

Other good cause.

## C. NOTIFICATION REQUIREMENTS

The PHA's written Notice of Lease Termination will state the reason for the proposed termination, the date that the termination will take place, and it will offer the resident all of the rights and protections afforded by the regulations and this policy. (See Chapter on Complaints, Grievances, and Hearings.)

Notices of lease termination shall be in writing and delivered to tenant or adult member of the household or sent by first class mail properly addressed to tenant return receipt requested.

The return of the certified mail receipt, whether signed or unsigned, shall be considered to be proof that the resident received proper notification.

The notice shall contain a statement describing the resident's right to meet with the manager to determine whether a reasonable accommodation would eliminate the need for a lease termination.

## TIMING OF THE NOTICE

If the PHA terminates the lease, written notice will be given as follows:

At least fifteen (15) calendar days prior to termination in the case of failure to pay rent;

A reasonable time, according to State Law, considering the seriousness of the situation when the health or safety of other residents or PHA employees is threatened;

At least Thirty (30) days prior to termination in all other cases.

The PHA shall notify the Post Office that mail should no longer be delivered to the person who was evicted for criminal activity, including drug-related activity.

## CRIMINAL ACTIVITY

The PHA will immediately and permanently terminate tenancy of persons convicted of manufacturing or producing methamphetamine of the premises of the Assisted housing development in violation of any Federal or State Law. "Premises" is defined as the building or complex in which the dwelling unit is located including common areas and grounds.

The PHA will terminate assistance of participants in cases where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that interferes with health, safety, or right to peaceful enjoyment of the premises by other residents. This includes cases where the PHA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

"Engaged in or engaging in or recent history of" drug-related criminal activity means any act within the past three (3) years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

"Engaged in or engaging in or recent history of" criminal activity means any act within the past three (3) years by applicants or participants, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the public housing premises by other residents or employees of the PHA, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

Resident is fleeing to avoid prosecution, custody or confinement after conviction for a felony, or is violating a condition of probation or parole imposed under State or Federal law.

In evaluating evidence of negative behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

The PHA may permit continued occupancy provided the family accepts imposed conditions that the involved family member(s) does not reside in the unit. The PHA will consider evidence that the person is no longer in the household such as a (divorce decree/incarceration/death/copy of a new lease for the person including the owner's telephone number and address/or other substantiating evidence).

The Housing Authority will NOT evict a resident when the criminal activity is directly related to domestic violence unless the Housing Authority can prove that there is an imminent threat if the resident is not evicted.

#### D. RECORD KEEPING

A written record of every termination and/or eviction shall be maintained by the PHA, and shall contain the following information:

Name of resident, number and identification of unit occupied;

Date of the Notice of Lease Termination and any other notices required by State or local law; these notices may be on the same form and will run concurrently;

Specific reason(s) for the notices, citing the lease section or provision that was violated, and other facts pertinent to the issuing of the Notices described in detail (other than the Criminal History Report);

Date and method of notifying the resident;

Summaries of any conferences held with the resident including dates names of conference participants, and conclusions.

#### E. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS

Families who were participants on June 19, 1995, but are ineligible for continued assistance due to the ineligible immigration status of all members of the family, or because a “mixed” family chooses not to accept proration of assistance, were eligible for temporary deferral of termination of assistance to permit the family additional time for transition to affordable housing.

Deferrals may have been granted for intervals not to exceed six (6) months, up to an aggregate maximum of three (3) years for deferrals granted prior to November 29, 1996.

However, due to the timeframe applicable to the deferral period, current families are no longer eligible for deferral of termination of assistance.

Families will be notified in writing as least sixty (60) days in advance of the expiration of the deferral period that termination of assistance will not be deferred because:

Granting another deferral will result in an aggregate deferral period of longer than the statutory maximum (three years for deferrals granted before November 29, 1996; 18 months for deferrals granted after November 29, 1996), or

A determination has been made that other affordable housing is available.

If the PHA determines that a family member has knowingly permitted an ineligible individual to reside in the family’s unit on a permanent basis, the family’s assistance will be terminated for 24 months. This provision does not apply to a family if the eligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

## CHAPTER 13

### COMPLAINTS, GRIEVANCES, AND APPEALS

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of the PHA. This Chapter describes the policies to be used when families disagree with a PHA decision. It is the policy of the PHA to ensure that all families have the benefit of all protections due to them under the law.

Grievances shall be handled in accordance with the PHA's approved Grievance Procedures. The written grievance procedure is incorporated into this document by reference and is the guideline to be used for grievances and appeals.

#### A. COMPLAINTS

The JEFFERSON COUNTY HOUSING AUTHORITY will respond promptly to all complaints.

Each complaint regarding physical condition of the units may be reported by phone to the Housing Authority Management Office. Anonymous complaints are checked whenever possible. The Housing Authority does require that complaints be put in writing. If the tenant/applicant is a person with a disability, they can provide complaint information in a format other than writing.

**Complaints from Families:** If a family disagrees with an action or inaction of the Housing Authority, complaints will be referred to the Executive Director. Complaints regarding physical condition of the units may be reported by phone to the Occupancy Department.

**Complaints from Staff:** If a staff person reports a family is violating or has violated a lease provision or is not complying with program rules, the complaints will be referred to the Occupancy Department.

**Complaints from the General Public:** Complaints or referrals from persons in the community in regard to the Housing Authority or a family will be referred to the Executive Director.

Anonymous complaints will be checked whenever possible.

#### B. APPEALS BY APPLICANTS

Applicants who are determined ineligible, who do not meet the Housing Authority's admission standards, or where the Housing Authority does not have an appropriate size and type of unit in its inventory will be given written notification promptly, including the reason for the determination.

Ineligible applicants will be promptly provided with a letter detailing their individual status, stating the reason for their ineligibility, and offering them an opportunity for an informal hearing.

Applicants must submit their request for an informal hearing in writing to the Housing Authority within five (5) working days from the date of the notification of their ineligibility.

If the applicant requests an informal hearing, the Housing Authority will provide an informal hearing within ten (10) days of receiving the request. The Housing Authority will notify the applicant of the place, date, and time.

Informal hearings will be conducted by an impartial hearing officer. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility.

The applicant may bring to the hearing any documentation or evidence she/he wishes and the evidence along with the data compiled by the Housing Authority will be considered by the hearing officer.

The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within ten (10) working days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

#### C. APPEALS BY TENANTS

Grievances or appeals concerning the obligations of the tenant or the Housing Authority under the provisions of the lease shall be processed and resolved in accordance with the Grievance Procedure of the Housing Authority, which is in effect at the time such grievance or appeal arises.

#### D. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NONCITIZENS"

Assistance to the family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family member claims to be an eligible immigrant and the INS SAVE System and manual search do not verify the claim, the PHA notifies the applicant or tenant within ten (10) days of their right to appeal to the INS within thirty (30) days or to request an informal hearing with the PHA either in lieu of or subsequent to the INS appeal.

If the family appeals to the INA, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within fourteen (14) days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen (14) days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in the PHA's Grievance Procedures Policy for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are not other eligible family members the PHA will:

Deny the applicant family.

Defer termination if the family is a participant and qualifies for deferral.

Terminate the participant if the family does not qualify for deferral.

If there are eligible members in the family the PHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing prior to the termination.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

## CHAPTER 14

### FAMILY DEBTS TO THE JEFFERSON COUNTY HOUSING AUTHORITY

This Chapter describes the PHA's policies for the recovery of monies which have been underpaid by families. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the PHA's policy to meet the informational needs of families, and to communicate the program rules in order to avoid family debts. Before a debt is assessed against a family, the file must contain documentation to support the PHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family or other interested parties.

When families owe money to the PHA, the PHA will make every effort to collect it. The PHA will use a variety of collection tools to recover debts including, but not limited to:

- Requests for lump sum payments
- Payment agreements
- Collection agencies
- Credit bureaus

#### A. PAYMENT AGREEMENT FOR FAMILIES

A payment agreement as used in this Plan is a document entered into between the PHA and a person who owes a debt to the PHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of payment, any special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

The maximum length of time the PHA will enter into a payment agreement with a family is twelve months.

The PHA will use a sliding scale system to determine the monthly payment. (Amount owed divided by 12 equals monthly payment)

#### LATE PAYMENTS

A payment will be considered to be in arrears if:

The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's payment agreement is in arrears, the PHA will:

- Require the family to pay the balance in full;

#### Terminate tenancy

If the family requests a transfer to another unit and has a payment agreement in place and the payment agreement is not in arrears:

The family will be required to pay the balance in full prior to the unit transfer.

There are some circumstances in which the PHA will not enter into a payment agreement. They are:

If the family already has a payment agreement in place.

If the PHA determines that the family has committed program fraud.

If the PHA determines that the debt, due to fraud or failure to report income, is so large that it would take more than 12 months to repay.

#### GUIDELINES FOR PAYMENT AGREEMENTS

Payment agreements will be executed between the PHA and the head of household.

No transfer will be approved until the debt is paid in full unless the transfer is the result of the following causes, and the payment is current:

Family size exceeds the maximum occupancy guidelines

A natural disaster

#### ADDITIONAL MONIES OWED

If the family has a payment agreement in place and incurs an additional debt to the PHA:

The PHA will not enter into more than one payment agreement at a time with the same family.

#### B. DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

HUD's definition of program fraud and abuse is a single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead.

#### FAMILY ERROR/LATE REPORTING

Families who owe money to the PHA due to the family's failure to report increases in income will be required to repay in accordance with the guidelines in the Payment Section of this Chapter.

#### PROGRAM FRAUD

Families who owe money to the PHA due to program fraud will be required to repay in accordance with the guidelines in Section A of this Chapter.

If a family owes an amount that equals or exceeds \$5,000 as a result of program fraud, the case will be referred to the Inspector General. Where appropriate, the PHA will refer the case for criminal prosecution.

#### PAYMENT PROCEDURES FOR PROGRAM FRAUD

Families who commit program fraud (or untimely reporting of increases in income) will be subject to the following procedures:

The maximum time period for payment agreement will be twelve months.

The minimum monthly payment will be \$25.00.

The amount of the monthly payment will be determined in accordance with the family's current income.

#### C. WRITING OFF DEBTS

Debts will be written off if:

The debtor's whereabouts are unknown.

A determination is made that the debtor is judgment proof.

The debtor is deceased.

The debtor is confined to an institution indefinitely or for more than one year.

## CHAPTER 15

### COMMUNITY SERVICE

#### A. REQUIREMENT

It is the policy of the Jefferson County Housing Authority that all residents not identified as being exempt are required as a condition of their continued occupancy in public housing managed by the Authority, to perform 8 hours of community service and/or participate in 8 hours of self-sufficiency program per

month. The lease used by the Authority has been modified to include this provision. The lease will be automatically renewable except for non-compliance with the community service requirement. Failure to perform the required community service and/or participate in a self-sufficiency program can result in non-renewal of the lease and eviction, within the provisions of the QHWRA Act.

It is also the policy of the Jefferson County Housing Authority to allow a family determined to be in non-compliance with the community service provision to cure the non-compliance through a written agreement with the Housing Authority.

In order to be eligible for continued occupancy, each adult family member must either:

1. Contribute eight hours per month of community service  
(Not including Political activities)
2. Participate in an economic self-sufficiency program.
3. Or, perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

#### B. EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

1. Family members who are 62 or older.
2. Family members who are blind or disabled as defined under 216 (I) (1) of 1614 of the Social Security Act (42 USC 416 (I) (1) and who certify that because of this disability she/he is unable to comply with the community service requirement.
3. Family members who are the primary care giver for someone who is blind or disabled as set forth in paragraph 2 above.
4. Family members engaged in work activity.
5. Family members who are exempt from work activity under Part A, Title IV of the Social Security Act or under any other State Welfare program, including the Welfare-to-Work Program.
6. Family members receiving assistance, benefits or services, under a State

Program funded under Part A, Title IV of the Social Security Act or under any other State Welfare Program, including Welfare-to-Work and who are in compliance with the program.

### C. DEFINITIONS

Is the caretaker of a disabled person;  
Is working at least 20 hours per week; or  
Is participating in a welfare to work program.

### D. NOTIFICATION OF THE REQUIREMENT

The Jefferson County Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Jefferson County Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after

April 1, 2001. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective, had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

#### E. REQUIREMENT OF THE PROGRAM

1. The eight (8) hours per month may be either volunteer work or self sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month, an individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The Authority will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the jurisdictional area of the Authority.
4. Family obligations:

At lease execution or re-examination after February 1, 2000, all adult members (18 or older) of a public housing resident family must:

Provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and

Sign a certification that they have received and read this policy and understand that if they are not exempt failure to comply with the Community Service requirement will result in nonrenewal of their lease.

At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the Authority) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.

If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with the Authority to make up the deficient hours over the next twelve (12) month period.

5. Change in exempt status:

If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the Authority and provide documentation of such.

If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to the Authority. The Authority will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

F. VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Jefferson County Housing Authority has identified a list of volunteer community service agencies its residents may wish to contact:

Community Action Incorporated  
Retired Senior Volunteer Program (RSVP)  
Head Start Program  
Salvation Army  
Red Cross  
Even Start  
Area Agencies on Aging  
Community Center  
Mulberry Square

Together with the resident advisory councils, the Housing Authority may create Volunteer positions such as hall monitoring, grounds monitoring, and collecting and recording volunteer data.

G. THE PROCESS

At the first annual reexamination on or after April 1, 2001 and each annual reexamination thereafter, the Jefferson County Housing Authority will do the following:

## CHAPTER 17

### PROGRAM INTEGRITY ADDENDUM

The US Department of HUD conservatively estimates that 200 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental subsidy than they are entitled to under the law. HUD further estimates that 12% of all HUD assisted families are either totally ineligible, or are receiving benefits that exceed their legal entitlement. The PHA is committed to assure that the proper level of benefits is paid to all tenants and that housing is committed to assure that the proper level of benefits is paid to all tenants and that housing resources reach only income-eligible families so that program integrity can be maintained.

The PHA will take all steps necessary to prevent fraud, waste and mismanagement, so that program resources are utilized judiciously.

This chapter outlines the PHA's policies for the prevention, detection and investigation of program abuse and tenant fraud.

#### A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will the PHA undertake an inquiry or an audit of a tenant family arbitrarily. The PHA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The PHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the PHA has a responsibility to HUD, to the community and to eligible families in need of housing assistance, to monitor tenants' lease obligations for compliance and when indicators of possible abuse come to the PHA's attention, to investigate such claims.

The PHA will initiate an investigation of a tenant family only in the event of one or more of the following circumstances:

**Referrals, Complaints or Tips:** The PHA will follow up on referrals from other agencies, companies or person(s) which are received by mail, by telephone or in person, which allege that a tenant family is in non-compliance with or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the tenant file.

**Internal File Review:** A follow-up will be made if PHA staff discovers (as a function of a (re) certification, an interim redetermination or a quality control review) information or facts, which conflict with previous, file data, the PHA's knowledge of the family or is discrepant with statements made by the family.

**Verification or Documentation:** A follow-up will be made if the PHA

receives independent verification or documentation which conflicts with representations in the tenant file (such as public record information or credit bureau reports, reports from other agencies.

#### B. STEPS THE PHA WILL TAKE TO PREVENT PROGRAM ABUSE & FRAUD

The management and occupancy staff will utilize various methods and practices (listed below) to prevent program abuse, non-compliance and willful violations of program rules by applicants and tenant families. This policy objective is to establish confidence and trust in management by emphasizing education as the primary means to obtain compliance by tenant families.

*Things You Should Know:* This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all applicants to promote Rules, and to clarify the PHA's expectations for cooperation and compliance.

**Program Orientation Session:** Mandatory orientation sessions will be conducted by the site manager for all prospective tenants either prior to or upon execution of the lease. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Lease-up Check-list" to confirm that all rules and pertinent regulations were explained to them.

**Resident Counseling:** The PHA will routinely provide tenant counseling as part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

**Review and explanation of forms:** Staff will explain all required forms and review The contents of all (re) certification documents prior to signature.

**Use of Instructive Signs and Warnings:** Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

**Tenant Certification:** All family representatives will be required to sign a "Tenant Certification" form, as contained in HUD's Tenant Integrity Program Manual.

#### C. STEPS THE PHA WILL TAKE TO DETECT PROGRAM ABUSE & FRAUD

The PHA Staff will maintain a high level of awareness to indicators of possible abuse And fraud by assisted families.

**Quality Control File Reviews:** Prior to initial certification and at the completion of all subsequent recertifications, each tenant file will be reviewed. Such reviews shall include but are not limited to:

Changes in reported Social Security Numbers or dates of birth  
Authenticity of File Documents

Ratio between reported income and expenditures  
Review of signatures for consistency with previously signed file documents

Observation: The PHA Management and Occupancy Staff (to include maintenance personnel) will maintain high awareness of circumstances, which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Public Record Bulletins: may be reviewed by Management and Staff

State Wage Data Record Keepers: Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628 the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries: Credit Bureau inquiries may be made (with proper authorization by the tenant) in the following circumstances:

At the time of final eligibility determination

When the PHA receives an allegation wherein unreported income sources are disclosed.

When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

#### D. THE PHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE & FRAUD

The PHA staff will encourage all tenant families to report suspected abuse to the Executive Director. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the tenant file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The Housing Authority will not follow up on allegations which are vague or otherwise non-specific. The PHA will only review allegations, which contain one or more independently verifiable facts.

File Review: An Internal file review will be conducted to determine:

---

If the subject of the allegation is a tenant of the PHA and if so, to determine whether or not the information reported has been previously disclosed by the family.

It will then be determined if the PHA is the most appropriate authority to do a follow-up (more so than police or social services) any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review: If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with file data, and the facts are independently verifiable, the Executive Director will initiate an investigation to determine if the allegation is true or false.

#### E. HOW THE PHA WILL INVESTIGATE ALLEGATIONS OF ABUSE & FRAUD

If the PHA determines that an allegation or referral warrants follow-up, either the staff Person who is responsible for the file or a person designated by the Executive Director To monitor the program compliance will conduct the investigation. The steps taken will Depend upon the nature of the allegation and may include, but are not limited to the items listed below. In all cases, the PHA will secure the written authorization from the Program participant for the release of information.

Credit Bureau Inquiries: In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity which conflicts with the reported income of the family.

Verification of Credit: In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-employers: Employers or ex-employers may be contacted to verify wages which may have been previously undisclosed or misreported.

Neighbors/Witnesses: Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the PHA's review.

Other Agencies: Investigators, caseworkers or representative of other benefit agencies may be contacted.

Public Records: If relevant, the PHA will review public records kept in any jurisdictional courthouse. Examples of public records, which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

Interviews with Head of Household or Family Member: The PHA will discuss the allegation (or details thereof) with the Head of Household or family member by scheduling an appointment at the appropriate PHA office. The PHA staff will maintain a high standard of courtesy and professionalism. Under no circumstances will inflammatory language, accusation or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

#### F. PLACEMENT OF DOCUMENTS, EVIDENCE & STATEMENTS OBTAINED BY THE PHA

Documents and other evidence obtained by the PHA during the course of an investigation will be considered "work product" and will either be kept in the tenant file or in a

separate “work file”. In either case, the tenant file or work file shall be kept in a locked file cabinet. Such cases under review will not be discussed among PHA Staff unless they are involved in the process, or have information which may assist in the investigation.

#### G. CONCLUSION OF THE PHA’S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the Executive Director or designee. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive.

#### H. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

- The type of violation. (Procedural, non-compliance, fraud)
- Whether the violation was intentional or unintentional
- What amount of money (if any) is owed by the tenant
- Is the family eligible for continued occupancy

#### I. ACTION PROCEDURES FOR VIOLATION WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the PHA will propose the most appropriated remedy based upon the type and severity of the violation.

#### PROCEDURAL NON-COMPLIANCE

This category applies when the tenant “fails to” observe a procedure or requirement of the PHA, but does not misrepresent a material fact, and there is no retroactive rent owed by the family.

Examples of non-compliance violations are:

- Failure to appear at a pre-scheduled appointment
- Failure to return verification in the time period specified by the PHA

Warning Notice to the Family: In such cases a notice will be sent to the family which contains the following:

A description of the non-compliance and the procedure, policy or obligation which was violated.

The date by which the violation must be corrected or the procedure complied with.

The action which will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA.

The consequences of repeated (similar) violations.

#### PROCEDURAL NON-COMPLIANCE: RETROACTIVE RENT

When the tenant owes money to the PHA for failure to report changes to income or assets, The PHA will issue a Notification of Underpaid Rent. This Notice will contain the following:

- A description of the violation and the date(s)
- Any amounts owed to the PHA
- A ten-day response period
- The right to disagree and to request an informal hearing with instructions for the request of such hearing

Tenant Fails to Comply with PHA's Notice: If the tenant fails to comply with the PHA's notice and a material provision of the lease has been violated, the PHA will initiate termination of tenancy.

Tenant Complies with PHA's Notice: When a tenant complies the PHA's notice, the staff person responsible will meet with him/her to discuss and explain the obligation or lease provision, which was violated. The staff person will complete a Tenant Counseling Report, give one copy to the family and retain a copy in the tenant file.

#### INTENTIONAL MISREPRESENTATIONS

When a tenant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an underpayment of rent by the tenant, the PHA will evaluate whether or not:

- The tenant had knowledge that his/her actions were wrong, and the tenant willfully violated the lease or the law.

Knowledge that the action or inaction was wrong: This will be evaluated by determining if the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certifications, briefing certificate, Personal Declaration and *Things You Should Know* are adequate to establish knowledge of wrongdoing.

The tenant willfully violated the law: Any of the following circumstances will be considered adequate to demonstrate willful intent.

- An admission by the tenant of misrepresentation
- That the act was done repeatedly.
- If a false name or Social Security Number was used
- If there were admissions to others of the illegal action or omission
- That the tenant omitted material facts, which were known to them (e.g., employment of self or other household member)

That the tenant falsified, forged or altered documents  
That the tenant uttered and certified to statements at a rent (re) determination which were later independently verified to be false.

#### TENANT CONFERENCE FOR SERIOUS VIOLATIONS & MISREPRESENTATION

When the PHA has established that material misrepresentation(s) have occurred, a Tenant conference will be scheduled with the family representative and the PHA staff person who is most knowledgeable about the circumstances of the case.

This conference will take place prior to any proposed action by the PHA. The purpose of such conference is to review the information and evidence obtained by the PHA with the tenant and to provide the tenant an opportunity to explain any document findings which conflict with representations in the tenant file. Any documents or mitigating circumstances presented by the tenant will be taken into consideration by the PHA. The tenant will be given ten days to furnish any mitigating evidence.

A secondary purpose of the Tenant Conference is to assist the PHA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the PHA will consider:

- The duration of the violation and number of false statements
- The tenant's ability to understand the rules
- The tenant's willingness to cooperate and to accept responsibility for his/her actions
- The amount of money involved
- The tenant's past history
- Whether or not criminal intent has been established
- The number of false statements

#### DISPOSITION OF CASES INVOLVING MISREPRESENTATION

In all cases of misrepresentation involving efforts to recover monies owed, the PHA may Pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Criminal Prosecution: If the PHA has established criminal intent and the case meets the criteria for prosecution, the PHA may:

- Refer the case to HUD's RIGI and terminate rental assistance

Administrative Remedies: The PHA may:

- Terminate tenancy and demand payment of restitution in full

#### NOTIFICATION OF CASES INVOLVING MISREPRESENTATION

The PHA will notify the tenant of the proposed action no later than twenty (20) days after the Tenant conference by certified mail.

### “ONE STRIKE AND YOU’RE OUT”

#### Zero Tolerance Policy in Screening Applicants for Admission and Eviction of Residents

STATEMENT OF PURPOSE - In accordance with provisions of U.S. Department of Housing and Urban Development Notice PIH 96-27 issued May 15, 1996, the Jefferson County Housing Authority (herein referred to as the HA) hereby adopts the Occupancy Provisions of the Housing Opportunity Program Extension Act of 1996, which was signed into law March 28, 1996. Section 9 of this law contains requirements related to safety and security in public housing that go beyond previous requirements related to screening of applicants, lease provisions, and evictions of residents. These new requirements are consistent with HUD’s determination to take every reasonable step to help Public Housing Authorities promote safer public housing. Accordingly, the following procedures shall serve as additions, supplements, or changes, as appropriate, to the Authority’s Admissions and Continued Occupancy Policies (ACOP), the Dwelling Lease, and the Grievance Procedure.

#### SCREENING OF APPLICANTS

Policy - It is the policy of this Housing Authority that each applicant for housing in its dwelling units shall be screened in accordance with its existing policies contained in the Admissions and Continued Occupancy Policies (ACOP), and additionally that appropriate screening shall be conducted so that admission shall be denied to a public housing applicant who:

1. Has a recent history of criminal activity involving crimes to persons or property and/or other criminal acts that affect the health, safety, or right to peaceful enjoyment of the premises by other residents.
2. Was evicted from assisted housing within three years of the projected date of admission because of drug-related criminal activity.
3. The Housing Authority determines an applicant is illegally using a controlled substance.

4. The Housing Authority has reasonable cause to believe an applicant illegally uses a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The terms “appropriate screening” refers to the Housing Authority’s applying discretion to consider all available information when making a decision to deny admission.

To implement this policy, the Housing Authority, in addition to existing screening procedures, also will utilize the following procedures:

- A. **CRIMINAL HISTORY** - The applicant and all adults listed on the application must sign a release allowing the HA to request a copy of a criminal history report from Intellicorp to act on their behalf to undertake the criminal record screening to determine if the applicant has a criminal record, and local police department or other law enforcement agencies. The HA then shall make request to the appropriate agency for a criminal history report or local police records. In general, if applicants are known to have been residents of the local area for the past 20 years, the request shall be made to the local police department which shall access its own records to provide any available criminal history and any available record of local complaints or incidents involving the applicant. If the HA uses information contained in a criminal history report as grounds for denying housing assistance and the applicant requests an informal hearing on the denial, a copy of the criminal history will be provided to the applicant at the hearing, if permitted by local state, or federal law, and the applicant shall be allowed to dispute the accuracy or relevancy of the criminal history report. The Criminal Records Management Policy attached as Exhibit 1 becomes a part of this policy.
- B. **ILLEGAL USE OF A CONTROLLED SUBSTANCE** - Admission shall be Denied to any person who the HA determines is illegally using a controlled substance. In addition to any information regarding illegal use of a controlled substance that appears on the criminal history report, the HA also shall rely upon information obtained from other sources, such as local police incident reports, landlords, employers, social service agencies, substance abuse centers, acquaintances (including current residents) who may contact the HA to volunteer information, HA records of complaints received about drug activities involving any of its residents in which the applicant is a participant of such activities, or any other appropriate source. The HA shall examine carefully all such information obtained from other sources to determine that there is reasonable cause to believe that the person’s pattern of illegal use of a controlled substance may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- C. **ALCOHOL ABUSE** - Admission shall be denied to any person when the HA determines that there is reasonable cause to believe that the person’s pattern of abuse of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. In making such determination the HA shall rely upon relevant information obtained from local law enforcement agencies, social service agencies, landlords, employers, alcohol abuse centers, acquaintances (including current residents) who may contact

the HA to volunteer information, or any other appropriate source. The HA shall examine carefully all such information obtained to determine whether it has reasonable cause to believe that the person's pattern of abuse of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

D. **WAIVER OF POLICIES** - The HA may waive policies prohibiting admission if the person demonstrates to the HA's satisfaction that the person no longer is engaging in illegal use of a controlled substance or abuse of alcohol and:

- Has successfully completed a supervised drug or alcohol rehabilitation Program.
- Has otherwise been rehabilitated successfully; or
- Is participating in a supervised drug or alcohol rehabilitation program.

E. **INELIGIBILITY IF EVICTED FOR DRUG-RELATED ACTIVITY** -

Persons evicted from public housing, Indian housing, Section 23, or any Section 8 program because of drug-related criminal activity are ineligible for admission to public housing for a three-year period beginning on the date of such eviction. (Drug-related criminal activity is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use of a controlled substance) The HA shall use information contained in its own files, or information obtained from other housing agencies to make a determination that the person ineligible. This requirement may be waived if:

- The person demonstrates successful completion of a rehabilitation program approved by the HA, or
- The circumstances leading to the eviction no longer exist. For example the individual involved in drugs no longer is in the household because the person is incarcerated.

F. **DISABILITY NOT AN ISSUE** - The purpose of the above applicant Screening procedures is to prohibit admission to the HA's housing of any Person that it determines to be likely to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. In considering the elements leading to the determination, the HA shall not focus on whether the applicant happens to have a disability; rather, the focus shall be on whether the person's recent behavior indicates that he or she likely would continue to engage in behavior that would be in non-compliance with the dwelling lease.

#### **TERMINATING ASSISTANCE TO TENANTS (EVICTIONS)**

**POLICY** - It is the policy of this Housing Authority to appropriately evict a public housing resident who:

- Engages in any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents:
- Engages in any drug-related criminal activity on or off the HA's property
- The HA determines is illegally using a controlled substance, or the resident abuses alcohol or uses a controlled substance in such a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The term "appropriately" refers to the HA's consistent application of discretion to consider all known circumstances in making its decision to evict.

The following procedures will be followed in implementing the provisions of this policy:

- A. **APPLICABILITY** - The policy of the HA is to terminate the lease and evict any person who has been documented as engaging in one or more of the following:
  1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants or employees of the HA
  2. Any other activity that threatens the health, safety, or right to peaceful Enjoyment of the premises by other tenants or employees of the HA.
  3. Any drug-related criminal activity on or off the premises.
  4. Illegal use of a controlled substance; or
  5. Alcohol abuse that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- B. **DOCUMENTATION OF ACTIVITIES** - In documenting instances of activities that may be cause for termination of tenancy and eviction, the HA shall make prompt investigation into reports from other residents, HA employees, local law enforcement officers, the general public, and published reports indicating that a tenant is in non-compliance with provisions of this policy and the dwelling lease. In considering documentation obtained during its investigations, the HA should not focus on whether the tenant happens to have a disability.
- C. **EVICCTIONS A CIVIL MATTER** - In weighing the documentation and deciding whether to proceed with termination of tenancy and eviction proceedings in local court, the HA must determine whether sufficient grounds exist to initiate the action. Evictions are civil, not criminal, matters. The HA is not required to meet the criminal standard of "proof beyond a reasonable doubt". In order to terminate a lease and evict a tenant, a criminal conviction or arrest is not necessary. Before initiating termination of tenancy and eviction action, the HA should have sufficient documentation to prove court that a resident has violated his or her dwelling lease before taking eviction action.
- D. **DUE PROCESS RIGHTS** - HUD has made a determination that the State of Pennsylvania, landlord-tenant process provides the necessary pre-eviction hearing and other basic elements of due process. Therefore, the HA can exclude from its grievance procedures any cases involving termination of tenancy for any activity, not just a criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises by

other tenants or employees of the HA; or any drug-related criminal activity on or off such premises, not just on or near such premises. Therefore, it shall be the policy of this HA to exclude the foregoing from the grievance procedure, and to proceed directly to court for eviction.

- E. NOTICE OF TERMINATION OF TENANCY AND EVICTION - Once the HA has determined that there is sufficient documented justification to proceed with termination of tenancy and eviction in cases involving (a) any criminal activity or other activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the HA, or (b) any drug-related criminal activity on or off the HA's premises, the HA shall promptly issue notification to the resident specifying: (1) that the tenant is in serious violation of the terms and conditions of the dwelling lease and are grounds for termination of tenancy; (2) the lease provisions that the tenant has violated; (3) that the HA is terminating tenancy as of a specified date (which may be from one day to seven days from the date of the notice, depending upon the seriousness of the violations); (4) that the termination action is not subject to the grievance procedure; (5) that if the resident has not vacated the premises by the date specified in the notice, then the HA will file eviction proceedings in court; and (6) that prior to the judicial hearing, the tenant or is counsel may request copies of any relevant documents, records (including criminal records) upon which the HA is relying as bases for the termination of tenancy or eviction.

#### MODIFICATIONS TO THE ACOP, DWELLING LEASE, AND GRIEVANCE PROCEDURES

- A. The Admissions and Continued Occupancy Policies (ACOP), the Dwelling Lease, and the Grievance Procedure are being modified to incorporate the provisions of this "One Strike and You're Out" Policy.
- B. The modifications referred to in A. Above shall become effective following Notice to resident and the 30-day comment period.
- C. Lease modifications may be in the form of a new lease or a rider to the Existing lease. Tenants will be required to execute the new lease/addendum by no later than their next reexamination.

#### OTHER CONSIDERATIONS

- A. When a lease is executed, the explanation of lease provisions that is given to new tenant will include the importance of abiding by all terms of the lease, including the "One Strike" provisions. At the time of adoption of these policies, current residents will have been informed of the "One Strike" policies.
- B. COOPERATION FROM RESIDENTS - Residents shall be encouraged to

Come forward with complaints and information regarding any residents who are in violation of any provisions of the “One Strike” policy. Residents who furnish such information should be informed that if sufficient grounds for eviction appear to exist, then their testimony may be required in court, and they must agree to testify if needed.

- C. **COOPERATION FROM JUDGES** - While it is inappropriate to talk with Judges about particular pending cases, it is appropriate for the Housing Authority to arrange a general meeting with local judges to discuss the issues and reasons for development of this “One Strike” policy as it relates to evictions of disruptive residents and his need for evictions where the evidence shows serious lease violations. Concerned residents shall be encouraged to participate in any such general meeting with judges.
- D. **COOPERATION FROM LAW ENFORCEMENT AGENCIES** - Meetings Should be arranged between the Housing Authority and the local Police Department to inform the law enforcement agency of public housing needs and problems, and work out administrative arrangements so that full and expeditious cooperation occurs. If such an arrangement is not currently in existence, the Housing Authority should request that police: (1) promptly provide Housing Authority management with relevant incident reports for timely eviction processing; (2) help the Housing Authority expedite drug identification in serious cases; and (3) prepare for cases as needed with Housing authority attorneys. To this end, the police personnel must know exactly what criminal activities are grounds for lease termination so they can keep the Housing Authority informed when such behavior occurs. The Police Department should be encouraged to view police testimony in eviction cases involving criminal an/or disruptive behavior as an important part of the department’s mission. Where appropriate, the Housing Authority should use subpoenas to facilitate police testimony. Additionally, the Police Department should be requested to supply additional patrols to public housing communities with special needs, where it is economically feasible for the Police Department to do so.
- E. **SUPPLEMENTATION OF EXITING POLICE SERVICE** - As opportunities May arise, the Housing Authority should investigate the feasibility of applying for additional funding from sources such as the Public Housing Drug Elimination Program, CFP programs, and other appropriate programs in order to obtain funds to provide additional police services in addition to existing services.
- F. **WORKING WITH RESIDENT ORGANIZATIONS** - To the maximum Extent feasible, the Housing Authority shall involve its residents, through the resident organizations, in working together to further the goals of the “One Strike” policy. The Housing Authority and residents may develop an arrangement whereby a resident screening advisory commit may be established. Any such arrangement developed must be approved by the Housing Authority Board of Commissions prior to its implementation. Any such committee that is formed may advise the Housing Authority regarding the suitability of applicants; however, the Housing Authority must remain responsible for the final decision to admit or decline a potential resident. Additionally, the Housing Authority must assure that the tenant screening advisory committee complies with privacy laws and other legal standards.

- G. **CONFIDENTIALITY OF CRIMINAL RECORDS** - In administering the Provisions of the “One Strike” policy, the Housing Authority shall establish a system to ensure that any criminal record received be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.
- H. **TRACKING AND REPORTING CRIME RELATED PROBLEMS** - The Housing Authority shall maintain records in a separate file that document instances of crime related problems in its developments as such problems become known to the Authority. The documentation will include the date, time and location of each reported incident, the name of participants if known, and the details of the incident. The documentation also will contain a summary of actions taken by the Authority, including reports to the local police authorities, any meetings between the Authority staff and residents or other interested persons, any court action taken, including eviction proceedings, and the final disposition of the matter.

- B. Comprehensive working procedures.
- C. Performance goals.
- D. A work order system.
- E. A skills training program.
- F. A long-range planning system

By developing a maintenance system that has these components in place, the Housing Authority will have the tools it needs to control the performance of maintenance work at the JEFFERSON COUNTY HOUSING AUTHORITY.

### 1.1 PRIORITY SYSTEM

The work priorities adopted by the JEFFERSON COUNTY HOUSING AUTHORITY exemplify its philosophy of delivering maintenance services. This priority system ensures that the most important maintenance work is done at a time it can be performed most cost-effectively. Minimizing vacancy loss is part of the cost-effectiveness calculation. The maintenance priorities of the JEFFERSON COUNTY HOUSING AUTHORITY are the following:

- A. Emergencies
- B. Scheduled Operations and Services
- C. Vacancy Preparation
- D. Resident On-Demand Requests

Placing planned maintenance and vacancy preparation work ahead of resident work requests does not indicate that resident requests are unimportant. It emphasizes the importance of maintaining control of the maintenance work by performing scheduled routine and preventive work first. By doing so the

Housing Authority will decrease on-demand work and maintain the property in a manner that will keep and attract good tenants

Nothing in the documents listed above will prevent the Housing Authority from setting a standard that is higher than that contained in the documents.

These standards and goals will be used to evaluate current operations and performance and to develop strategies to improve performance and meet the standards that have been set.

## 1.4 WORK ORDER SYSTEM

The JEFFERSON COUNTY HOUSING AUTHORITY has a comprehensive work order system that includes all work request information: source of work, description of work, priority, cost to complete, days to complete, and hours to perform. This information is required for the Housing Authority to plan for the delivery of maintenance services as well as evaluate performance. To obtain the greatest effectiveness from the work order system, all work requests and activities performed by maintenance staff must be recorded on work orders.

Work orders contain, at a minimum, the following information:

- B. Priority assigned
- C. Location of work
- D. Date and time received
- E. Date and time assigned

- F. Worker(s) assigned

## 1.6 LONG-RANGE PLANNING

The JEFFERSON COUNTY HOUSING AUTHORITY will put in place a long-range maintenance planning capability in order to ensure the most cost-effective use of Housing Authority resources and the maximum useful life of Housing Authority properties.

The Maintenance Manager will develop a property-specific long-range planning process that includes the following components:

- A. A property maintenance standard
- B. An estimate of the work required to bring the property up to the maintenance standard.
- C. An estimate of the work required to keep the property at the maintenance standard including routine and preventive maintenance workloads, vacant unit turn-around, inspection requirements and resident on-demand work.
- D. An estimate of the on-going cost of operating the property at the maintenance standard.
- E. A needs assessment of the property to determine if there are any capital improvements needed to make the property more competitive.
- F. A cost estimate to provide the specified capital improvements.
- G. A revised work plan and cost estimate of maintaining property at the improved standard.

By developing a work plan, the Housing Authority will be able to anticipate its staff, equipment and material needs. It will also be possible to determine need for contracting particular services.

## 2.0 MAINTAINING THE PROPERTY

All maintenance work performed at the Housing Authority properties can be categorized by the source of the work. Each piece of work originates from a particular source, an emergency, the routine maintenance schedule, the preventive maintenance schedule, a unit turnover or a resident request.

## 2.1 RESPONDING TO EMERGENCIES

Emergencies are the highest priority source of work. The JEFFERSON COUNTY HOUSING AUTHORITY will consider a work item to be an emergency if the following occur:

- A. The situation constitutes a serious threat to the life, safety or health of residents or staff.
- B. The situation will cause serious damage to the property structure or systems if not repaired within twenty-four (24) hours.

If a staff member is unsure whether or not a situation is an emergency, he or she will consult with his or her supervisor. If a supervisor is not available, the employee will use his or her best judgment to make the decision.

For emergencies that occur after regular working hours, the JEFFERSON COUNTY HOUSING AUTHORITY shall have a twenty-four (24) hour emergency response system in place. This response system includes the designation of a maintenance employee in charge for each day as well as a list of qualified pre-approved contractors, open purchase orders for obtaining required supplies. The designated employee shall prepare a work order and report on any emergency within twenty-four hours after abatement of the emergency.

## 2.2 PREPARE VACANT UNITS FOR REOCCUPANCY

It is the policy of the JEFFERSON COUNTY HOUSING AUTHORITY to reoccupy vacant units as soon as possible. This policy allows the Housing Authority to maximize the income produced by its properties and operate attractive and safe properties.

The Maintenance Manager is responsible for developing and implementing a system that ensures an average turn-around time of ten (10 ) calendar days. In order to do so, he or she must have a system that can perform the following tasks:

- A. Forecast unit preparation needs based on prior years experience
- B. Estimate both the number of units to be prepared and the number of hours it will take to prepare them.
- C. Control work assignments to ensure prompt completion.

The maintenance procedure for reoccupying vacant units relies on the prompt notification by management of the vacancy, fast and accurate inspection of the unit ready availability of workers and materials, and good communication with those responsible for leasing the unit. The Maintenance Manager has the ability to create special teams for vacancy turn around or to hire contractors when that is required to maintain Housing Authority goals.

## 2.3 PREVENTIVE MAINTENANCE PROGRAM

Preventive maintenance is part of the planned or scheduled maintenance program of the JEFFERSON COUNTY HOUSING AUTHORITY. The purpose of the scheduled Maintenance program is to allow the Authority to anticipate maintenance requirements and make sure the Housing Authority can address

them in the most cost-effective manner. The preventive maintenance program focuses on the major systems that keep the properties operating.

These systems include heating and air conditioning, electrical, life safety and plumbing.

#### A. General Operating Systems

The heart of any preventive maintenance program is a schedule that calls for the regular servicing of all systems. The development of this schedule begins with the identification of each system or item that must be checked and serviced, the date it must be serviced, and the individual responsible for the work. The equipment and materials required to perform the service will be listed as well so that they will be on hand when needed. As assessment of the skills or licensing needed to perform the tasks will also be made to determine if an outside contractor must be used to perform the work. The preventive maintenance schedule must be updated each time a system is added, updated, or replaced.

#### B. Roof Repairs/Replacement

Maintenance of roofs requires regular inspections by knowledgeable personnel to ensure that there is no unauthorized address to roof surfaces and that there is good drainage, clear gutters and prompt discovery of any deficiencies.

The Maintenance Manager is responsible for the development of a roof maintenance plan that includes these features:

3. Company that installed the roof

#### E. Life Safety Systems

The JEFFERSON COUNTY HOUSING AUTHORITY shall have a comprehensive program for maintenance of life safety systems to ensure that they will be fully functional in the case of an emergency. The Maintenance Manager shall be responsible for the development and implementation of a schedule that includes the inspection, servicing and testing of this equipment. The equipment to be included in the plan includes the following:

1. Fire alarms and fire alarm systems
2. Fire extinguishers
3. Fire hoses
4. Emergency generators
5. Emergency lighting
6. Smoke detectors

The plan will include the required testing and servicing as required by manufacturer's recommendations. It will also include a determination of the most reliable and cost effective way to perform the work including the decision to hire a contractor.

### 2.4 INSPECTION PROGRAM

The JEFFERSON COUNTY HOUSING AUTHORITY goals of efficiency and cost-effectiveness are achieved through a carefully designed and rigorously implemented inspection program. This program calls for the inspection of all areas of the Housing Authority's facilities, the dwelling units, the grounds, and building exteriors, and major systems.

#### A. Dwelling Unit Inspections

The unit inspection system of the JEFFERSON COUNTY HOUSING AUTHORITY has two primary goals:

1. To assure that all dwelling units comply with standards set by HUD and local Codes,
2. To assure that the staff of the JEFFERSON COUNTY HOUSING AUTHORITY knows at all times the condition of each unit for which it is responsible.

The achievement of these goals may require more than the annual HUD required inspection. The Maintenance Manager is responsible for developing a unit inspection program that schedules inspections at the frequency required.

For all non-emergency inspection the resident shall be given at least two (2) days written notice of the inspection.

The Maintenance staff shall perform the unit inspection program of the JEFFERSON COUNTY HOUSING AUTHORITY. During each inspection the staff shall perform specified preventive and routine maintenance tasks. Any other work items noted at the time of the inspection will be documented on the JEFFERSON COUNTY HOUSING AUTHORITY inspection form. All uncompleted work items shall be converted to a work order within twenty-four (24) hours of the completion of the inspection. The Maintenance staff shall endeavor to complete all inspection-generated work items within thirty (30) days of the inspection.

All maintenance staff is responsible for monitoring the condition of dwelling units. Whenever a maintenance staff member enters a dwelling unit for any purpose, such as completing a resident request for service or accompanying a contractor, he or she shall record on an inspection form any required work he or she sees while in the apartment. These work items shall also be converted to a service request within twenty- four (24) hours of discovery.

#### B. Building and Grounds Inspections

Regular inspections of the property grounds and building exteriors are required to maintain the curb appeal of the property. This curb appeal is required to maintain the attractiveness of the property for both current and prospective residents. The inspection procedure will specify the desired condition of the areas to be inspected. This defined condition will include any HUD or locally required standards. The existence of these standards shall not prevent the Housing Authority from setting a higher standard that will make the property more competitive in the local market.

The staff member responsible for the inspection shall note all deficiencies on the form and ensure that these deficiencies are recorded on work order within twenty-four (24) hours of the inspection. The JEFFERSON COUNTY HOUSING AUTHORITY will complete all inspection generated work items within thirty (30) days of the inspection.

Nothing in this policy shall prevent any JEFFERSON COUNTY HOUSING AUTHORITY staff member from reporting any needed work that they see in the regular course of their daily activities. Such work items shall be reported to the Maintenance Manager.

#### C. Systems Inspections

The regular inspection of all major systems is fundamental to a sound maintenance program. The major systems inspection program overlaps with the preventive maintenance program in some areas. To the extent that inspections, in addition to those required for scheduled service intervals, are needed, they will be a part of the inspection schedule. Any work items identified during an inspection shall be converted to a work order within twenty-four (24) hours and completed within thirty (30) days.

### 2.5 SCHEDULED ROUTINE MAINTENANCE

The JEFFERSON COUNTY HOUSING AUTHORITY includes in this work category all tasks that can be anticipated and put on a regular timetable for completion. Most of these Routine tasks are those that contribute to the curb appeal and marketability of the property.

#### A. Pest Control/Extermination

The JEFFERSON COUNTY HOUSING AUTHORITY will make all efforts to provide a healthy and pest-free environment for its residents. The Housing Authority will determine which, if any pests infest its properties and will then provide the best possible treatment for the eradication of those pests.

The Maintenance Manager will determine the most cost-effective way of delivering the treatment, whether by contractor or licensed Housing Authority personnel.

The extermination plan will begin with an analysis of the current condition at each property. The Maintenance Manager shall make sure that an adequate schedule for treatment is developed to address any existing infestation. Special attention shall be paid to cockroaches. The schedule will include frequency and locations of treatment. Different schedules may be required for each property.

Resident cooperation with the extermination plan is essential. All apartments in a building must be treated for the plan to be effective. Residents will be given information about the extermination program at the time of move-in.

#### B. Landscaping and Grounds

The JEFFERSON COUNTY HOUSING AUTHORITY will prepare a routine maintenance schedule for the maintenance of the landscaping and grounds of its properties that will ensure their continuing attractiveness and marketability.

Routine grounds maintenance includes numerous activities:

1. Litter control
2. Lawn Care
3. Maintenance of driveways, sidewalks and parking lots
4. Care of flower and shrubbery beds and trees
5. Maintenance of playgrounds, benches and fences
6. Snow removal

The Maintenance Manager shall be responsible for the development of a routine maintenance schedule that shall include the following:

1. A list of tasks that are required to maintain that standard and the frequency with which the tasks must be performed
2. The equipment, materials, and supplies required to perform the tasks and a schedule for their procurement
3. A separate snow removal plan including a schedule for preparing equipment for the season and the procurement of other necessary materials and supplies.

#### C. Building Exteriors and Interior Common Areas

The appearance of the outside of Housing Authority buildings as well as their common areas is important to their marketability. Therefore, the JEFFERSON COUNTY HOUSING AUTHORITY has established a routine maintenance schedule to ensure that they are always maintained in good condition. The components to be maintained include:

1. Lobbies
2. Hallways and stairwells
3. Elevators
4. Public restrooms
5. Lighting fixtures
6. Common rooms and community spaces
7. Exterior porches and railings
8. Building walls
9. Windows

The Maintenance Manager is responsible for the development of a routine maintenance schedule for building exterior and interior common areas. The schedule shall be based on the following:

1. A clear standard of appearance for the building
2. A list of tasks required to maintain that standard
3. The frequency with which the tasks must be performed
4. A list of materials, equipment and supplies required to perform the tasks

## D. INTERIOR PAINTING

The appearance and condition of the paint within each unit is important to unit condition and resident satisfaction. Accordingly, the JEFFERSON COUNTY HOUSING AUTHORITY will develop a plan to ensure that interior paint in resident dwelling units is satisfactorily maintained.

As part of this plan painting standards will be developed that include:

1. Surface preparation
2. Protection of non-painted surfaces
3. Color and finish
4. Paint quality
5. Methods of application approved

The plan will set out the conditions for the consideration of a paint request.

These standards include the period of time that has elapsed since the last time the unit was painted. Alternatives for performance of the work will be included including the conditions under which a resident will be allowed to paint his or her own unit.

## 2.6 RESIDENT ON-DEMAND SERVICE

This category of work refers to all resident generated work requests that fall into no other category. These are non-emergency calls made by residents seeking maintenance service. These requests for service cannot be planned in advance or responded to before the resident calls.

It is the policy of the JEFFERSON COUNTY HOUSING AUTHORITY to complete these work requests within seven (7) days. However unless the request is an emergency or entails work that compromises the habitability of the unit, these requests will not be given a priority above scheduled routine and preventive maintenance. By following this procedure, the JEFFERSON COUNTY HOUSING AUTHORITY believes it can achieve both good resident service and a maintenance system that completes the most important work first and in the most cost effective manner.

## 3.0 CONTRACTING FOR SERVICES

The JEFFERSON COUNTY HOUSING AUTHORITY will contract for maintenance services when it is in the best interests of the Housing Authority to do so. When the employees of the Housing Authority have the time and skills to perform the work at hand they will be the first choice to perform a given task. When the employees of the Housing Authority have the skills to do the work required, but there is more work than there is time available to complete it, the Housing Authority will determine whether it is more cost effective to; use a contractor to complete the work. If the Housing Authority staff does not have the skills to complete the work, a contractor will be chosen. In the last instance, the Housing Authority will decide whether it will be cost effective to train a staff member to complete the work.

Once the decision has been made to hire a contractor, the process set out in the JEFFERSON COUNTY HOUSING AUTHORITY'S PROCUREMENT POLICY will be used. These procedures vary depending on the expected dollar amount of the contract. The Maintenance Manager will work with the Executive Director to facilitate the contract award. The most important aspect of the bid documents will be the specifications or statement of work. The clearer the specifications the easier it will be for the Housing Authority to get the work product it requires.

### **I. GENERAL PROVISIONS**

#### **General**

The Housing Authority shall: provide for a procurement system of quality and integrity; provide for the fair and equitable treatment of all persons or firms involved in purchasing by the Housing Authority; ensure that supplies and services (including construction) are procured efficiently, effectively, and at the most favorable prices available to the Housing Authority; promote competition in contracting; and assure that Housing Authority purchasing actions are in full compliance with applicable Federal standards, HUD regulations, State, and local laws.

#### **Application**

This Procurement Policy applies to all procurement actions of the Housing Authority, regardless of the source of funds, except as noted under exclusions, below. However, nothing in this Policy shall prevent the Housing Authority from complying with the terms and conditions of any grant, contract, gift or bequest that is otherwise consistent with the law. When both HUD and non-Federal grant funds are used for a project, the work to be accomplished with the funds should be separately identified prior to procurement so that appropriate requirements can be applied, if necessary. If it is not possible to separate the funds, HUD procurement regulations shall be applied to the total project. If funds and work can be separated and work can be completed by a new contract, then regulations applicable to the source of funding may be followed.

#### **Definition**

The term procurement, as used in this Policy, includes the procuring, purchasing, leasing, or renting of: (1) goods, supplies, equipment, and materials, (2) construction and maintenance; consultant services, (3) Architectural and Engineering (A/E) services, (4) Social Services, and (5) other services.

This policy does not govern administrative fees earned under the Section 8 voucher program, the award of vouchers under the Section 8 program, the execution of landlord Housing Assistance Payments contracts under that program, or non-program income, e.g., fee-for-service revenue under 24 CFR Part 990. These excluded areas are subject to applicable State and local requirements.

**Changes in Laws and Regulations**

In the event an applicable law or regulation is modified or eliminated, or a new law or regulation is adopted, the revised law or regulation shall, to the extent inconsistent with these Policies, automatically supersede these Policies.

**Public Access to Procurement Information**

Most procurement information that is not proprietary is a matter of public record and shall be available to the public to the extent provided in the Pennsylvania Right to Know Law.

**II. ETHICS IN PUBLIC CONTRACTING****General**

The Housing Authority hereby establishes this code of conduct regarding procurement issues and actions and shall implement a system of sanctions for violations. This code of conduct, etc., is consistent with applicable Federal, State, or local law.

**Conflicts of Interest**

No employee, officer, Board member, or agent of the Housing Authority shall participate directly or indirectly in the selection, award, or administration of any contract if a conflict of interest, either real or apparent, would be involved. This type of conflict would be when one of the persons listed below has a financial or any other type of interest in a firm competing for the award:

- A. An employee, officer, Board member, or agent involved in making the award;
- B. His/her relative (including father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, or half sister);
- C. His/her partner; or
- D. An organization which employs or is negotiating to employ, or has an arrangement concerning prospective employment of any of the above.

**Gratuities, Kickbacks, and Use of Confidential Information**

**Prohibition Against Contingent Fees**

Contractors wanting to do business with the Housing Authority must not hire a person to solicit or secure a contract for a commission, percentage, brokerage, or contingent fee, except for bona fide established commercial selling agencies.

### **III. PROCUREMENT PLANNING**

Planning is essential to managing the procurement function properly. Hence, the Housing Authority will periodically review its record of prior purchases, as well as future needs, to: find patterns of procurement actions that could be performed more efficiently or economically; maximize competition and competitive pricing among contracts and decrease the Housing Authority's procurement costs; reduce Housing Authority administrative costs; ensure that supplies and services are obtained without any need for re-procurement, e.g., resolving bid protests; and minimize errors that occur when there is inadequate lead time. Consideration should be given to storage, security, and handling requirements when planning the most appropriate purchasing actions.

### **IV. PURCHASING METHODS**

#### **Petty Cash Purchases**

Purchases under \$50 may be handled through the use of a petty cash account. Petty Cash Accounts are established in an amount sufficient to cover small purchases made during a reasonable period, e.g., one month. For all Petty Cash Accounts, the Housing Authority shall ensure that security is maintained and only authorized individuals have access to the account. These accounts shall be reconciled and replenished periodically.

#### **Small Purchase Procedures**

For any amounts above the Petty Cash ceiling, but not exceeding \$10,000, the Housing Authority may use small purchase procedures. Under small purchase procedures, the Housing Authority shall obtain a reasonable number of quotes (preferably three); however, for purchases of less than \$2,000, also known as Micro Purchases, only one quote is required provided the quote is considered reasonable. To the greatest extent feasible, and to promote competition, small purchases should be distributed among qualified sources. Quotes may be obtained orally (either in person or by phone), by fax, in writing, or through e-procurement. Award shall be made to the qualified vendor that provides the best value to the Housing Authority. If award is to be made for reasons other than lowest price, documentation shall be provided in the contract file. The Housing Authority shall not break down requirements aggregating more than the small purchase threshold (or the Micro Purchase threshold) into several purchases that are less than the applicable threshold merely to: (1) permit use of the small purchase procedures or (2) avoid any requirements that applies to purchases that exceed the Micro Purchase threshold.

#### **Sealed Bids**

Sealed bidding shall be used for all contracts that exceed the small purchase threshold and that are not competitive proposals or non-competitive proposals, as these terms are defined in this document. Under sealed bids, the Housing Authority publicly solicits bids and awards a firm fixed-price contract (lump sum or unit price) to the responsible bidder whose bid, conforming to all the material terms and conditions of the Invitation For Bids, is the lowest in price. Sealed bidding is the preferred method for procuring construction, supply, and non-complex service contracts that are expected to exceed \$10,000.

**A. Conditions for Using Sealed Bids.** The Housing Authority shall use the sealed bid method if the following conditions are present: a complete, adequate, and realistic statement of work, specification, or purchase description is available; two or more responsible bidders are

willing and able to compete effectively for the work; the contract can be awarded based on a firm fixed price; and the selection of the successful bidder can be made principally on the lowest price.

**B. Solicitation and Receipt of Bids.** An Invitation For Bids is issued which includes the specifications and all contractual terms and conditions applicable to the procurement, and a statement that award will be made to the lowest responsible and responsive bidder whose bid meets the requirements of the solicitation. The Invitation For Bids must state the time and place for both receiving the bids and the public bid opening. All bids received will be date and time-stamped and stored unopened in a secure place until the public bid opening. A bidder may withdraw the bid at any time prior to the bid opening.

**C. Bid Opening and Award.** Bids shall be opened publicly. All bids received shall be recorded on an abstract (tabulation) of bids, and then made available for public inspection. If equal low bids are received from responsible bidders, selection shall be made by drawing lots or other similar random method. The method for doing this shall be stated in the Invitation For Bids. If only one responsive bid is received from a responsible bidder, award shall not be made unless the price can be determined to be reasonable, based on a cost or price analysis.

**D. Mistakes in Bids.** Correction or withdrawal of bids may be permitted, where appropriate, before bid opening by written or telegraphic notice received in the office designated in the Invitation For Bids prior to the time set for bid opening. After bid opening, corrections in bids may be permitted only if the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake, and the bid price actually intended. A low bidder alleging a nonjudgmental mistake may be permitted to withdraw its bid if the mistake is clearly evident on the face of the bid document but the intended bid is unclear or the bidder submits convincing evidence that a mistake was made. All decisions to allow correction or withdrawal of a bid shall be supported by a written determination signed by the Contracting Officer. After bid opening, changes in bid prices or other provisions of bids prejudicial to the interest of the Housing Authority or fair competition shall not be permitted.

### **Competitive Proposals**

Unlike sealed bidding, the competitive proposal method permits: consideration of technical factors other than price; discussion with offerors concerning offers submitted; negotiation of contract price or estimated cost and other contract terms and conditions; revision of proposals before the final contractor selection; and the withdrawal of an offer at any time up until the point of award. Award is normally made on the basis of the proposal that represents the best overall value to the Housing Authority, considering price and other factors, e.g., technical expertise, past experience, quality of proposed staffing, etc., set forth in the solicitation and not solely the lowest price.

**A. Conditions for Use.** Where conditions are not appropriate for the use of sealed bidding, competitive proposals may be used. Competitive proposals are the preferred method for procuring professional services that will exceed the small purchase threshold.

**B. Form of Solicitation.** Other than Architect/Engineer services, competitive proposals shall be solicited through the issuance of a Request For Proposals. The Request For Proposals shall clearly identify the importance and relative value of each of the evaluation factors as well as any subfactors and price. A mechanism for fairly and thoroughly evaluating the technical and price proposals shall be

established before the solicitation is issued. Proposals shall be handled so as to prevent disclosure of the number of offerors, identity of the offerors, and the contents of their proposals until after award. The Housing Authority may assign price a specific weight in the evaluation criteria or the Housing Authority may consider price in conjunction with technical factors; in either case, the method for evaluating price shall be established in the Request For Proposals.

**C. Evaluation.** The proposals shall be evaluated only on the criteria stated in the Request For Proposals. Where not apparent from the evaluation criteria, the Housing Authority shall establish an Evaluation Plan for each Request For Proposals. Generally, all Requests For Proposals shall be evaluated by an appropriately appointed Evaluation Committee. The Evaluation Committee shall be required to disclose any potential conflicts of interest and to sign a Non-Disclosure statement. An Evaluation Report, summarizing the results of the evaluation, shall be prepared prior to award of a contract.

**D. Negotiations.** Negotiations shall be conducted with all offerors who submit a proposal determined to have a reasonable chance of being selected for award, unless it is determined that negotiations are not needed with any of the offerors. This determination is based on the relative score of the proposals as they are evaluated and rated in accordance with the technical and price factors specified in the Request For Proposals. These offerors shall be treated fairly and equally with respect to any opportunity for negotiation and revision of their proposals. No offeror shall be given any information about any other offerors proposal, and no offeror shall be assisted in bringing its proposal up to the level of any other proposal. A common deadline shall be established for receipt of proposal revisions based on negotiations. Negotiations are exchanges (in either competitive or sole source environment) between the Housing Authority and offerors that are undertaken with the intent of allowing the offeror to revise its proposal. These negotiations may include bargaining. Bargaining includes persuasion, alteration of assumptions and positions, give-and-take, and may apply to price, schedule, technical requirements, type of contract or other terms of a proposed contract. When negotiations are conducted in a competitive acquisition, they take place after establishment of the competitive range and are called discussions. Discussions are tailored to each offerors proposal, and shall be conducted by the contracting officer with each offeror within the competitive range. The primary object of discussions is to maximize the Housing Authority's ability to obtain best value, based on the requirements and the evaluation factors set forth in the solicitation. The contracting officer shall indicate to, or discuss with, each offeror still being considered for award, significant weaknesses, deficiencies, and other aspects of its proposal (such as cost, price, technical approach, past performance, and terms and conditions) that could, in the opinion of the contracting officer, be altered or explained to enhance materially the proposers potential for award. The scope and extent of discussions are a matter of the contracting officers judgment. The contracting officer may inform an offeror that its price is considered by the Housing Authority to be too high, or too low, and reveal the results of the analysis supporting that conclusion. It is also permissible to indicate to all offerors the cost or price that the governments price analysis, market research, and other reviews have identified as reasonable. Auctioning (revealing one offerors price in an attempt to get another offeror to lower their price) is prohibited.

**E. Award.** After evaluation of the revised proposals, if any, the contract shall be awarded to the responsible firm whose technical approach to the project, qualifications, price and/or any other factors considered, are most advantageous to the Housing Authority provided that the price is within the maximum total project budgeted amount established for the specific property or activity.

F. **A/E Services.** The Housing Authority must contract for Architect/Engineer services using Qualification Based Selection procedures, utilizing a Request For Qualifications. Sealed bidding shall not be used for Architect/Engineer solicitations. Under Qualification Based Selection procedures, competitors qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. Price is not used as a selection factor under this method. Qualification Based Selection procedures shall not be used to purchase other types of services, though architectural/engineering firms are potential sources.

### **Noncompetitive Proposals**

A. **Conditions for Use.** Procurement by noncompetitive proposals (sole-source) may be used only when the award of a contract is not feasible using small purchase procedures, sealed bids, cooperative purchasing, or competitive proposals, and if one of the following applies:

1. The item is available only from a single source, based on a good faith review of available sources;
2. An emergency exists that seriously threatens the public health, welfare, or safety, or endangers property, or would otherwise cause serious injury to the Housing Authority, as may arise by reason of a flood, earthquake, epidemic, riot, equipment failure, or similar event. In such cases, there must be an immediate and serious need for supplies, services, or construction such that the need cannot be met through any of the other procurement methods, and the emergency procurement shall be limited to those supplies, services, or construction necessary simply to meet the emergency;
3. HUD authorizes the use of noncompetitive proposals; or
4. After solicitation of a number of sources, competition is determined inadequate.

B. **Justification.** Each procurement based on noncompetitive proposals shall be supported by a written justification for the selection of this method. The justification shall be approved in writing by the responsible Contracting Officer. Poor planning or lack of planning is not justification for emergency or sole-source procurements. The justification, to be included in the procurement file, should include the following information:

1. Description of the requirement;
2. History of prior purchases and their nature (competitive vs. noncompetitive);
3. The specific exception in 24 CFR 85.36(d)(4)(i)(A) through (D) which applies;
4. Statement as to the unique circumstances that require award by noncompetitive proposals;
5. Description of the efforts made to find competitive sources (advertisement in trade journals or local publications, phone calls to local suppliers, issuance of a written solicitation, etc.);
6. Statement as to efforts that will be taken in the future to promote competition for the requirement;
7. Signature by the Contracting Officers supervisor (or someone above the level of the Contracting Officer); and
8. Price Reasonableness. The reasonableness of the price for all procurements based on noncompetitive proposals shall be determined by performing an analysis, as described in this Policy.

**Cooperative Purchasing/Intergovernmental Agreements**

The Housing Authority may enter into State and/or local cooperative or intergovernmental agreements to purchase or use common supplies, equipment, or services. The decision to use an interagency agreement instead of conducting a direct procurement shall be based on economy and efficiency. If used, the interagency agreement shall stipulate who is authorized to purchase on behalf of the participating parties and shall specify inspection, acceptance, termination, payment, and other relevant terms and conditions. The Housing Authority may use Federal or State excess and surplus property instead of purchasing new equipment and property if feasible and if it will result in a reduction of project costs. The goods and services obtained under a cooperative purchasing agreement must have been procured in accordance with 24 CFR 85.36.

**V. COST AND PRICE ANALYSIS**

For all purchases above the Micro Purchase threshold, the Housing Authority shall prepare an Independent Cost Estimate prior to solicitation. The level of detail shall be commensurate with the cost and nature of the goods or service to be purchased.

The Housing Authority shall require assurance that, before entering into a contract, the price is reasonable, in accordance with the following instructions.

**Petty Cash and Micro Purchases**

No formal cost or price analysis is required. Rather, the execution of a contract by the Contracting Officer (through a Purchase Order or other means) shall serve as the Contracting Officers determination that the price obtained is reasonable, which may be based on the Contracting Officers prior experience or other factors.

**Small Purchases**

A comparison with other offers shall generally be sufficient determination of the reasonableness of price and no further analysis is required. If a reasonable number of quotes is not obtained to establish reasonableness through price competition, the Contracting Officer shall document price reasonableness through other means, such as prior purchases of this nature, catalog prices, the Contracting Officers personal knowledge at the time of purchase, comparison to the Independent Cost Estimate, or any other reasonable basis.

**Sealed Bids**

The presence of adequate competition should generally be sufficient to establish price reasonableness. Where sufficient bids are not received, and when the bid received is substantially more than the Independent Cost Estimate, and where the Housing Authority cannot reasonably determine price reasonableness, the Housing Authority must conduct a cost analysis, consistent with federal guidelines, to ensure that the price paid is reasonable.

**Competitive Proposals**

The presence of adequate competition should generally be sufficient to establish price reasonableness. Where sufficient bids are not received, the Housing Authority must compare the price with the Independent Cost Estimate. For competitive proposals where prices cannot be easily compared among offerors, where there is not adequate competition, or where the price is substantially greater than

the Independent Cost Estimate, the Housing Authority must conduct a cost analysis, consistent with Federal guidelines, to ensure that the price paid is reasonable.

### **Contract Modifications**

A cost analysis, consistent with federal guidelines, shall be conducted for all contract modifications for projects that were procured through Sealed Bids, Competitive Proposals, or Non-Competitive Proposals, or for projects originally procured through Small Purchase procedures and the amount of the contract modification will result in a total contract price in excess of \$10,000.

## **VI. SOLICITATION AND ADVERTISING**

### **Method of Solicitation**

A. Petty Cash and Micro Purchases. The Housing Authority may contact only one source if the price is considered reasonable.

B. Small Purchases. Quotes may be solicited orally, through fax, or by any other reasonable method.

C. Sealed Bids and Competitive Proposals. Solicitation must be done publicly. The Housing Authority must use one or more following solicitation methods, provided that the method employed provides for meaningful competition.

1. Advertising in newspapers or other print mediums of local or general circulations.
2. Advertising in various trade journals or publications (for construction).
3. E-Procurement. The Housing Authority may conduct its public procurements through the Internet using e-procurement systems. However, all e-procurements must otherwise be in compliance with 24 CFR 85.36, State and local requirements, and the Housing Authority's procurement policy.

### **Time Frame**

For purchases of more than \$10,000, the public notice should run not less than once each week for two consecutive weeks.

### **Form**

Notices/advertisements should state, at a minimum, the place, date, and time that the bids or proposals are due, a contact who can provide a copy of, and information about, the solicitation, and a brief description of the needed items(s).

### **Time Period for Submission of Bids**

A minimum of 30 days shall generally be provided for preparation and submission of sealed bids and 15 days for competitive proposals. However, the Executive Director may allow for a shorter period under extraordinary circumstances.

### **Cancellation of Solicitations**

A. An Invitation For Bids, Request For Proposals, or other solicitation may be cancelled before bids/offers are due if:

1. The supplies, services or construction is no longer required;
2. The funds are no longer available;
3. Proposed amendments to the solicitation are of such magnitude that a new solicitation would be best; or

4. Other similar reasons.

B. A solicitation may be cancelled and all bids or proposals that have already been received may be rejected if:

1. The supplies or services (including construction) are no longer required;
2. Ambiguous or otherwise inadequate specifications were part of the solicitation;
3. All factors of significance to the Housing Authority were not considered;
4. Prices exceed available funds and it would not be appropriate to adjust quantities to come within available funds;
5. There is reason to believe that bids or proposals may not have been independently determined in open competition, may have been collusive, or may have been submitted in bad faith; or
6. For good cause of a similar nature when it is in the best interest of the Housing Authority.

C. The reasons for cancellation shall be documented in the procurement file and the reasons for cancellation and/or rejection shall be provided upon request.

D. A notice of cancellation shall be sent to all bidders/offerors solicited and, if appropriate, shall explain that they will be given an opportunity to compete on any resolicitation or future procurement of similar items.

E. If all otherwise acceptable bids received in response to an Invitation For Bids are at unreasonable prices an analysis should be conducted to see if there is a problem in either the specifications or the Housing Authority's cost estimate. If both are determined adequate and if only one bid is received and the price is unreasonable, the Contracting Officer may cancel the solicitation and either

1. Re-solicit using an Request For Proposals; or
2. Complete the procurement by using the competitive proposal method. The Contracting Officer must determine, in writing, that such action is appropriate, must inform all bidders of the Housing Authority's intent to negotiate, and must give each bidder a reasonable opportunity to negotiate.

F. If problems are found with the specifications, the Housing Authority should cancel the solicitation, revise the specifications and resolicit using an Invitation For Bids.

#### **Credit (or Purchasing) Cards**

Credit card usage should follow the rules for all other small purchases. For example, the Contracting Officer may use a credit card for Micro Purchases without obtaining additional quotes provided the price is considered reasonable. However, for amounts above the Micro Purchase level, the Contracting Officer would generally need to have obtained a reasonable number of quotes before purchasing via a credit card.

### **VII. BONDING REQUIREMENTS**

The standards under this section apply to construction contracts that exceed \$10,000. There are no bonding requirements for small purchases or for competitive proposals. The

Housing Authority may require bonds in these latter circumstances when deemed appropriate; however, non-construction contracts should generally not require bid bonds.

A. Bid Bonds. For construction contracts exceeding \$10,000, offerors shall be required to submit a bid guarantee from each bidder equivalent to 5% of the bid price.

B. Payment Bonds. For construction contracts exceeding \$10,000, the successful bidder shall furnish an assurance of completion. This assurance may be any one of the following four:

1. A performance and payment bond in a penal sum of 100% of the contract price; or

2. Separate performance and payment bonds, each for 50 % or more of the contract price; or

3. A 20 % cash escrow; or

4. A 25 % irrevocable letter of credit.

C. These bonds must be obtained from guarantee or surety companies acceptable to the U. S. Government and authorized to do business in the State where the work is to be performed. Individual sureties shall not be considered. U. S. Treasury Circular Number 570 lists companies approved to act as sureties on bonds securing Government contracts, the maximum underwriting limits on each contract bonded, and the States in which the company is licensed to do business. Use of companies on this circular is mandatory.

## **VIII. CONTRACTOR QUALIFICATIONS AND DUTIES**

### **Contractor Responsibility**

The Housing Authority shall not award any contract until the prospective contractor, i.e., low responsive bidder, or successful offeror, has been determined to be responsible. A responsible bidder/offeror must:

A. Have adequate financial resources to perform the contract, or the ability to obtain them;

B. Be able to comply with the required or proposed delivery or performance schedule, taking into consideration all the bidders/offerors existing commercial and governmental business commitments;

C. Have a satisfactory performance record;

D. Have a satisfactory record of integrity and business ethics;

E. Have the necessary organization, experience, accounting and operational controls, and technical skills, or the ability to obtain them;

F. Have the necessary production, construction, and technical equipment and facilities, or the ability to obtain them; and,

G. Be otherwise qualified and eligible to receive an award under applicable laws and regulations, including not be suspended, debarred or under a HUD-imposed Limited Denials of Participation. If a prospective contractor is found to be non-responsible, a written determination of non-responsibility shall be prepared and included in the official contract file, and the prospective contractor shall be advised of the reasons for the determination.

### **Suspension and Debarment**

Contracts shall not be awarded to debarred, suspended, or ineligible contractors.

Contractors may be suspended, debarred, or determined to be ineligible by HUD in

accordance with HUD regulations (24 CFR Part 24) or by other Federal agencies, e.g., Dept of Labor for violation of labor regulations, when necessary to protect housing authorities in their business dealings.

### **Vendor Lists**

All interested businesses shall be given the opportunity to be included on vendor mailing lists. Any lists of persons, firms, or products which are used in the purchase of supplies and services (including construction) shall be kept current and include enough sources to ensure competition.

## **IX. CONTRACT PRICING ARRANGEMENTS**

### **Contract Types**

Any type of contract which is appropriate to the procurement and which will promote the best interests of the Housing Authority may be used, provided the cost -plus-a-percentage-of-cost and percentage-of-construction-cost methods are not used. All solicitations and contracts shall include the clauses and provisions necessary to define the rights and responsibilities of both the contractor and Housing Authority. For all cost reimbursement contracts, the Housing Authority must include a written determination as to why no other contract type is suitable. Further, the contract must include a ceiling price that the contractor exceeds at its own risk.

### **Options**

Options for additional quantities or performance periods may be included in contracts, provided that:

- A. The option is contained in the solicitation;
- B. The option is a unilateral right of the Housing Authority;
- C. The contract states a limit on the additional quantities and the overall term of the contract;
- D. The options are evaluated as part of the initial competition;
- E. The contract states the period within which the options may be exercised;
- F. The options may be exercised only at the price specified in or reasonably determinable from the contract; and
- G. The options may be exercised only if determined to be more advantageous to the Housing Authority than conducting a new procurement.

## **X. CONTRACT CLAUSES**

All contracts should identify the contract pricing arrangement as well as other pertinent terms and conditions, as determined by the Housing Authority. Additionally, the forms HUD-5369, 5369-A, 5369-B, 5369, 5370, 5370-C, and 51915-A , which contain all HUD-required clauses and certifications for contracts of more than \$10,000, as well as any forms/clauses as required by HUD for small purchases, shall be used in all corresponding solicitations and contracts issued by this Housing Authority.

## **XI. CONTRACT ADMINISTRATION**

The Housing Authority shall maintain a system of contract administration designed to ensure that contractors perform in accordance with their contracts. These systems shall provide for inspection of supplies, services, or construction, as well as monitoring contractor performance, status reporting on major projects including construction contracts, and similar matters. For cost-reimbursement contracts, costs are allowable only to the extent that they are consistent with the cost principles in HUD Handbook 2210.18.

## **XII. SPECIFICATIONS**

### **General**

All specifications shall be drafted so as to promote overall economy for the purpose intended and to encourage competition in satisfying Housing Authority needs. Specifications shall be reviewed prior to issuing any solicitation to ensure that they are not unduly restrictive or represent unnecessary or duplicative items. Function or performance specifications are preferred. Detailed product specifications shall be avoided whenever possible. Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase. For equipment purchases, a lease versus purchase analysis should be performed to determine the most economical form of procurement.

### **Limitation**

The following types of specifications shall be avoided:

- A. geographic restrictions not mandated or encouraged by applicable Federal law (except for Architect/Engineer contracts, which may include geographic location as a selection factor if adequate competition is available);
  - B. brand name specifications (unless the specifications list the minimum essential characteristics and standards to which the item must conform to satisfy its intended use).
- Nothing in this procurement policy shall preempt any State licensing laws. Specifications shall be reviewed to ensure that organizational conflicts of interest do not occur.

## **XIII. APPEALS AND REMEDIES**

### **General**

It is Housing Authority policy to resolve all contractual issues informally and without litigation. Disputes will not be referred to HUD unless all administrative remedies have been exhausted. When appropriate, a mediator may be used to help resolve differences.

The Housing Authority shall adopt an informal and formal bid protest/appeal procedure (exhibit A).

**Informal Appeals Procedure.** Under these procedures, the bidder/contractor may request to meet with the appropriate Contracting Officer.

**Formal Appeals Procedure.** Any actual or prospective contractor may protest the solicitation or award of a contract for serious violations of the principles of this Policy. Any protest against a solicitation must be received before the due date for the receipt of bids or proposals, and any protest against the award of a contract must be received within ten (10) calendar days after the contract receives notice of the contract

award, or the protest will not be considered. All bid protests shall be in writing, submitted to the Executive Director, who shall issue a written decision on the matter. The Executive Director may, at his/her discretion, suspend the procurement pending resolution of the protest if the facts presented so warrant.

#### **XIV. ASSISTANCE TO SMALL AND OTHER BUSINESSES**

##### **Required Efforts**

Consistent with Presidential Executive Orders 11625, 12138, and 12432, and Section 3 of the HUD Act of 1968, all feasible efforts shall be made to ensure that small and minority-owned businesses, women's business enterprises, and other individuals or firms located in or owned in substantial part by persons residing in the area of the Housing Authority project are used when possible. Such efforts shall include, but shall not be limited to:

- A. Including such firms, when qualified, on solicitation mailing lists;
- B. Encouraging their participation through direct solicitation of bids or proposals whenever they are potential sources;
- C. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by such firms;
- D. Establishing delivery schedules, where the requirement permits, which encourage participation by such firms;
- E. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce;
- F. Including in contracts, to the greatest extent feasible, a clause requiring contractors, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which provide opportunities to low-income residents, as described in 24 CFR Part 135 (so-called Section 3 businesses); and
- G. Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed above. Goals shall be established periodically for participation by small businesses, minority-owned businesses, women-owned business enterprises, labor surplus area businesses, and Section 3 business concerns in Housing Authority prime contracts and subcontracting opportunities.

##### **Definitions**

1. A **small business** is defined as a business that is: independently owned; not dominant in its field of operation; and not an affiliate or subsidiary of a business dominant in its field of operation. The size standards in 13 CFR Part 121 should be used to determine business size.
2. A **minority-owned business** is defined as a business which is at least 51% owned by one or more minority group members; or, in the case of a publicly-owned business, one in which at least 51% of its voting stock is owned by one or more minority group members, and whose management and daily business operations are controlled by one or more such individuals. Minority group members include, but are not limited to Black Americans, Hispanic Americans, Native Americans, Asian Pacific Americans, Asian Indian Americans, and Hasidic Jewish Americans.
3. A **women's business enterprise** is defined as a business that is at least 51% owned by a woman or women who are U.S. citizens and who control and operate the business.
4. A **Section 3 business** concern is as defined under 24 CFR Part 135.
5. A **labor surplus area business** is defined as a business which, together with its

immediate subcontractors, will incur more than 50% of the cost of performing the contract in an area of concentrated unemployment or underemployment, as defined by the DOL in 20 CFR Part 654, Subpart A, and in the list of labor surplus areas published by the Employment and Training Administration.

## **XV. BOARD APPROVAL OF PROCUREMENT ACTIONS**

Other than approval of this Procurement Policy, approval by the Board of Commissioners is not required for any procurement action, as permitted under State and local law. Rather, it is the responsibility of the Executive Director to make sure that all procurement actions are conducted in accordance with the policies contained herein.

## **XVI. DELEGATION OF CONTRACTING AUTHORITY**

While the Executive Director is responsible for ensuring that the Housing Authority's procurements comply with this Policy, the Executive Director may delegate all procurement authority as is necessary and appropriate to conduct the business of the Agency. The Executive Director shall establish a system of sanctions for violations of the ethical standards described in Section II, consistent with Federal, State, or local law (exhibit B).

## **XVII. DOCUMENTATION**

The Housing Authority must maintain records sufficient to detail the significant history of each procurement action. These records shall include, but shall not necessarily be limited to, the following:

- A. The Solicitation
- B. Rationale for the method of procurement (if not self-evident);
- C. Rationale of contract pricing arrangement (also if not self-evident);
- D. Reason for accepting or rejecting the bids or offers;
- E. Basis for the contract price (as prescribed in this handbook);
- F. A copy of the contract documents awarded or issued and signed by the Contracting Officer;
- G. Basis for contract modifications; and
- H. Related contract administration actions.

The level of documentation should be commensurate with the value of the procurement. Records are to be retained for a period of three years after final payment and all matters pertaining to the contract are closed.

## **XVIII. DISPOSITION OF SURPLUS PROPERTY**

Property no longer necessary for Housing Authority purposes (non-real property) shall be transferred, sold, or disposed of in accordance with applicable Federal, state, and local laws and regulations.

## **XIX. FUNDING AVAILABILITY**

Before initiating any contract, the Housing Authority shall ensure that there are sufficient funds available to cover the anticipated cost of the contract or modification. The Housing Authority shall ensure that completed work is inspected in a timely manner and that contractor invoices for work accepted by the Housing Authority are paid promptly.

## Procurement Protests and Appeals Procedures

Any type of award or solicitation including small purchase, competitive proposal or sealed bid may be protested by an unsuccessful offeror. The protest must be submitted in writing and include:

- a. Name, address & phone number of protestor
- b. Solicitation title
- c. A detailed statement of the basis for the protest
- d. Supporting evidence or documents to substantiate any arguments; and
- e. The form of relief requested.

Any protest against a solicitation must be received before the due date for the receipt of bids or proposals, and any protest against the award of a contract must be received within ten (10) calendar days after the contractor receives notice of the contract award, or the protest will not be considered.

The Contracting Officer for the procurement will review and respond in writing to the protest.

### Remedial action:

When a protest is decided in favor of the protestor:

- a. The Housing Authority may cancel or revise the solicitation or proposed contract award,
- b. An awarded contract may be terminated for convenience and awarded to the successful protestor,  
or
- c. The procurement may be canceled and offers resolicited.

Contracts will remain in place despite a successful protest in cases of emergency or unusual and compelling need for the supplies or services. In such cases where contract termination or resolicitation would not be in the best interest of the Housing Authority, the successful protestor will be reimbursed for costs associated with preparing the bid along with the cost of filing and pursuing the protest and other damages determined.

### Denial:

When a protest is denied, written notification is sent to the protesting contractor that states the Housing Authority's decision and basis for denial with notice of the right to appeal.

### Appeals Procedures:

Informal. The Housing Authority will attempt to resolve appeals with an informal resolution process. The Contracting Officer of the procurement and the protesting contractor will discuss the disputed matter. If the dispute is not resolved informally, the protesting contractor may initiate a formal appeal.

Formal. A formal appeal must be requested in writing within ten (10) calendar days of the informal review and include:

- a. The action or decision appealed
- b. A brief statement of reason for appealing
- c. Signature, Address and Phone number

The Housing Authority's Executive Director will receive the appeal and will respond with final Agency decision within 10 calendar days.

All correspondence and supporting documentation of any protest and appeal will be included in the solicitation file

The Housing Authority shall be responsible for the settlement of contractual and administrative disputes and protests arising out of its procurement activity. Bidders and/or contractors may appeal a decision rendered in a dispute to the Housing Authority's Board of Directors only after the matter at issue has been considered and a decision rendered by the Executive Director. Request to meet with the Board of Directors must be made within 10 calendar days of the Executive Director's written decision.

HUD will only review protests in cases of violations of Federal law or regulations and failure of Housing Authority to review a protest.

## **EXHIBIT B**

### **SANCTIONS for Violation of the Ethical Standards set forth in the Housing**

#### **Authority Procurement Policy Section II. Ethics in Public Contracting**

In determining the kind of sanction to be imposed, the following factors may be considered: the nature of the violation, prior violations by the same individual, the willfulness of the violation, and any other factors which bear upon the seriousness of the violation.

The following sanctions may be imposed singly or in combination at the conclusion of an investigation and/or hearing:

1. Private Censure. A letter to the employee or official indicating that he/she has been found to have violated the ethical standards, that the Housing Authority disapproves of such conduct, and that, if it is repeated in the future, it may be cause for more serious sanctions.
2. Suspension. An employee or official may be suspended with or without pay for a period of time as determined by the Executive Director or approved by the Board of Directors based upon the nature and extent of the violation.
3. Termination of Employment or Dismissal from the Official or Agency position.

### 1.0 EQUAL OPPORTUNITY

#### 1.1 Fair Housing

It is the Policy of the Jefferson County Housing Authority to comply fully with all Federal, State and local non discrimination laws; The Americans with Disabilities Act; and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Jefferson County Housing Authority housing programs.

To further its commitments to full compliance with applicable Civil Rights laws, the Jefferson County Housing Authority will provide Federal /State/Local information to applicants and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination.

Such information will be made available with the application, and applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Jefferson County Housing Authority office. In addition, all appropriate written information and advertisements will contain the Equal Opportunity language and logo.

The Jefferson County Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Jefferson County Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## 1.2 Reasonable Accommodation

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Jefferson County Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Jefferson County Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Jefferson County Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

## 1.3 Communication

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP persons are defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by public housing program.
2. The frequency with which LEP person come into contact with The program.
3. The nature and importance of the program activity, or service provided by the program activity, or service provided by the program to peoples' lives.
4. The resources available to the PHA and costs.

#### 1.4 Questions to Ask in Granting the Accommodation

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. (the disability may not be apparent to others, i.e., a heart condition)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented the Jefferson County Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Jefferson County Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Jefferson County Housing Authority will not require as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be Determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration?  
The Jefferson County Housing Authority's business is housing .  
If the request would alter the fundamental business that the Jefferson County Housing Authority conducts, that would not be reasonable. For instance, the Housing Authority would deny a request to have the Housing Authority do grocery shopping for the person with disabilities.
2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Jefferson County Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives if the requestor concurs that the alternative will meet their needs.

If the requested accommodation is reasonable, the Housing Authority bears the cost of the accommodation. The Housing Authority is only responsible for costs related to policies, procedures, or services. The Housing Authority is not and cannot be responsible for modifications to a Section 8 Unit.

Generally, the individual knows best what they need; however, the Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Jefferson County Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Housing Authority's program and services, the Jefferson County Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests will be borne by the Jefferson County Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Jefferson County Housing Authority will seek to have the same entity pay for any restoration costs.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

### 1.5 Family/Owner Outreach

The Jefferson County Housing Authority will publicize the availability and nature of the Section 8 Program to extremely low-income, very low and low-income families, and persons with disabilities in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons who cannot or do not read newspapers the Housing Authority will distribute fact sheets to the broadcasting media and initiate person contacts with members of the news media and community service personnel. The Jefferson County Housing Authority will also try to utilize public service announcements.

The Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the programs.

### 1.6 Right to Privacy

All adult members of both applicant and participant households are required to sign HUD Form 9886. Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or participant information will not be release unless there is a signed release of information request from the applicant or participant.

10. Student eligibility requirements – The new eligibility restriction imposed on students enrolled at institutions of higher education and seeking Section 8 Assistance are set out in two parts: Section 327(a) and Section 327(b) of the act.

The new eligibility restrictions of Section 327(a) are implemented and codified in HUD regulation at 24 CFR.612 and provide as follows:

No assistance shall be provided under Section 8 of the 1937 Act to any individual who:

- a. Is enrolled as a student at an institution of higher Education, as defined under section 102 of the Higher Education Act of 1965
- b. Is under 24 years of age

- d. Is unmarried
- e. Does not have a dependent child, and is not otherwise individually eligible, or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under Section 8 of the 1937 Act.

For a student seeking Section 8 Assistance, section 327(a) of The Act sets up a two-part income eligibility test. Both parts of this test must be affirmatively met. That is both the student and the student's parents must be income eligible for the student to receive Section 8 Assistance. If it is determined that the parents are not income eligible, the student is ineligible to receive Section 8 Assistance.

The student must demonstrate that he or she are financially independent from his or her parents, by demonstrating the following:

- a. The individual must be of legal contract age under the state law.

- b. Reviewing prior year income tax returns of parents or guardians.
- c. Verifying income provided by a parent.

For Section 8 programs only and as provided in 24 CFR 5.612

Any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with a dependent child.

A student financial assistance is considered income only in the context of that student application for or retention of Section 8 Assistance separately from the students parents.

The financial assistance of a student residing with his or her parents therefore would be excluded from annual income under 5.609 (6) which excludes student financial assistance from income.

All other eligibility requirements apply. While the new law and HUD's recently issued rule focus on the income eligibility of students, all student applicants for Section 8 Assistance must also meet all other HUD program requirements that determine eligibility for the Section 8 Assistance.

The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the Jefferson County Housing Authority's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority must meet the income limit for the area where they were initially assisted under the program.

- d. A statement that the authorization to release the information requested by the consent form is signed.

F. Suitability for Tenancy

The Jefferson County Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC)

The letter will also indicate their name will be removed from the waiting list if they fail to respond within the time frame specified. The Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Housing Authority will provide a reasonable accommodation. If the applicant indicates they did not respond due to a disability, the Housing Authority will verify there is in fact a disability and the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

#### 4.9 Informal Review

If the Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state the applicant may request an informal review of the decision within 10 business days of the denial. The Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 15.2 of this plan.

## 5.0 SELECTING FAMILIES FROM THE WAITING LIST

### 5.1 Waiting List Admissions and Special Admissions

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Jefferson County Housing Authority will use the assistance for those families.

### 5.2 Selection from the Waiting List

The date and time of application will be utilized to determine the sequence on the waiting list.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target range is agreed to by HUD), the Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirements.

## 6.0 ASSIGNMENT OF BEDROOM SIZE (SUBSIDY STANDARDS)

The Housing Authority will issue a voucher for a particular bedroom Size – The bedroom size is a factor in determining the family's level of assistance. The following guidelines will determine each family's size without overcrowding or over-housing.

Number of bedrooms	Number of Persons (Minimum)	Number of Persons (maximum)
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

In determining bedroom size, the Housing Authority will include the presence of children to be born to a pregnant women, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster care.

Bedroom size will also be determined using the following guidelines:

- A. Children of same sex may share a bedroom
- B. Children of the opposite sex, both under the age of five (5) may share a bedroom.
- C. Adults and children will not be required to share a bedroom
- D. Foster adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The Housing Authority will grant exception to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a reason why the larger size is necessary.

The family unit size will be determined by the Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family, however, the family may select a unit that may be larger or smaller than the family size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the

family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

## 6.1 Briefing

When the Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they can not attend the originally scheduled briefing, they may attend a later session, if requested. If the family fails to attend without good cause, they will be denied admission and removed from the waiting list.

If an applicant with a disability requires reasonable accommodations to gain full benefit from the briefing, the Housing Authority will furnish such accommodations where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable accommodation, the Housing Authority will give primary consideration to the request of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location or format.

The briefing will cover at least the following subjects:

- A. Description of how the program works.
- B. Family and owner responsibilities.

### 6.3 Issuance of Voucher; Request For Approval of Tenancy

Beginning October 1, 1999, the Jefferson County Housing Authority will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 22.0 – Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Housing Authority will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposed lease, and the request for approval of the tenancy form. The terms of the HUD tenancy addendum shall prevail over any other provisions of the lease. The family will submit the proposed lease and the request form to the Housing Authority during the term of the voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist

the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within fifteen (15) days after the receipt of inspection request from the family and owner. The fifteen (15) day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority's records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, complying with standard material lease terms.

#### 6.4 Term of the Voucher

The initial term of the voucher will be sixty (60) days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed one Hundred twenty (120) calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A record of their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or sixty (60) days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full one hundred twenty (120) days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will approve an additional extension of sixty (60) days with review after thirty (30) days.

Upon submittal of a completed request for approval of tenancy form, the Housing Authority will suspend the term of the voucher,. The term will be suspended until the date the Housing Authority provides notice the request has been approved or denied. This policy allows families the full term sixty (60) days, or more with extensions, to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

#### 6.5 Approval to Lease A Unit

The Jefferson County Housing Authority will approve a lease if all of the following conditions are met:

- G. The family continues to meet all eligibility criteria.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract.

The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

The effective date of the contract and lease will be the first of the month following approval and acceptance of the unit.

The owner must give the resident a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the resident.

If the security deposit is not sufficient to cover amounts the resident owes under the lease, the owner may seek to collect the balance from the resident.

## 7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit during the initial 12 months, if the landlord and the participant have mutually agreed to terminate the lease in writing, or if the Housing Authority has terminated the HAP Contract. The Housing Authority will issue the family a new voucher if the family does not owe the Housing Authority or any other Housing Authority money, has not violated a Family Obligation, and if the Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12 month requirement will be waived.

### 7.1 When a Family May Move

For families already participating in the Voucher Program, the Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated.
- B. The resident has given notice of lease termination (if the resident has a right to terminate the lease on notice to the owner.)

### 7.2 Procedures Regarding Family Moves

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Jefferson County Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition.
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a concentration of poor families.

- D. An explanation the family share of rent may not exceed 40% of the family's monthly adjusted gross income if the gross rent exceeds the applicable payment standard.

- G. An explanation and copies of the forms required to initiate and complete the move.
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD Regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the notice to the Housing Authority will be considered a violation of the Family Obligations and may cause the family to be terminated from the

program.

A family who gives notice to terminate the lease must notify the Owner in writing with a copy to the Housing Authority.

## 8.0 PORTABILITY

### 8.1 General Policies of the Jefferson County Housing Authority

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the Housing Authority at the time the family first submits its application for participation in the program to the Housing Authority may lease a unit anywhere in the jurisdiction of the Housing Authority or outside the Housing Authority's jurisdiction as long as there is another entity operating a resident-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Housing Authority's jurisdiction for a twelve (12) month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Jefferson County Housing Authority.

Families participating in the Voucher Program will not be allowed to move more than once in any twelve (12) period and under no circumstances will the Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Housing Authority may consider allowing more than one move in a twelve (12) month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

For income targeting purposes, the family will count towards the initial Housing Authority's goals unless the receiving housing absorbs the family. If absorbed, the admission will count towards the receiving Housing Authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the Housing Authority will not issue a voucher and will terminate assistance in compliance with Section 16.0 , Termination of the Lease and Contract.

## 8.2 Income Eligibility

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.
- B. If a portable family is already a participant in the initial Housing Authority's Voucher Program, income eligibility is not re-determined.

## 8.3 Portability: Administration by receiving Housing Authority

- A. When a family utilizes portability to move to an area outside the initial Housing Authority jurisdiction, another Housing Authority (the receiving housing authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.
- B. Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such Housing Authority, the initial Housing Authority may choose which Housing Authority shall become the receiving Housing Authority.

## 8.4 Portability Procedures

- A. When the Jefferson County Housing Authority is the initial Housing Authority:
  - 1. The Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
  - 2. The Housing Authority will determine whether the family is Income-eligible in the area where the family wants to lease a unit (if applicable)
  - 3. The Housing Authority will advise the family how to contact and request assistance from the receiving Housing Authority.
  - 4. The Housing Authority will within ten (10) calendar days notify the initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
  - 5. If the Housing Authority opts to conduct a new

reexamination, the Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.

6. In order to provide tenant-based assistance for portable families, the Housing Authority will perform all Housing Authority functions, such as reexaminations of family income and composition. At any time, either the initial Housing Authority or the Jefferson County Housing Authority may make a determination to deny or terminate Assistance to the family in accordance with 24 CFR 982.552.
7. The Housing Authority may deny or terminate assistance for family action in accordance with 24 CFR 982.552 and 24 CFR 982.553.
8. The Housing Authority may deny a family the right to exercise a portability move on the basis of insufficient funding (CFR 24 982.454) if the area the family is porting to has a payment standard greater than 110% of the Jefferson County Housing Authority payment standard and the receiving Authority is not absorbing the voucher, the Jefferson County Housing Authority may deny a portability move.
9. If the receiving Housing Authority is willing to absorb the family or if the family chooses to move to a lower cost area portability may be approved.

B. Absorption by the Jefferson County Housing Authority

If funding is available under the consolidated ACC for the Housing Authority's voucher program when the portable family is received, the Housing Authority will absorb the family into its voucher program. After absorption, the family is assisted with funds available under the consolidated ACC for the Jefferson County Housing Authority's tenant based program.

## C. Portability Billing

1. To cover assistance for a portable family, the receiving Housing Authority may bill the initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
  - a. As the initial Housing Authority, the Jefferson County Housing Authority will promptly reimburse the receiving Housing Authority for the full amount of the housing assistance payments made by the receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the receiving Housing Authority's program is determined in the same manner as for other families in the receiving Housing Authority's program.
  - b. The initial Housing Authority will promptly reimburse the receiving Housing Authority for 80% of the initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant based programs and is assisted by the receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.
2. When A Portable Family Moves.

When a portable family moves out of the tenant based program of a receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the receiving Housing Authority, and the first receiving Housing Authority is no longer required to provide assistance for the family.

When family assets are more than \$5,000.00, use the greater of:

## 10.0 VERIFICATION

The Jefferson County Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members eighteen (18) years of age and older, social security numbers, citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance

### 10.1 Acceptable Methods of Verification

Age, relationship, U.S. citizenship, and social security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (or for citizenship documentation such as listed below will be required). Verification of these items will include photocopies of the social security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other income information must be verified by Up-Front Income Verification (UIV) system if available. Current UIV resources include social security income (ss) and supplemental security income (ssi) information accessed via the Department of Housing and Urban Development's (HUD's) state wage information collection agencies (SWICA); state systems for Temporary Assistance for Needy Families (TANF) programs; Internal Revenue Service (IRS) letter 1722; private sector databases (e.g., the Work Number); and any other resources prescribed by HUD. When UIV systems are not available, other income information will be verified by third party verification. Third party verification includes written documentation (with forms sent directly to and received directly from the source, not passed through the hands of the family.) This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Housing Authority or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name, date of contact, amount received, etc.

When third party verification cannot be obtained, the Housing Authority will accept documentation received from the applicant/participant. Hand carried documentation will be accepted if the Housing Authority has been unable to obtain third party verification in a two (2) week period of time. Photocopies of the documents provided by the family will be maintained in the file. When neither third party verification nor hand carried verification can be obtained, the Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

## 10.2 Types of Verification

The Chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. ### 10.3 Verification of Citizenship or Eligibility Non-citizen Status

The Citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military DD214 form)

Prior to being admitted or as soon as the required documentation is received it must be made available to the Authority. All eligible non-citizens who are sixty-two (62) years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Housing Authority will make a copy of the individual's INS documentation and place a copy in the file. The Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible non-citizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household. Non-citizen students on student visas, through the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this section, except to the extent the delay is caused by the family.

If the Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizen listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of twenty-four (24) months from the date of termination.

#### 10.4 Verification of Social Security Numbers

Prior to admission, each family member who has a social security number and who is at least six years of age shall provide verification of his or her social security number. Social security number verification for children residing in assisted households must be provided as soon as it is received.

The best verification of the social security number is the original social security card. If the card is not available, the Housing Authority will accept letters from social security that establish and state the number.

If individuals state that they do not have a social security number they will be required to sign a statement to this effect. The Housing Authority will not require any individual who does not have a social security number to obtain a social security number.

If a member of an applicant family indicates they have a social security number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a social security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least sixty two (62) years of age, they will be given one hundred twenty (120) days to provide the verification. If the

individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

#### 10.5 Timing of Verification

Verification must be dated within one hundred twenty (120) days of certification or reexamination. If the verification is older than this, the applicant/participant will be required to contact the source and provide current information.

When an interim reexamination is conducted, the Housing Authority will verify and update all changes.

#### 10.6 Frequency of obtaining Verification

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification will be required as soon as it is received. Prior to a new member joining the family, their status will be verified.

For each family member age six (6) years and above, verification of social security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have social security number at admission receives a social security number, the number must be verified as soon as it is received.

### 11.0 RENT AND HOUSING ASSISTANCE PAYMENT

#### 11.1 General

After October 1, 1999, the Housing Authority will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. The transition of the Section 8 Certificates to Vouchers as outlined in 24 CFR 982.502 is completed.

#### 11.2 Rent Reasonableness

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining the rent amount is reasonable.

Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved.

- B. If the sixty (60) days before the contract anniversary date there is a five percent (5%) decrease in the published FMR as compared to the previous FMR.
- C. If the Housing Authority or HUD directs that Reasonableness be re-determined.

### 11.3 Comparability

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable neighborhoods. The Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

### 11.4 Maximum Subsidy

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For the voucher program, the minimum payment standard will be ninety percent (90%) of the FMR and the maximum payment standard will be one hundred ten percent (110%) of the FMR without prior approval from HUD, or the exception payment standard approved

by HUD. The Housing Authority can request HUD approval of payment standards up to one hundred twenty percent (120%) of the FMR, as needed, to recruit owners with accessible units.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

A. Setting the Payment Standard

The statute required the payment standard be set by the Housing Authority at between ninety percent (90%) and one hundred ten percent (110%) of the FMR without HUD's prior approval. The Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the voucher program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over forty percent (40%) of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

The Housing Authority may establish a higher payment Standard (although still within the one hundred ten percent (110%) of the published Fair Market Rent) as a reasonable accommodation for a family that includes people with disabilities.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below thirty percent (30%) of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

B. Selecting the Correct Payment Standard for a Family

1. For the voucher tenancy, the payment standard for a family is the lower of:
  - a. The payment standard for the family size
  - b. The payment standard for the unit size rented by the family.
2. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent areas.
3. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
  - a. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner.
  - b. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
4. At the next annual reexamination following a change in family or composition during the HAP contract term and for any reexamination thereafter, paragraph four (4) above does not apply.
5. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

C. Area Exception Rents

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all of some unit types. The exception payment standard area(s) may not contain more than fifty percent (50%) of the population of the FRM area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such times as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

D. Assistance Rent Formulas

1. Total tenant payment is equal to the highest of:
  - a. Ten percent (10%) of monthly income.
  - b. Thirty percent (30%) of adjusted monthly income.
    - c. Minimum rent.
    - d. Welfare Rent.
    - e. Plus any rent above the payment standard.
2. The Housing Authority has set the minimum rent as twenty-five dollars (\$ 25.00) per month. However, if the family requests a hardship exemption, the Housing Authority will suspend the minimum rent for the family beginning the month following the

family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long term nature. During the suspension, the family will not be required to pay a minimum rent and the Housing Assistance payment will be increased accordingly.

- a. A hardship exists in the following circumstances:
  - i. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State Local assistance program
  - ii. When the family would be evicted as a result of the imposition of the minimum rent requirement.
  - iii. When the income of the family has decreased because of changed circumstances, including loss of job.
  - iv. When the family has an increase in expenses because of changed circumstances, for medical costs, child care, transportation, education, or similar items.
  - v. When a death has occurred in the family.
- b. No hardship exists in the following circumstances:
  - i. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.

- c. A temporary hardship exists in the following circumstances:
  - i. If the Housing Authority determines there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of ninety days (90) from the date of the family's request. At the end of the ninety day (90) period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.
- d. Long term hardship exists in the following circumstances:
  - i. If the Housing Authority determines there is a long term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- e. Hardship appeal procedure:
  - i. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

E. Section 8 Merged Vouchers

1. The payment standard is set by the Housing Authority between ninety percent (90%) and one hundred ten percent (110%) of the FMR or higher or lower with HUD approval.
2. The participant pay the greater of the Total Tenant payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
3. No participant when initially receiving tenant-based assistance on a unit shall pay more than forty percent (40%) of their monthly adjusted income if the gross rent exceeds the applicable payment standard.

F. Manufactured Home Space Rental: Section 8 Vouchers

1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
2. The space rent is the sum of the following as determined by the Housing Authority.
  - a. Rent to owner for the manufactured home space.
  - b. Owner maintenance and management charges for the space.
  - c. Utility allowance for tenant paid utilities.
3. The participant pays the rent to owner less the HAP
4. HAP equals the lesser of:
  - a. The payment standard minus the total tenant payment.
  - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

G. Rent for Families Under the Non-Citizen Rule

A mixed family will receive full continuation of assistance if All of the following conditions are met:

1. The family was receiving assistance on June 19, 1995.
2. The family was granted continuation of assistance before November 29, 1996.
3. The family's head or spouse has eligible immigration status.
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Housing Authority will grant each family a period of six months to find suitable housing, The Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard And is of appropriate size for the family. Affordable Housing means that it can be rented for an amount not Exceeding the amount the family pays for rent, plus utilities

## 11.5 Utility Allowance

The Housing Authority maintains a utility allowance schedule for All tenant paid utilities (except telephone and cable), for cost of tenant supplied refrigerators and ranges, and for other tenant paid housing services (e.g., trash collection, disposal of waste and refuse).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and currently utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of ten percent (10%) or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family ( rather than the family unit size as determined under the Housing Authority subsidy standards)

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is

the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

#### 11.6 Distribution of Housing Assistance Payment

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the Housing Authority late payment, agreed to in the Contract and in accordance with generally accepted practices in the Housing Authority's jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted tenants.
- B. The owner also charges such penalties against the tenant for late payment of family rent to the owner.
- C. The Housing Authority will not issue a housing assistance payment and/or utility reimbursement check for the following reason (s):
  - 1. If all paperwork requested by the Section 8 office is not signed by both landlord & tenant.
  - 2. If the unit has not pass the HQS inspection.
  - 3. If any utilities have been shut off.

If a landlord or participant does not receive a payment or has misplaced a payment check the Housing Authority has established the following procedure for reissuing checks: ( owner or participant may choose)

- A. Pay a \$25.00 stop payment on the lost check and The Housing Authority will reissue another check.
- B. or wait until the bank statement is received by the Housing Authority to determine that it has not Cleared the bank, then Housing Authority will Reissue another check without charge.

At no time is the Housing Authority responsible for a lost check.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Jefferson County Housing Authority.

## 11.7 Change of Ownership

The Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Housing Authority's rent or the address as to where the rent payment should be sent.

In addition, the Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of Title.

The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

## 13.0 RECERTIFICATION

### 13.1 Changes in Lease or Rent

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Housing Authority a copy of the

changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Housing Authority of any changes in the amount Of rent at least sixty days (60) before the changes go into effect. Any such changes are subject to the Housing Authority determining them to be reasonable.

Assistance shall not be continued unless the Housing Authority has approved a new tenancy in accordance with program requirements and has executed a new HAP Contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances.
- B. In the lease terms governing the term of the lease.
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

### 13.2 Annual Re-examination

- A. The rent the family will pay.
- B. Whether the family subsidy is correct based on the family unit size.

- 4. Is unmarried
- 5. Does not have a dependent child, and is not otherwise individually eligible, or has parents who, individually

or jointly, are not eligible on the basis of income to receive assistance under Section 8 of the 1937 Act.

- D. If at the time of re-certification the Housing Authority determines that funding is not available the Housing Authority will take the following steps to determine who will receive continued assistance in the Housing Choice Voucher Program.

The Housing Authority will look at the date the participant started receiving rental assistance and how long they have been in the program.

The Housing Authority will also take into consideration if anyone in the household is elderly or disabled.

If the contract is up for re-certification and funding is not available at the time and the participant has been on the program for more than five (5) years and is not elderly or disabled then the voucher will be terminated due to insufficient funds.

The Housing Authority will notify the participant and the landlord with a 30 day written notice.

The Housing Authority will send a notification letter to the family letting them know that it is time for their annual re-examination and schedule an appointment. The letter includes instructions permitting the family to schedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request any accommodations they may need.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Housing Authority will determine the family's annual income and will calculate their family share.

### 13.3 Effective Date of Rent Changes for Annual Re-examinations

The new family share will generally be effective upon the anniversary date with thirty days (30) notice of any rent increase to family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which they receives a thirty day (30) notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

### 13.4 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Housing Authority taking action to terminate the family's assistance.

### 13.5 Interim Re-examinations

During an interim re-examination, all information affected by the changes that are required to be reported will be reviewed and verified.

Families must report any increase in income or decreases in allowable expenses between annual re-examinations.

Families are required to report the following changes to the Housing Authority between regular re-examinations. These changes will trigger an interim re-examination:

- A. A member has been added to the family through birth or adoption or court awarded custody.
- B. A household member is leaving or has left the family unit
- C. Family break-up

In circumstances of a family break up, the Housing Authority will make a determination of which family member will retain the voucher, taking into consideration the following factors:

- A. To whom the voucher was issued.
- B. The interest of minor children or of ill, elderly, or disabled family members.
- C. Whether the assistance should remain with the family members remaining in the unit.
- D. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Housing Authority will be bound by the court's determination of which family member(s) continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Housing Authority will make determinations on a case-by-case basis.

The Housing Authority will issue a determination with ten (10) business days of the request for determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 15.3.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request the new member to added to the lease. Before adding the new member to the lease, the individual must

complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their social security number if they have one, and must verify their citizenship/eligible immigrant status (their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family) The new family member will go through the screening process similar to the process for applicants. The Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Housing Authority will grant approval to add their name to the lease. Written approval from the landlord must be received prior to the addition to the household. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be the first of the month after a thirty day (30) notice.

### 13.6 Screening for Live-in Aide

The Housing Authority may refuse to approve a particular person as a live-in aide or may withdraw such approval under the following circumstances:

- A. If the person commits fraud, bribery, or any other corrupt or criminal act in connection with any Federal Housing program.
- B. If the person commits drug-related criminal activity or violent criminal activity.
- C. If the person currently owes rent or other amounts to the Housing Authority or another Housing Authority in connection with the Section 8 or Public Housing Assistance Program under the 1937 Act.

Families are not required to, but may at any time, request an interim re-examination based on a decrease in income, and increase in allowable expenses, or other changes in family circumstances. Upon such request, the Housing Authority will take timely action to process the interim re-examination and recalculate the family share.

### 13.7 Special Re-examinations

If a family's income is too unstable to project for twelve months (12) including families that temporarily have no income or have a temporary decrease in income, the Housing Authority may schedule special re-examinations every sixty days (60) until the income stabilizes and an annual income can be determined. For families who declare they have no income, the family must certify on provided form they have no income and will be required to make this certification on the provided form every thirty days (30).

### 13.8 Effective Date of Rent Changes due to Interim or Special Re-examinations

Unless there is a delay in re-examination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim re-examination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

### 14.0 TERMINATION OF ASSISTANCE TO THE FAMILY

Such family will not be eligible to be readmitted to the Section 8 Program for a period of twenty four (24) months from the date of termination.

#### 20.0 QUALITY CONTROL OF THE SECTION 8 HOUSING CHOICE VOUCHER PROGRAM

In order to maintain the appropriate quality standards for the Section 8 Housing Choice Voucher Program the Housing Authority will review 25% of the universe amount at the end of each quarter for the current fiscal year. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work, or someone subordinate to that person.

The Housing Authority has established the following methodology for quality control of the Section 8 Management Assessment Program (SEMAP) to determine the universe amount for indicators 1,2,3,5 & 6.

### Quality Control Chart

Universe Number	Minimum number of files to be sampled
50	5
51-600	5 plus 1 for each 50 (or part of) over 50
601-2000	16 plus 1 for each 100 (or part of) over 600
Over – 2000	30 plus 1 for each 200 (or part of) over 2000

#### A. Indicator # 1 – Selection from waiting list

This would be the number of admission in the last fiscal year for the Housing Authority, for each of the two Quality control Samples required under this SEMAP indicator. Two samples would be drawn, one for a applicant reaching the top of the list and one for new admissions.

Written Methodology – The Housing Authority will use the Quality Control Chart above to determine the universe number. Every third person on the voucher issuance log will be selected for quality control. Example: if you had 50 people reach the top of the waiting list, your universe number would be 5. Then you would select 5 folders to be reviewed. ( folders # 3,6,9,12,& 15) that were new admissions for current fiscal year.

#### B. Indicator # 2 – Rent Reasonableness
